SCHEDULE 3

Article 74(3).

PROVISIONS WITH RESPECT TO REPAIRS GRANTS UNDER ARTICLE 74

- 1.—(1) No repairs grant shall be paid by the Executive unless an application is made to it in accordance with this Schedule by the person to whom the grant is payable.
 - (2) An application for a repairs grant shall—
 - (a) specify the premises to which the application relates;
 - (b) contain particulars of the works in respect of which the grant is sought (in this Schedule referred to as “the relevant works”) and an estimate of their cost; and

(2) 1945 c. 2 (N.I.)
(3) 1946 c. 4 (N.I.)
(4) 1963 c. 26 (N.I.)
(5) 1919 c. 45
(6) 1971 c. 5 (N.I.)
(7) 1956 c. 10 (N.I.)

- (c) contain such other particulars as may for the time being be specified to the Executive by the Department.

2.—(1) Subject to paragraphs (2) to (4), the Executive shall not approve an application for a repairs grant unless the Executive is satisfied that on completion of the relevant works the dwelling-house will attain the relevant standard of repair.

(2) Without prejudice to the discretion of the Executive to approve or decline to approve an application for a repairs grant, if, in the opinion of the Executive, the relevant works are more extensive than is necessary for the purpose of securing that the dwelling-house will attain the relevant standard of repair, the Executive may, with the consent of the applicant, treat the application as varied so that the relevant works include only such works as seem to the Executive to be necessary for that purpose, and may approve the application as so varied.

(3) Where the Executive is of the opinion—

- (a) that the dwelling-house may be demolished within the period of 5 years from the date on which it received the application for the repairs grant; or
- (b) that, notwithstanding that the relevant works are completed, the dwelling-house will, within that period become unfit for human habitation and will, at the expiration of that period, be incapable of being rendered fit at reasonable expense,

the Executive may dispense with the condition in paragraph (1).

(4) In determining for the purposes of this paragraph whether a dwelling-house meets the relevant standard of repair, regard shall be had to the repairing conditions (within the meaning of Article 46 of the Rent (Northern Ireland) Order 1978⁽⁸⁾) or, as the case may be, to the requirements of the notice served under section 110 of the Public Health (Ireland) Act 1878⁽⁹⁾ in relation to the dwelling-house.

3.—(1) Where the Executive approves an application for a repairs grant, it shall determine the amount of the expense (in this Schedule referred to as “the eligible expense”) which in its opinion is proper to be incurred for the execution of the relevant works and shall notify the applicant of that amount.

(2) If the applicant satisfies the Executive that the relevant works cannot be or could not have been carried out without the carrying out of additional works and that this could not have been reasonably foreseen at the time the application was made, the Executive may determine a higher amount under paragraph (1).

(3) Except in a case or description of case in respect of which the Department approves a higher eligible expense, the eligible expense for the purposes of a repairs grant shall be so much of the amount determined under paragraph (1) as does not exceed £5,500 or such other amount as the Department may by order specify.

(4) The amount of a repairs grant shall be such as may be fixed by the Executive when it approves the application for the grant but, subject to paragraph (5), shall not exceed the appropriate percentage of the eligible expense and, together with the notification under paragraph (1), the Executive shall send to the applicant a notification of the amount of the grant.

(5) In any case where, after the amount of a repairs grant has been notified to the applicant under paragraph (4), the Executive, in exercise of its powers under paragraph (2), determines a higher amount under paragraph (1), the eligible expense shall be re-calculated under paragraph (3), and if, on that re-calculation, the amount of the eligible expense is greater than it was at the time when the application was approved—

- (a) the amount of the repairs grant shall be increased accordingly; and

⁽⁸⁾ 1978 NI 20

⁽⁹⁾ 1878 c. 52

Status: This is the original version (as it was originally made).

(b) the Executive shall notify the applicant of the increased amount of the grant.

4.—(1) In this Schedule “the appropriate percentage” (which is relevant for determining the grant or the maximum amount of grant) shall, in relation to an application for a repairs grant, be the percentage applicable to that application in accordance with the following provisions of this paragraph.

