

SCHEDULES

SCHEDULE 1

Street Works Licences

Conditions attached to licence

3. A street authority may attach to a street works licence such conditions as it considers appropriate—

- (a) in the interests of safety,
- (b) to minimise the inconvenience to persons using the street (having regard, in particular, to the needs of people with a disability), or
- (c) to protect the structure of the street and the integrity of apparatus in it.
