Physical fitness

Requirements as to physical fitness of drivers

9.—(1) An application for the grant of a licence must include a declaration by the applicant, in such form as the Department may require, stating whether he is suffering or has at anytime (or, if a period is prescribed for the purposes of this paragraph, has during that period) suffered from any relevant disability or any prospective disability.

(2) In this Part—

“disability” includes disease,

“relevant disability” in relation to any person means—

- (a) any prescribed disability, and
- (b) any other disability likely to cause the driving of a vehicle by him in pursuance of a licence to be a source of danger to the public, and

“prospective disability” in relation to any person means any other disability which—

- (a) at the time of the application for the grant of a licence or, as the case may be, the material time for the purposes of the provision in which the expression is used, is not of such a kind that it is a relevant disability, but
- (b) by virtue of the intermittent or progressive nature of the disability, or otherwise, may become a relevant disability in course of time.

(3) If it appears from the applicant’s declaration, or if on inquiry the Department is satisfied from other information, that the applicant is suffering from a relevant disability, the Department must, subject to the following provisions of this Article, refuse to grant a licence.

(4) The Department must not by virtue of paragraph (3) refuse to grant a licence—

- (a) on account of any relevant disability which is prescribed for the purposes of this sub-paragraph, if the applicant has at any time passed a relevant test and it does not appear to the Department that the disability has arisen or become more acute since that time or was, for whatever reason, not disclosed to the Department at that time,
- (b) on account of any relevant disability which is prescribed for the purposes of this sub-paragraph, if the applicant satisfies such conditions as may be prescribed with a view to authorising the grant of a licence to a person in whose case the disability is appropriately controlled,
- (c) on account of any relevant disability which is prescribed for the purposes of this sub-paragraph, if the application is for a provisional licence.

(5) Where as a result of a test of competence to drive or of information obtained under the relevant powers the Department is satisfied that the person who took the test or in relation to whom the information was obtained is suffering from a disability such that there is likely to be a danger to the public—

- (a) if he drives any vehicle, or
- (b) if he drives a vehicle other than a vehicle of a particular class, the Department must serve notice in writing to that effect on that person and must include in the notice a description of the disability.

(6) Where a notice is served in pursuance of paragraph (5)(a), then—

- (a) if the disability is not prescribed under paragraph (2), it shall be deemed to be so prescribed in relation to the person who took the test, and
- (b) if the disability is prescribed for the purposes of paragraph (4)(c) it shall be deemed not to be so prescribed in relation to him.

(7) Where a notice is served in pursuance of paragraph (5)(b), any licence granted to the person who took the test shall be limited to vehicles of the particular class specified in the notice and, if the Department so directs in the notice, his entitlement to drive other classes of vehicles by virtue of Article 14(2) shall be limited as specified in the notice.

(8) If the Department considers it appropriate to do so the Department may, after serving a notice in pursuance of paragraph (5)(a), serve a notice in pursuance of paragraph (5)(b) or, after serving a notice in pursuance of paragraph (5)(b), serve a notice in pursuance of paragraph (5)(a) or a further notice in pursuance of paragraph (5)(b); and on its serving a further notice under any of those provisions the notice previously served shall cease to have effect and any limited licence previously granted shall be revoked by the subsequent notice.

(9) In paragraph (5) the references to a test of competence to drive and to information obtained under the relevant powers are references respectively to a test of competence prescribed for the purposes of Article 5 or so much of such a test as is required to be taken in pursuance of Article 11(5)(c) and to information obtained in pursuance of Article 11(5)(a) or (b).

(10) A person whose licence is revoked by virtue of paragraph (8) must deliver the licence and its counterpart to the Department forthwith after the revocation and a person who, without reasonable excuse, fails to do so is guilty of an offence.

(11) In this Article “relevant test”, in relation to an application for a licence, means any such test of competence as is mentioned in Article 5 or a test as to fitness or ability in pursuance of Article 6 of this Order as originally enacted, being a test authorising the grant of a licence in respect of vehicles of the classes to which the application relates.

(12) Without prejudice to paragraph (11), for the purposes of paragraph (4)(a)—

- (a) an applicant shall be treated as having passed a relevant test if, and on the day on which, he passed a test of competence to drive which—
 - (i) under a provision of the law of Great Britain or a relevant external law corresponding to paragraphs (3) and (4) or (6) of Article 5, either is prescribed in relation to vehicles of classes corresponding to the classes to which the application relates or is sufficient under that law for the granting of a licence authorising the driving of vehicles of those classes, or
 - (ii) is sufficient for the granting of a British forces licence authorising the driving of vehicles of those classes, and
- (b) in the case of an applicant who is treated as having passed a relevant test by virtue of sub-paragraph (a), disclosure of a disability to his licensing authority shall be treated as disclosure to the Department.

Revocation of licence because of disability or prospective disability

10.—(1) If the Department is at any time satisfied on inquiry—

- (a) that a licence holder is suffering from a relevant disability, and
- (b) that the Department would be required by virtue of Article 9(3) or (7) to refuse an application for the licence made by him at that time,

the Department may serve notice in writing on the licence holder revoking the licence with effect from such date as may be specified in the notice, not being earlier than the date of service of the notice.

(2) If the Department is at any time satisfied on inquiry that a licence holder is suffering from a prospective disability, the Department may—

(4) If—

- (a) the prescribed circumstances obtain in relation to a person who is an applicant for, or the holder of, a licence; or
- (b) the Department has reasonable grounds for believing that a person who is an applicant for, or the holder of a licence may be suffering from a relevant or prospective disability;

paragraph (5) applies for the purpose of enabling the Department to satisfy itself whether or not that person may be suffering from that or any other relevant or prospective disability.

- (5) The Department may by notice in writing served on the applicant or holder—

- (b) beginning at such other time as may be prescribed.

(5) A provisional licence shall not authorise the driving of a heavy motor cycle, that is to say, a motor cycle the cylinder capacity of whose engine exceeds 250 cubic centimetres or any such lesser capacity as the Department may by regulations prescribe (not being a vehicle having three wheels), until the holder of the licence shall have passed the appropriate test.

(3) Where a person, having been granted a provisional licence, is granted a full licence, the full licence shall, unless revoked or surrendered, remain in force for the unexpired period of the provisional licence.

(4) To the extent that a provisional licence authorises the driving of a motor cycle of a prescribed class it shall, unless previously surrendered or revoked, remain in force—