(2) The appropriate percentage shall be—

- (a) where the application is in respect of a dwelling-house which is subject to a protected or statutory tenancy under the Rent (Northern Ireland) Order 1978⁽¹⁰⁾, 90%;
- (b) where it appears to the Executive that the applicant would not without undue hardship be able to finance so much of the cost of relevant works as is not met by the grant, 90%;
- (c) where the net annual value of the house to which the application relates, other than a house in respect of which a district council has issued a regulated rent certificate under Article 9 of the Rent (Northern Ireland) Order 1978, is less than £60, 100%;
- (d) in any other case, 75%.

(3) The Department may by order, made with the approval of the Department of Finance and Personnel, modify paragraph (2) in such manner as it thinks fit.

5. If the Executive—

- (a) does not approve an application for a repairs grant, or
- (b) fixes the amount of the grant at less than the appropriate percentage of the eligible expense,

it shall state in writing to the applicant its reasons for doing so.

SCHEDULE 4

Article 82.

HOUSES IN MULTIPLE OCCUPATION: MEANS OF ESCAPE FROM FIRE

Exercise of powers of Executive

1. Subject to Article 80, if it appears to the Executive that a house in multiple occupation is not provided with such means of escape from fire as the Executive considers necessary the Executive may exercise such of its powers under this Schedule as appear to it most appropriate; and it shall do so if the house is of such description or occupied in such manner as the Department may by order specify.

Powers available to Executive

2.—(1) The Executive may serve a notice on any person on whom a notice may be served under Article 80(3) specifying the works which in the opinion of the Executive are required to provide the necessary means of escape from fire.

(2) Paragraphs (5) and (6) of Article 80 shall apply in relation to a notice under sub-paragraph (1) in the same manner as they apply to a notice under that Article.

3. If it appears to the Executive that the means of escape from fire would be adequate if part of the house were not used for human habitation, the Executive may secure that that part is not so used.

(10) 1978 NI 20

4. The Executive may secure that part of the house is not used for human habitation and serve a notice under paragraph 2 specifying such works only as in the opinion of the Executive are required to provide the means of escape from fire which will be necessary if that part is not so used.

5. For the purpose of securing that a part of the house is not used for human habitation the Executive may, if after consultation with any person appearing to it to be an owner of the house, accept an undertaking from him that that part will not be used for human habitation without the permission of the Executive.

6. If the Executive does not accept an undertaking under paragraph 5 with respect to a part of the house, or if, in a case where it has accepted such an undertaking, that part of the house is at any time used in contravention of the undertaking, the Executive may make a closing order with respect to that part of the house.

Enforcement

7. Any person who, knowing that an undertaking has been accepted under paragraph 5, uses the part of the house to which the undertaking relates in contravention of the undertaking, or permits that part of the house to be so used, shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale and to a further fine of one tenth of the amount corresponding to that level for every day, or part of a day, on which he so uses it or permits it to be so used, after conviction.

Consultation with Fire Authority

8. The Executive shall, before serving a notice, accepting an undertaking or making a closing order under this Schedule, consult with the Fire Authority for Northern Ireland.

Exclusion of protection under Rent (Northern Ireland) Order 1978

9. Nothing in the Rent (Northern Ireland) Order 1978 shall prevent possession being obtained of any part of a house which, in accordance with any undertaking in pursuance of this Schedule, cannot for the time being be used for human habitation.

Application of Chapter II of Part III of the Order of 1981

10. Chapter II of Part III of the Order of 1981 shall apply to a closing order made under this Schedule as it applies to a closing order under Article 38(1) of that Order, but the ground on which, under Article 39(1) of that Order, the Executive is required to determine the order shall be that it is satisfied that the means of escape from fire with which the house is provided is adequate (owing to a change of circumstances) and will remain adequate if the part of the house with respect to which the order was made is again used for human habitation.

