Application of this Part

16. This Part applies in relation to any dwelling-house which is for the time being let under a private tenancy.

Determining fitness for human habitation

17.—(1) Article 46 of the [Housing \(Northern Ireland\) Order 1981 \(NI 3\)](#) (standard of fitness for human habitation) shall apply in determining for the purposes of this Order whether a dwelling-house is fit for human habitation.

(2) In its application for those purposes, that Article shall have effect as if for any reference to the Executive there were substituted a reference to the appropriate district council.

Notices

Notice of unfitness

18.—(1) Where the appropriate district council is satisfied—

(a) that any dwelling-house to which this Part applies is unfit for human habitation, and

(b) that serving a notice of unfitness is the most satisfactory course of action,

it may, subject to the provisions of this Part, serve a notice of unfitness under this paragraph on the owner of the dwelling-house.

(2) Where the appropriate district council is satisfied—

- (a) that any dwelling-house to which this Part applies and which is a flat is unfit for human habitation by reason of the defective condition of a part of the building outside the flat, and
- (b) that serving a notice of unfitness is the most satisfactory course of action,

it may, subject to the provisions of this Part, serve a notice of unfitness under this paragraph on the owner of the building.

(3) The appropriate district council, in addition to serving a notice of unfitness in accordance with paragraph (1) or (2)–

- (a) shall serve a copy of the notice on–
 - (i) the tenant of the dwelling-house,
 - (ii) the Executive, and
 - (iii) the rent officer; and
- (b) may also serve a copy of the notice on any other person having an estate in the dwelling-house.

(4) A notice of unfitness shall–

- (a) require the person on whom it is served to execute the works specified in the notice within such reasonable period, not being less than 21 days after service of the notice, as may be so specified; and
- (b) state that, in the opinion of the appropriate district council, the works will render the dwelling-house fit for human habitation.

(5) This Article is subject to Article 21.

Notice of disrepair

19.—(1) Where the appropriate district council is satisfied–

- (a) that any dwelling-house to which this Part applies is in such a state of disrepair that, although fit for human habitation, substantial repairs are necessary to bring it up to a reasonable standard, having regard to its age, character and locality; or
- (b) whether on a representation made by an occupying tenant or otherwise, that such a dwelling-house is in such a state of disrepair that, although fit for human habitation, its condition is such as to interfere materially with the personal comfort of the occupying tenant;

it may, subject to the provisions of this Part, serve a notice of disrepair under this paragraph on the owner of the dwelling-house.

(2) Where the appropriate district council is satisfied–

- (a) that any building containing a dwelling-house to which this Part applies and which is a flat is in such a state of disrepair that, although the flat is fit for human habitation, substantial repairs are necessary to a part of the building outside the flat to bring the flat up to a reasonable standard, having regard to its age, character and locality; or
- (b) whether on a representation of an occupying tenant or otherwise, that such a building is in such a state of disrepair that, although the flat is fit for human habitation, the condition of the part of the building outside the flat is such as to interfere materially with the personal comfort of the occupying tenant;

it may, subject to the provisions of this Part, serve a notice of disrepair under this paragraph on the owner of the building.

(3) The appropriate district council, in addition to serving a notice of disrepair in accordance with paragraph (1) or (2)–

- (a) shall serve a copy of the notice on the tenant of the dwelling-house, and
 - (b) may also serve a copy of the notice on any other person having an estate in the dwelling-house.
- (4) A notice of disrepair shall—
- (a) require the person on whom it is served, to execute the works specified in the notice, not being works of internal decorative repair, within such reasonable period, not being less than 21 days after service of the notice, as may be so specified; and
 - (b) state the appropriate district council's reasons for serving the notice.

Matters to be taken into consideration by appropriate district council

20.—(1) Without prejudice to the generality of Article 62, guidance issued under that Article may include guidance as to matters that the appropriate district council is to take into consideration in deciding whether serving a notice of unfitness or a notice of disrepair (as the case may be) is the most satisfactory course of action in respect of a dwelling-house.

(2) In particular such guidance may include guidance in respect of financial and social considerations to be taken into account by the appropriate district council.

(3) Where the Department proposes to issue guidance which is or includes guidance under paragraph (2), or to revise such guidance, it shall lay a draft of the guidance or revised guidance before the Assembly.

