

## SCHEDULES

### SCHEDULE 1

#### Street Works Licences

##### *Conditions attached to licence*

3. A street authority may attach to a street works licence such conditions as it considers appropriate—
  - (a) in the interests of safety,
  - (b) to minimise the inconvenience to persons using the street (having regard, in particular, to the needs of people with a disability), or
  - (c) to protect the structure of the street and the integrity of apparatus in it.
4. Where assignment of a street works licence is permitted, a condition may be attached requiring the consent of the street authority to any assignment.