Matters requiring to be registered in the Statutory Charges Register

11. There shall be included in the matters which are required to be registered in the Statutory Charges Register—

- (a) any notice served under paragraph 2,
- (b) any undertaking accepted under paragraph 5, and
- (c) any closing order made under paragraph 6.

SCHEDULE 5

Article 90.

CHAPTER TO BE SUBSTITUTED FOR CHAPTER II OF PART III OF THE ORDER OF 1981

“CHAPTER II

CLEARANCE AREAS AND CLEARANCE, DEMOLITION AND CLOSING ORDERS

Declaration of clearance areas

32.—(1) Where the Executive is satisfied as respects any area—

- (a) that the houses in that area are unfit for human habitation, or are by reason of their bad arrangement, or the narrowness or bad arrangement of the streets, dangerous or injurious to the health of the inhabitants of the area, and that the other buildings (if any) in the area are for a like reason dangerous or injurious to the health of the said inhabitants; and
- (b) that, having regard to Article 46A, the most satisfactory course of action is the demolition of all the buildings in the area;

the Executive shall define that area on a map so as to exclude from the area any building which is not unfit for human habitation or dangerous or injurious to health, and shall declare the area so defined to be a clearance area, that is to say, an area to be cleared of all buildings in accordance with the provisions of this Chapter.

(2) The Executive shall send notification of any declaration under this Article to—

- (a) the Department; and
- (b) the district council for the local government district in which the clearance area lies;

together with a statement of the number of persons who, on a day to be specified in the statement, occupied the buildings comprised in the clearance area.

(3) So soon as may be after the Executive declares an area to be a clearance area, it shall proceed to secure the clearance thereof by ordering the demolition of the buildings in the area.

(4) Where the Executive is of the opinion that an area should cease to be a clearance area, it may, with the consent of the Department, make a declaration to that effect and the area shall cease to be a clearance area from the date of that declaration.

Clearance orders

33.—(1) Where, as respects any clearance area, the Executive determines to order any buildings to be demolished, it shall make and submit to the Department, for confirmation by it, a clearance order ordering the demolition of each of those buildings.

(2) Part I of Schedule 4 shall have effect with respect to clearance orders.

Exclusion orders

34.—(1) Where the Executive is satisfied that a house comprised in a clearance order, which has been confirmed by the Department—

- (a) has been made fit for human habitation, or
- (b) will be made fit for human habitation if excluded from the clearance area,

the Executive may make and submit for confirmation by the Department an exclusion order excluding the house from the clearance area and modifying or revoking the clearance order accordingly.

(2) If it appears to the Executive that any house or other building, which has not been included in a clearance order, would not have been included in the clearance area but for the inclusion in the clearance area of the house to be excluded under paragraph (1), the exclusion order shall provide that that building shall also be excluded from the clearance area.

(3) An exclusion order may be made notwithstanding that the effect of the order in excluding any building from the clearance area is to sever that area into 2 or more separate and distinct areas, and in any such case Part I of Schedule 4 shall apply as if those areas formed one clearance area.

(4) For the purposes of this Article the Executive may accept an undertaking from an owner of the building, or any other person who has or will have an estate in the building and in particular undertakings concerning—

- (a) the works to be carried out to make the building fit for human habitation, and the time within which the works are to be carried out, and
- (b) the repayment of any sums paid by the Executive under—
 - (i) Chapter II of Part V,
 - (ii) section 36 or 37 of the Housing Act (Northern Ireland) 1971, or
 - (iii) section 2 of the Housing Act (Northern Ireland) 1961 .

(5) Part II of Schedule 4 shall have effect in relation to exclusion orders.

Demolition orders

35.—(1) Where the Executive is satisfied that a house, which is not a flat, is unfit for human habitation and that, in accordance with Article 46A, taking action under this paragraph is the most satisfactory course of action, the Executive shall make a demolition order with respect to the house concerned.

(2) Where the Executive is satisfied that, in a building containing one or more flats, some or all of the flats are unfit for human habitation and that in accordance with Article 46A, taking action under this paragraph is the most satisfactory course of action, the Executive shall make a demolition order with respect to the building.