(4) The Department shall not issue such guidance or revised guidance until after the expiration of the statutory period and, if within that period the Assembly resolves that the guidance or revised guidance is not to be issued, the Department shall not issue it (but without prejudice to the laying of a further draft).

Consultation with the Executive

21.—(1) Before serving a notice of unfitness in respect of a dwelling-house, the appropriate district council shall consult the Executive.

- (2) The appropriate district council shall not serve a notice of unfitness if the Executive indicates—
- (a) that it intends to exercise any of its powers under Part III of the [Housing \(Northern Ireland\) Order 1981 \(NI 3\)](#) (development functions) with respect to the dwelling-house; or
 - (b) that the dwelling-house forms part of a building which would be a qualifying building in relation to a group repair scheme and that the Executive expects to prepare such a scheme in respect of the building within the period of 12 months from the date on which it was consulted.

(3) Nothing in this Article requires the Executive to serve a repair notice under paragraph (1) or (2) of Article 41 of the [Housing \(Northern Ireland\) Order 1981](#).

Appeal against notice of unfitness or notice of disrepair

22.—(1) Any person aggrieved by a notice of unfitness or notice of disrepair may, within 21 days from the date of service of the notice, appeal to the county court.

(2) Without prejudice to the generality of paragraph (1), it shall be a ground of appeal that serving the notice is not the most satisfactory course of action.

(3) On an appeal under this Article the county court may confirm, quash or vary the notice as it considers fit.

(4) Where an appeal under this Article is allowed and the reason or one of the reasons for allowing the appeal is that specified in paragraph (2) the judge shall, if requested to do so by the appellant or the appropriate district council, include in his judgment a finding to that effect.

Operative date of notice of unfitness or notice of disrepair

23.—(1) If no appeal is brought under Article 22 against a notice of unfitness or notice of disrepair, the notice shall become operative on the expiration of 21 days from the date of service of the notice.

(2) Any notice against which an appeal is brought shall, if and so far as it is confirmed by the county court or the Court of Appeal, become operative as from the date of the final determination of the appeal.

(3) For the purposes of this Article, an appeal shall be deemed to be finally determined on the date on which the decision of the Court of Appeal is given, or, in a case where an appeal from the county court is not brought to the Court of Appeal, upon the expiration of the period within which such an appeal might have been brought.

(4) For the purposes of this Article, the abandonment of an appeal shall be deemed to be a final determination thereof, having the like effect as a decision confirming the notice, order or decision against which the appeal was brought.

(5) No steps shall be taken by the appropriate district council to enforce a notice of unfitness or notice of disrepair before the notice becomes operative.

Enforcement

Offence of failing to comply with notice of unfitness or notice of disrepair

24.—(1) Where the person upon whom a notice of unfitness or a notice of disrepair in respect of a dwelling-house has been served fails to comply with the notice within the appropriate period, he shall be guilty of an offence under this Order.

(2) In paragraph (1) “the appropriate period” means—

(a) the period specified in the notice, or

(b) where the notice has been varied on appeal, such other period as the court may specify on final determination of the appeal.

(3) If any default in respect of which a person is convicted of an offence under paragraph (1) continues for more than 14 days after that conviction, that person shall be deemed to have committed a further offence under that paragraph in respect of that default.

(4) The obligation to execute the works specified in the notice continues notwithstanding that the period for completion of the works has expired.

(5) The provisions of this Article are without prejudice to the exercise by the appropriate district council of the powers conferred by Article 25.

Enforcement of notice of unfitness or notice of disrepair

25.—(1) If a notice of unfitness or notice of disrepair is not complied with within the appropriate period, the appropriate district council may itself do the work required to be done by the notice or, where the notice has been varied by the court on appeal, by the notice as so varied.

(2) In paragraph (1), “the appropriate period” has the meaning given in Article 24(2).

(3) Where the appropriate district council proposes to exercise its powers under paragraph (1), it may authorise a person to enter the dwelling-house in accordance with Article 27(2).

(4) Subject to paragraph (5), any expenses incurred by the appropriate district council under this Article, together with interest at the prescribed rate from the date when a demand for the expenses is served until payment, may be recovered by the council summarily as a civil debt from the person upon whom the notice was served.

