## STATUTORY INSTRUMENTS

## 1992 No. 1720

## The Competition and Service (Electricity) (Northern Ireland) Order 1992

## Compliance with standards of overall performance

- 7. In Article 43 of the Electricity Order (electricity supply: overall performance) the following paragraph shall be added at the end—
  - "(3) It shall be the duty of every public electricity supplier to conduct his business in such a way as can reasonably be expected to lead to his achieving the standards set under this Article."