(3) Where the Executive has made a demolition order, it shall serve a copy of the order on—

- (a) any owner of the premises, and
- (b) so far as it is reasonably practicable to ascertain such persons, every mortgagee of the premises.

(4) Where the premises in respect of which a demolition order is made are a building containing flats, any reference in sub-paragraph (a) or (b) of paragraph (3) to “the premises” includes a reference to the flats in the building concerned.

(5) Subject to Article 43, where the Executive makes a demolition order the order shall require—

- (a) that the premises be vacated within a period, not being less than 28 days from the date on which the order becomes operative, and
- (b) that the premises be taken down and removed—
 - (i) within 6 weeks after the expiration of the period specified in sub-paragraph (a), or
 - (ii) if the premises are not vacated within that period, within 6 weeks after the date on which it is vacated, or
 - (iii) within such longer period as the Executive may specify in the circumstances.

Status: This is the original version (as it was originally made).

(6) Where, in accordance with Article 44, a demolition order becomes operative, the owner of the premises to which it applies shall take down and remove the premises within the time specified in the order; and, if the premises are not taken down and removed within that time, the Executive shall enter and take down and remove the premises and sell the materials thereof.

(7) Paragraphs 10 and 11 of Schedule 4 shall apply to any expenses incurred by the Executive under paragraph (6) and to any surplus remaining in the hands of the Executive.

Recovery of possession of buildings subject to clearance or demolition order

36.—(1) Where, in accordance with paragraph 7 of Schedule 4 or, as the case may be, Article 44, a clearance order or demolition order becomes operative, the Executive shall serve upon the occupier of any building to which the order relates a notice—

- (a) stating the effect of the order,
- (b) specifying the date by which the building is to be vacated, and
- (c) requiring him to quit the building before the said date or before the expiration of 28 days from the service of the notice, whichever may be the later.

(2) If, at any time after the date on which a notice under paragraph (1) requires a building to be vacated, any person is in occupation of the building, the Executive or any owner of the building may bring proceedings in the same manner as ejectment proceedings under Part VI of the Magistrates' Courts (Northern Ireland) Order 1981 and the court shall, on proof of the service of the notice and of such occupation, order vacant possession of the building to be given to the Executive or owner, but, in doing so, shall stay the issue of the decree for possession for a period of not less than 2 weeks or more than 4 weeks from the date of the order.

(3) Any person who, knowing that a clearance or demolition order is in operation in relation to any building, enters into occupation of that building or of any part thereof after the date by which the order requires that building to be vacated or after the date on which the building is in fact vacated, whichever is the earlier, or permits any other person to enter into such occupation after that date, shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale and to a further fine not exceeding £10 for every day or part of a day on which the occupation continues after conviction.

Determination of demolition orders

37.—(1) Where—

- (a) the Executive has made a demolition order in respect of premises and the premises have not yet been taken down and removed;
- (b) the owner of the premises, or any other person who in the opinion of the Executive is, or will be, in a position to put his proposals into effect, submits proposals to the Executive for the reconstruction, enlargement or improvement of the premises; and
- (c) the Executive is satisfied that the result of the work will be the provision of one or more houses fit for human habitation,

the Executive may, in order that the proposed works may be carried out, by notice served on the owner or occupier extend for such period as it may specify the time within which the premises are required by the demolition order to be taken down and removed and such time may be further extended by the Executive as occasion may require.

(2) Where the Executive is satisfied that premises in respect of which a demolition order has been made have been rendered fit for human habitation or have been replaced, the Executive may make an order determining the demolition order.

(3) Where the Executive—

- (a) extends or further extends the time mentioned in paragraph (1), or
- (b) makes an order under paragraph (2),

it shall serve a copy of the notice or order upon every person upon whom it was required to serve a copy of the demolition order.

(4) Where the Executive makes an order under paragraph (2), any payments made under Chapter II of Part V or under Part I of the Housing Act (Northern Ireland) 1961 by the Executive shall, unless the Department otherwise directs, be repayable to the Executive and shall be recoverable as a civil debt due to it.

