(2) There are hereby transferred to the Director (so as to be exercisable concurrently with the Director General of Fair Trading)—

 - (ii) is information which in his opinion it would be appropriate for that purpose to give to the Commission without any such request; and
- (b) any other assistance which the Commission may require and which it is within his power to give, in relation to any such matters,

and the Commission shall, for the purposes of carrying out any such investigation, take into account any information given to them for that purpose under this paragraph.

(6) If any question arises as to whether paragraph (2) or (3) applies to any particular case, that question shall be referred to and determined by the Department; and no objection shall be taken to anything done under—