(5) Where the appropriate district council claims to recover any expenses from a person as being the person upon whom the notice was served and that person proves that he—

(a) is receiving the rent merely as agent or trustee for some other person, and

(b) has not, and since the date of the service on him of the demand has not had, in his hands on behalf of that other person sufficient money to discharge the whole demand of the council, his liability shall be limited to the total amount of the money which he has, or has had, in his hands.

(6) Any expenses and interest due to the appropriate district council under this Article shall, until recovered, be deemed to be charged on and payable out of the estate of the person responsible in the land, in relation to which they have been incurred.

(7) For the purposes of paragraph (6)—

(a) where a notice of unfitness was served under Article 18(1) or a notice of disrepair was served under Article 19(1), the estate of the person responsible is the estate of the landlord and of any person deriving title from him; and

(b) where a notice of unfitness was served under Article 18(2) or a notice of disrepair was served under Article 19(2), the estate in the land of the person responsible is the estate of the owner of the building and of any person deriving title from him.

(8) The charge created by paragraph (6) shall be enforceable in all respects as if it were a valid mortgage by deed created in favour of the appropriate district council by the person on whose estate the charge has been created (with, where necessary, any authorisation or consent required by law) and the appropriate district council may exercise the powers conferred by sections 19, 21 and 22 of the Conveyancing Act 1881 on mortgages by deed accordingly.

(9) There shall be included among the matters required to be registered in the Statutory Charges Register any charge created under paragraph (6).

(10) An application for registration of such a charge shall be made by the appropriate district council within 2 months from the date when a demand is served under paragraph (4).

Power to require payment for enforcement action

26.—(1) The appropriate district council may require a person upon whom a notice of unfitness or a notice of disrepair has been served to make such reasonable payment as it considers appropriate in respect of the administrative and other expenses incurred by it in connection with serving the notice.

(2) The expenses are those incurred in—

(a) determining whether to serve the notice,

(b) identifying the works to be specified in the notice, and

(c) serving the notice.

(3) The amount of the payment shall not exceed such amount as the Department may specify by order made subject to negative resolution.

(4) Where a court allows an appeal against a notice of unfitness or notice of disrepair, it may make such order as it thinks fit reducing, quashing or requiring reimbursement of any payment under this Article in respect of the notice.

(5) Nothing in Article 25 shall prejudice the power of a district council to require a payment under this Article.

Power to enter dwelling-houses

27.—(1) A person authorised by the appropriate district council in relation to this paragraph may, at any reasonable time and having given at least 24 hours' notice to the occupier, and to the owner if known, enter a dwelling-house to which this Part applies for the purpose of survey or examination—

- (a) where it appears to the council that survey or examination is necessary in order to determine whether any powers under this Part should be exercised in respect of the dwelling-house; or
- (b) where a notice of unfitness or a notice of disrepair has been served in respect of the dwelling-house.

(2) A person authorised by the appropriate district council under Article 25(3) may, at any time and having given at least 6 days' notice of his intention to do so to the occupier, and to the owner if known, enter any dwelling-house for the purpose of doing any work required to be done in relation to the dwelling-house by a notice of unfitness or a notice of disrepair or, as the case may be, by such a notice as varied by the county court under Article 22(3).

(3) An authorisation for the purposes of this Article—

- (a) shall be in writing stating the particular purpose or purposes for which the entry is authorised; and
- (b) shall, if so required, be produced for inspection by the occupier or anyone acting on his behalf.

Obstruction

Tenancies subject to rent control

40.—(1) A tenancy of a dwelling-house is subject to rent control if the tenancy is for the time being a protected tenancy or a statutory tenancy.

(2) A tenancy of a dwelling-house is subject to rent control if—

- (a) the tenancy—
 - (i) is not a protected tenancy or a statutory tenancy, but
 - (ii) is a private tenancy granted on or after the commencement of this Order; and
- (b) the dwelling-house—
 - (i) was constructed before 6th November 1956 or was provided by conversion of a building that was constructed before that date, and
 - (ii) does not meet the appropriate standard of fitness.

(3) A dwelling-house does not meet the appropriate standard of fitness unless—

- (a) it is a prescribed dwelling-house, or
- (b) a certificate of fitness is in effect in respect of it.

(4) A tenancy which is subject to rent control is referred to in this Chapter as a “controlled tenancy”.