Demolition orders: substitution of closing orders to permit use otherwise than for human occupation

37A.—(1) If an owner of any premises in respect of which a demolition order has become operative or any other person who has an interest in the premises, submits proposals to the Executive for the use of the premises for a purpose other than human habitation, the Executive may if it thinks fit to do so determine the demolition order and make a closing order in respect of the premises.

(2) The Executive shall serve notice that the demolition order has been determined, and a copy of the closing order, on every person upon whom it would be required by paragraph (3) of Article 35 to serve notice of a demolition order.

Closing orders

38.—(1) Where the Executive is satisfied that a house is unfit for human habitation and that, in accordance with Article 46A, taking action under this paragraph is the most satisfactory course of action, the Executive shall make a closing order with respect to the house.

(2) Where the Executive is satisfied that, in a building containing one or more flats, some or all of the flats are unfit for human habitation and that, in accordance with Article 46A, taking action under this paragraph is the most satisfactory course of action, the Executive shall make a closing order with respect to the whole or part of the building.

(3) In deciding for the purposes of paragraph (2)—

- (a) whether to make a closing order with respect to the whole or part of the building; or
- (b) in respect of which part of the building to make a closing order;

the Executive shall have regard to such guidance as may from time to time be given by the Department under Article 46A.

(4) Where the Executive would but for this Article make a demolition order in respect of a house or building—

- (a) it may, if it considers it inexpedient to do so having regard to the effect of the demolition of that house or building upon any other building, and
- (b) it shall, if the house or building in respect of which it proposes to make the demolition order is a listed building or a building within a conservation area;

in lieu of making such an order, make a closing order prohibiting the use of the house or building for any purpose other than one approved by the Executive.

(5) In paragraph (4) “building”, “listed building” and “conservation area” have the meaning assigned to them in the Planning (Northern Ireland) Order 1991.

(6) The Executive shall serve a copy of the closing order upon every person upon whom it would have to serve such a copy if the order were a demolition order.

Status: This is the original version (as it was originally made).

(7) Where a closing order has been made in respect of a house or the whole or part of a building, the Executive may—

- (a) in a case where paragraph (4)(b) applies, after consultation with the Department, or
- (b) in any other case, at any time,

revoke that order and make a demolition order in respect of that house or as the case may be, the whole of that building.

Determination of closing orders

39.—(1) Where the Executive is satisfied that a house or the whole or part of a building in respect of which a closing order has been made, has been rendered fit for human habitation or replaced, the Executive may make an order determining the closing order.

(2) Where an order is made under paragraph (1), the Executive shall serve a copy of that order upon every person upon whom it was required to serve a copy of the closing order.

(3) Article 37(4) shall have effect in relation to the determination of a closing order in the same manner as it applies where a demolition order is determined.

Use of premises in contravention of closing order

40. Any person who, knowing that a closing order has become operative and applies to any premises, uses those premises in contravention of that order or permits them to be so used, shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale and to a further fine not exceeding £10 for every day on which he so uses them, or permits them to be so used, after conviction.

Repair notices

41.—(1) Subject to paragraph (2), where the Executive is satisfied that, having regard to Article 46A, any house or part of a house is unfit for human habitation and that serving a notice under this paragraph is the most satisfactory course of action, it shall serve upon the owner of the house a notice requiring him, within such reasonable time, not being less than 21 days, as may be specified in the notice, to execute the works specified in the notice and stating that, in the opinion of the Executive, those works will render the house or, as the case may be, that part thereof, fit for human habitation.

(2) Where the Executive is satisfied that, having regard to Article 46A, a house which is a flat is unfit for human habitation by reason of the defective condition of a part of the building outside the flat, it shall serve a repair notice upon the owner of the building, if it is satisfied that serving such a notice is the most satisfactory course of action.

(3) In addition to serving a notice on the owner of the house, the Executive may also serve a copy of the notice upon any other person having an estate in the house.

