(3) In determining for the purposes of paragraph (2)(b) whether it is requisite that a provisional order be made, the Authority shall have regard, in particular—

- (a) to the extent to which any person is likely to sustain loss or damage in consequence of anything which, in contravention of the relevant condition or requirement, is likely to be done, or omitted to be done, before a final order may be made; and

## Appeals

the licence holder may make an application to the High Court under this Article.

(2) An application under paragraph (1) must be made—

- (a) within 42 days from the date of service on the licence holder of a notice under Article 45(6), or
- (b) where the application relates to a decision of the Authority on an application by the licence holder under Article 45(7), within 42 days from the date the licence holder is notified of the decision.

(3) On any such application, where the court considers it appropriate to do so in all the circumstances of the case and is satisfied of one or more of the grounds falling within paragraph (4), the court—

- (a) may quash the penalty;
- (b) may substitute a penalty of such lesser amount as the court considers appropriate in all the circumstances of the case; or
- (c) in the case of an application under paragraph (1)(c), may substitute for the date or dates imposed by the Authority an alternative date or dates.

(4) The grounds falling within this paragraph are—

- (a) that the imposition of the penalty was not within the power of the Authority under Article 45;
- (b) that any of the requirements of paragraphs (4) to (6) or (8) of Article 45 have not been complied with in relation to the imposition of the penalty and the interests of the licence holder have been substantially prejudiced by the non-compliance; or
- (c) that it was unreasonable of the Authority to require the penalty imposed, or any portion of it, to be paid by the date or dates by which it was required to be paid.

(5) If an application is made under this Article in relation to a penalty, the penalty is not required to be paid until the application has been determined.

(6) Where the court substitutes a penalty of a lesser amount it may require the payment of interest on the substituted penalty at such rate, and from such date, as it considers just and equitable.

## PART VII

### ELECTRICITY FROM RENEWABLE SOURCES

#### Obligation in connection with electricity from renewable sources

52.—(1) The Department may by order impose on each electricity supplier who falls within a specified description ( “a designated electricity supplier”) an obligation to do what is set out in paragraph (2) (and that obligation is referred to in this Part as the “renewables obligation”).

(2) Subject to the provisions of this Article and Articles 53<sup>F14</sup> to 55], the renewables obligation is that the designated electricity supplier<sup>F14</sup> must, by each specified day, have produced] to the Authority evidence of a specified kind showing—

- (a) that he has supplied to customers in Northern Ireland during a specified period such amount of electricity generated by using renewable sources as is specified in relation to such a supplier; or
- (b) that another electricity supplier has done so (or that two or more others have done so); or
- (c) that between them they have done so.

(3) In this Part “electricity supplier” means the holder of a licence under Article 10(1)(c) or (2) of the Electricity Order, except where he is acting otherwise than for purposes connected with the carrying on of activities authorised by the licence.

(4) Evidence of the supply of electricity may not be produced more than once in relation to the same electricity.

(5) In the case of electricity generated by a generating station fuelled or driven partly by renewable sources and partly by fossil fuel or peat, only the proportion attributable to the renewable sources can count towards discharging the renewables obligation (but this is subject to Article 53(1)(g)).

(6) Before making an order under this Article, the Department shall consult—

- (a) the Authority;
- (b) the Council;
- (c) the electricity suppliers to whom the proposed order would apply;
- (d) persons generating electricity from renewable sources in Northern Ireland; and
- (e) such other persons, if any, as the Department considers appropriate.

(7) In this Article and Article 53—

“fossil fuel” means coal, substances produced directly or indirectly from coal, lignite, natural gas, crude liquid petroleum, or petroleum products (and “natural gas” and “petroleum products” have the same meanings as in the Energy Act 1976 (c. 76));

“peat” includes substances produced directly or indirectly from peat;

“renewable sources” means sources of energy other than fossil fuel, peat or nuclear fuel, but includes waste of which not more than a specified proportion is waste which is, or is derived from, fossil fuel or peat;

“specified” means specified in the order.

*Status: Point in time view as at 01/10/2006. This version of this Order contains provisions that are not valid for this point in time.*

*Changes to legislation: The Energy (Northern Ireland) Order 2003 is up to date with all changes known to be in force on or before 12 April 2024.   - (b) that only electricity generated using specified descriptions of renewable source is to count towards discharging the obligation (or that such electricity is to count only up to a specified amount);
  - (c) that only electricity generated by specified descriptions of generating station is to count towards discharging the obligation (or that such electricity is to count only up to a specified amount);
  - (d) that a specified minimum amount of electricity generated as mentioned in sub-paragraph (b) or (c) is to be counted towards the discharge of the renewables obligation;
  - (e) how the amount of electricity supplied by an electricity supplier (whether generally or to particular customers or descriptions of customer) is to be determined;
  - (f) how the proportion referred to in Article 52(5) or in the definition of “renewable sources” in Article 52(7) is to be determined;
  - (g) the consequences for the discharge of the renewables obligation if a generating station of the type mentioned in Article 52(5) uses more than a specified proportion of fossil fuel or peat during a specified period (which may include the consequence that none of the electricity generated by that generating station during that period is to count towards discharging the obligation);
  - (h) that specified information, or information of a specified nature, is to be given to the Authority (in addition to the evidence referred to in Article 52(2)), and the form in which it is to be given.
- (2) An order may, in relation to any specified period (“the current period”)—
- (a) provide that evidence of electricity supplied in a later period may, when available, be counted towards discharging the renewables obligation for the current period;
  - (b) provide that evidence of electricity supplied in the current period may, in a later period, be counted towards discharging the renewables obligation for that period;
  - (c) specify how much later the later period referred to in sub-paragraph (a) or (b) may be;
  - (d) specify a maximum proportion of the renewables obligation for any period which may be discharged as mentioned in sub-paragraph (a) or (b);
  - (e) specify a maximum proportion of electricity supplied in any period evidence of which may be counted towards discharging the renewables obligation for a different period.

if the Department is of the opinion that no supplier would by virtue of the differences be unduly disadvantaged in competing with other suppliers.

(4A) In paragraph (4) “supplier” means an electricity supplier or a Great Britain supplier.]

(5) An order may provide for the Authority to require an electricity supplier to provide it with information, or with information of a particular kind, which is in its opinion relevant to the question whether the supplier is discharging, or has discharged, the renewables obligation.

(6) That information must be given to the Authority in whatever form it requires.

(7) No person shall be required by virtue of this Article to provide any information which he could not be compelled to give in evidence in civil proceedings in the High Court.

(8) An order may make further provision as to the functions of the Authority in relation to the [<sup>F15</sup> matters dealt with] by the order.