Functions of the rent officer and rent assessment committees

The rent officer and rent assessment committees

41. Schedule 1, which relates to the appointment of the rent officer and the constitution of rent assessment committees, shall have effect.

Determination of an appropriate rent

42.—(1) Where the rent officer is satisfied that a dwelling-house is, or is to be, let under a controlled tenancy the rent officer shall make a determination as to what rent is or would be an appropriate rent under that tenancy.

(2) In making a determination under paragraph (1), the rent officer shall consider all the circumstances (other than personal circumstances).

(3) In particular, the rent officer shall have regard to—

- (a) the terms of the tenancy agreement (except those as to rent) which apply to that controlled tenancy;
- (b) the general condition and state of repair of the dwelling-house, including—
 - (i) any notice of unfitness or notice of disrepair having effect in respect of the dwelling-house, and
 - (ii) the certificate of fitness or notice of refusal having effect in respect of the dwelling-house;
- (c) the rents of dwelling-houses let by the Executive which are comparable, or as comparable as may be, to the dwelling-house in question;
- (d) the level of the local reference rent (as determined in accordance with paragraph 4 of Schedule 1A to the [Housing Benefit \(General\) Regulations \(Northern Ireland\) 1987 \(SR 1987 No. 461\)](#)) of similar dwelling-houses let under similar tenancies; and
- (e) if any furniture is provided for use under the tenancy, the quantity, quality and condition of the furniture.

(4) For the purposes of the determination it shall be assumed that the number of persons seeking to become tenants of similar dwelling-houses in the locality on the terms (other than those relating to rent) of the controlled tenancy is not substantially greater than the number of such dwelling-houses in the locality which are available for letting on such terms.

(5) There shall be disregarded—

- (a) any disrepair or other defect attributable to a failure by the tenant, or any predecessor in title of his, to comply with any terms of the tenancy;
- (b) any improvement carried out, otherwise than in pursuance of the terms of the tenancy, by the tenant or any predecessor in title of his.

(6) In paragraph (5) “improvement” includes the replacement of any fixture or fitting.

(7) For the purposes of this Article the rent officer may make such enquiries as he considers appropriate.

Procedure after determination

43.—(1) After making a determination under Article 42, the rent officer shall serve a notice on the landlord and tenant under the tenancy informing each of them—

- (a) of the rent that has been determined, and
- (b) of the right to have the determination considered by a rent assessment committee under Article 44.

(2) If, within the period of 14 days from the date of service of a notice under paragraph (1), the landlord or tenant of the dwelling-house states in writing to the rent officer that he wishes to have the determination considered by a rent assessment committee, the rent officer shall refer the determination to a rent assessment committee.

(3) If, on the expiration of that period, the rent officer has not received a statement as mentioned in paragraph (2), the rent officer shall register the rent determined under Article 42 in the register of rents as an appropriate rent under that tenancy of the dwelling-house.

Consideration by a rent assessment committee

44.—(1) A rent assessment committee shall consider any determination referred to it under Article 43.

(2) Schedule 2, which relates to the procedure to be followed by a rent assessment committee when considering a determination, shall have effect.

(3) Without prejudice to the generality of Article 72, the Department may make regulations with respect to the consideration of a determination by a rent assessment committee, including regulations which contain provisions to modify Schedule 2.

(4) Having considered whether a rent determined under Article 42 is an appropriate rent under a tenancy of a dwelling-house, the rent assessment committee may confirm or vary the determination.

(5) The rent assessment committee shall notify the landlord and the tenant of the dwelling house, and the rent officer, of its decision.

(6) On receiving the notification, the rent officer shall register the rent, as confirmed or varied, in the register of rents as an appropriate rent under that tenancy of the dwelling-house.

Change of circumstances

45.—(1) Where—

- (a) a dwelling-house is let under a controlled tenancy which is a protected tenancy or a statutory tenancy, and
- (b) it appears to the landlord or tenant that there has been such a change in the circumstances relating to the dwelling-house or the tenancy as to make the registered rent no longer an appropriate rent,

the landlord or tenant may apply to the rent officer to have a further determination made in respect of the rent under that tenancy.

(2) An application under paragraph (1) shall be in such form and contain such particulars as may be prescribed.