(4) In this Article “house” includes a house in multiple occupation, and in the case of such a house a repair notice may be served upon the person managing the house instead of upon the owner.

Effect on Article 41 of proposal to include premises in group repair scheme

41A.—(1) The Executive shall not be under a duty to serve a repair notice under paragraph (1) or, as the case may be, paragraph (2) of Article 41, if, at the same time as it satisfies itself as mentioned in the paragraph in question, it determines—

- (a) that the premises concerned form part of a building which would be a qualifying building in relation to a group repair scheme; and
- (b) that, within the period of 12 months beginning at that time, it expects to prepare a group repair scheme in respect of the qualifying building (in this Article referred to as a “relevant scheme”);

but where, having so determined, the Executive does serve such a notice, it may do so with respect only to those works which, in its opinion, will not be carried out to the premises concerned in pursuance of the relevant scheme.

(2) Subject to paragraph (3), paragraph (1) shall apply in relation to the premises concerned from the time referred to in paragraph (1) until the date on which the works specified in a relevant scheme are completed to the Executive’s satisfaction (as certified under Article 68 of the Housing (Northern Ireland) Order 1992).

(3) Paragraph (1) shall cease to have effect in relation to the premises concerned on the day when the first of the following events occurs, that is to say,—

- (a) the Executive determines not to submit a relevant scheme to the Department for approval; or
- (b) the expiry of the period referred to in paragraph (1)(b) without either the approval of a relevant scheme within that period or the submission of a relevant scheme to the Department within that period; or
- (c) the Department notifies the Executive that it does not approve a relevant scheme; or
- (d) the Executive ascertains that a relevant scheme, as submitted or approved, will not, for whatever reason, involve the carrying out of any works to the premises concerned.

(4) In any case where, in accordance with paragraph (1), the Executive serves a repair notice under paragraph (1) or, as the case may be, paragraph (2) of Article 41 with respect only to certain of the works which would otherwise be specified in the notice, paragraph (1) of that Article shall have effect with respect to the notice as if after the word “notice” there were inserted the words “when taken together with works proposed to be carried out under a group repair scheme”.

(5) In this Article “group repair scheme” and “qualifying building” have the same meaning as in Part III of the Housing (Northern Ireland) Order 1992.

Offence of failing to comply with a repair notice

41B.—(1) Where the person upon whom a repair notice in respect of a house has been served intentionally fails to comply with the notice, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 4 on the standard scale.

(2) The obligation to execute the works specified in the notice continues notwithstanding that the period for completion of the works has expired.

(3) Article 42(1) shall have effect to determine whether a person has failed to comply with a notice and what is the period for completion of the works.

(4) The provisions of this Article are without prejudice to the exercise by the Executive of the powers conferred by Article 42.

Enforcement of repair notices

42.—(1) If a notice under Article 41 is not complied with, then, after the expiration of the time specified in the notice, or, if an appeal has been made against the notice and upon that appeal the notice has been confirmed with or without variation, after the expiration of 21 days

Status: This is the original version (as it was originally made).

from the final determination of the appeal, or of such longer period as the court in determining the appeal may fix, the Executive may itself do the work required to be done by the notice or, as the case may be, by the notice as varied by the court.

(2) Where the Executive is about to enter a house under paragraph (1) for the purpose of doing any work it shall give to the owner and to the occupier of the house notice in writing of its intention to do so.

(3) Subject to paragraph (4), any expenses incurred by the Executive under this Article, together with interest at the prescribed rate from the date when a demand for the expenses is served until payment, may be recovered by the Executive summarily as a civil debt from the owner of the house.

(4) Where the Executive claims to recover any expenses from a person as being the owner of the house and that person proves that he—

- (a) is receiving the rent merely as agent or trustee for some other person; and
- (b) has not, and since the date of the service on him of the demand has not had, in his hands on behalf of that other person sufficient money to discharge the whole demand of the Executive;

his liability shall be limited to the total amount of the money which he has, or has had, in his hands.
