The Street Works (Northern Ireland) Order 1995

Streets subject to special controls

Traffic-sensitive streets

24.—(1) Regulations made for the purposes of Article 14, 15 or 17 (notices required to be given in respect of street works) may make special provision in relation to street works in a street designated by the street authority as traffic-sensitive.

(2) The Department may prescribe—

- (a) the criteria for designating a street as traffic-sensitive,
- (b) the procedure for making or withdrawing such a designation, and
- (c) the information to be made available by the street authority as to the streets for the time being so designated by it.

(3) If it appears to the street authority that the prescribed criteria are met only at certain times or on certain dates, a limited designation may be made accordingly.

In such a case the reference in paragraph (1) to the execution of works in a street designated as traffic-sensitive shall be construed as a reference to works so executed at those times or on those dates.