(3) For the purposes of paragraph (1) but without prejudice to its generality, failure to comply, within the period specified by the appropriate district council, with a notice of unfitness or a notice of disrepair served in respect of a dwelling-house shall constitute a change of circumstances relating to the dwelling-house or tenancy.

(4) On receipt of an application under paragraph (1), the rent officer shall make a further determination of an appropriate rent under the tenancy.

(5) Paragraphs (2) to (6) of Article 42 and Articles 43 and 44 shall apply for the purposes of paragraph (4) of this Article in the same manner as those provisions apply for the purposes of paragraph (1) of Article 42.

The register of rents

The register of rents

46.—(1) The rent officer shall prepare and keep up to date a register (“the register of rents”), in which there shall be entered, in accordance with Article 43(3) or 44(6), the rents which are appropriate rents of dwelling-houses let under controlled tenancies.

(2) The rent officer shall make the register of rents available for public inspection without charge at such place and at such times as the rent officer considers appropriate.

(3) The register of rents shall contain, in addition to an appropriate rent, the prescribed particulars with regard to the tenancy and the dwelling-house.

(4) The rent officer may, if at any time it appears appropriate to him to do so, amend any entry in the register of rents.

(5) Subject to paragraph (6), where the rent officer amends any entry in the register of rents, the rent officer shall serve a notice of the alteration on the landlord and tenant under the tenancy in question.

(6) Paragraph (5) does not apply to any alteration made in the register of rents in pursuance of Article 55(7).

(7) A copy of an entry in the register of rents purporting to be certified under the hand of the rent officer shall be receivable in evidence in any court and in any proceedings.

(8) A person requiring such a certified copy shall be entitled to obtain it.

Removal of tenancies from the register of rents

47.—(1) Subject to the following provisions of this Article, where—

(a) in relation to a tenancy of a dwelling-house, a rent is registered in the register of rents, and

(b) the rent officer is satisfied that the dwelling-house is no longer let under that tenancy,

the rent officer shall remove any entry relating to that tenancy of the dwelling-house from the register of rents.

(2) For the purposes of paragraph (1) the rent officer may make such enquiries as he considers appropriate.

(3) The rent officer shall give to any person appearing to him to have an interest in the dwelling-house, 14 days' notice of his intention to remove the entry from the register of rents.

(4) Where—

(a) the rent officer removes an entry relating to a tenancy of a dwelling-house from the register of rents, and

(b) no certificate of fitness is in effect in respect of the dwelling-house,

the rent officer may maintain for the purposes of this Order a record of the information contained in the entry in such form as appears appropriate to him.

The rent limit

The rent limit

48.—(1) The rent recoverable for a rental period of a controlled tenancy of a dwelling-house shall not exceed the rent limit.

(2) Where a rent is registered in the register of rents in respect of a controlled tenancy of a dwelling-house, the rent limit is the registered rent.

(3) Paragraph (4) applies where no rent is registered in respect of a controlled tenancy of a dwelling-house which is a protected tenancy or a statutory tenancy.

(4) The rent limit is the rent which was payable in accordance with the Rent Order immediately before the commencement of this Order.

Increase of rent

49.—(1) Where the rent for any rental period of a controlled tenancy of a dwelling-house would be less than the rent limit, the amount of the rent may be increased up to the rent limit by a notice of increase served by the landlord on the tenant.

(2) A notice of increase—

(a) shall be in the prescribed form, and

(b) shall specify the date on which the increase is to take effect.

(3) The date specified in the notice of increase shall not be earlier than 4 weeks after service of the notice.

Rent in excess of rent limit to be irrecoverable by landlord

50.—(1) Notwithstanding anything in any agreement, any amount by which the rent payable in respect of a controlled tenancy of a dwelling-house exceeds the rent limit for that tenancy shall be irrecoverable from the tenant.

(2) Any person who, in any rent book or similar document, makes an entry showing or purporting to show any tenant as being in arrears in respect of any sum on account of rent which is irrecoverable by virtue of this Article, shall be guilty of an offence under this Order, unless he proves that, at the time of the making of the entry, the landlord had a bona fide claim that the sum was recoverable.

(3) If, where any such entry has been made by or on behalf of the landlord, the landlord on being requested by or on behalf of the tenant to do so, refuses or neglects to cause the entry to be deleted within 7 days, the landlord shall be guilty of an offence under this Order, unless he proves that, at the time of the neglect or refusal to cause the entry to be deleted, he had a bona fide claim that the sum was recoverable.

