SCHEDULE 3

PROVISIONS WITH RESPECT TO REPAIRS GRANTS UNDER ARTICLE 74

3.—(1) Where the Executive approves an application for a repairs grant, it shall determine the amount of the expense (in this Schedule referred to as “the eligible expense”) which in its opinion is proper to be incurred for the execution of the relevant works and shall notify the applicant of that amount.

(2) If the applicant satisfies the Executive that the relevant works cannot be or could not have been carried out without the carrying out of additional works and that this could not have been reasonably foreseen at the time the application was made, the Executive may determine a higher amount under paragraph (1).

(3) Except in a case or description of case in respect of which the Department approves a higher eligible expense, the eligible expense for the purposes of a repairs grant shall be so much of the amount determined under paragraph (1) as does not exceed £5,500 or such other amount as the Department may by order specify.

(4) The amount of a repairs grant shall be such as may be fixed by the Executive when it approves the application for the grant but, subject to paragraph (5), shall not exceed the appropriate percentage of the eligible expense and, together with the notification under paragraph (1), the Executive shall send to the applicant a notification of the amount of the grant.

(5) In any case where, after the amount of a repairs grant has been notified to the applicant under paragraph (4), the Executive, in exercise of its powers under paragraph (2), determines a higher amount under paragraph (1), the eligible expense shall be re-calculated under paragraph (3), and if, on that re-calculation, the amount of the eligible expense is greater than it was at the time when the application was approved—

- (a) the amount of the repairs grant shall be increased accordingly; and
- (b) the Executive shall notify the applicant of the increased amount of the grant.