Recoupment of sums paid in excess of rent limit

51.—(1) This Article applies where a tenant under a controlled tenancy has paid rent in excess of the rent limit for any rental period under that tenancy.

(2) The tenant shall be entitled to recover from the landlord who received the rent, or his personal representatives, any sum by which the amount paid exceeded the rent limit.

(3) Without prejudice to any other method of recovery, the tenant shall be entitled to recoup that sum by deducting it from any rent payable by him to the landlord.

(4) But no sum may be recouped by a tenant under paragraph (3) at any time after the expiry of 2 years from the date of payment.

Recoupment where landlord in default

52.—(1) This Article applies where—

(a) a rent is registered in the register of rents in respect of a controlled tenancy of a dwelling-house granted on or after the commencement of this Order, but

(b) the landlord failed within the period mentioned in paragraph (4) of Article 33 to meet any requirement to apply to have the dwelling-house inspected in accordance with paragraph (3) of that Article.

(2) The tenant shall be entitled to recover from the landlord who received the rent, or his personal representatives, any sum by which the rent paid during the period of default exceeded the rent that would have been payable if the rent limit had applied in relation to the tenancy during that period.

(3) In paragraph (2) “the period of default” means the period—

- (a) beginning on the date by which the landlord was required to apply to have the dwelling-house inspected under Article 33(3), and
 - (b) ending on the date on which a rent was registered in the register of rents in respect of the tenancy of the dwelling-house.
- (4) Without prejudice to any other method of recovery, the tenant shall be entitled to recoup that sum by deducting it from any rent payable by him to the landlord.
- (5) But no sum may be recouped by a tenant under paragraph (4) any time after the expiry of 2 years from the date on which a rent is registered in the register of rents in respect of the tenancy.

Recoupment of rates, etc. from tenants

53.—(1) Paragraph (2) applies where any rates in respect of a dwelling-house let under a controlled tenancy which is a protected tenancy or a statutory tenancy are borne by the landlord or a superior landlord.

(2) The amount of rates for any rental period which begins after the expiry or termination of a protected tenancy shall be recoverable, without service of any notice of increase, from the tenant in addition to the sums so recoverable apart from this paragraph.

(3) The amount of rates shall be ascertained in accordance with Schedule 3.

(4) Paragraph (2) applies notwithstanding anything in the contract of tenancy.

(5) Where, under a protected or statutory tenancy, the sums payable by the tenant to the landlord include any sums varying according to the cost from time to time of—

- (a) any services provided by the landlord or a superior landlord, or
- (b) any works of maintenance or repair carried out by the landlord or a superior landlord,

the amount to be registered in the register of rents may be an amount variable in accordance with the terms as to the variation.

Amounts attributable to services

54. In order to assist the Executive to give effect to the housing benefit scheme under Part VII of the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (c. 7), where a rent is registered in the register of rents, there shall be entered in the register the amount (if any) of the registered rent which, in the opinion of the rent officer or rent assessment committee, is fairly attributable to the provision of services, except any amount which is negligible in the opinion of the rent officer or, as the case may be, the rent assessment committee.

Rent review

Review of registered rents

55.—(1) The rent officer shall, if directed to do so by the Department, conduct a review of registered rents, with a view to determining whether those rents should be increased.

(2) A direction under paragraph (1) may require the rent officer to review the registered rent for all controlled tenancies or for controlled tenancies of such class or description as may be specified in the direction.

(3) When conducting a review the rent officer shall—

- (a) take into account the general level of rents for dwelling-houses let by the Executive,
- (b) the cost of repairs, and
- (c) any other matter appearing to him to be relevant.

(4) Where the rent officer determines under paragraph (1) that any registered rents should be increased, he shall make a recommendation to that effect to the Department.

(5) Where the Department accepts a recommendation under paragraph (4), it shall make an order providing for the increase of those rents—

- (a) by an amount recommended by the rent officer, or
- (b) by such other amount as the Department, after consultation with the rent officer, considers appropriate.

(6) The amount of an increase may be expressed as a percentage.

(7) Where the Department makes an order under paragraph (5), the rent officer shall make such alterations in the register of rents as appear to him to be necessary in consequence of the order.
