Complaints with respect to the exercise of works powers on private land, etc

243.—(1) Subject to paragraph (2), it shall be the duty of the Authority to investigate any complaint made or referred to it with respect to the exercise by a relevant undertaker of any powers conferred on that undertaker by or under Article 220, 221 (3) or 222(2).

(2) The Authority shall not be required to investigate any such complaint as is mentioned in paragraph (1) if—

- (a) the complaint appears to the Authority to be vexatious or frivolous;
- (b) the Authority is not satisfied that the complaint has been brought by the complainant to the attention of the relevant undertaker in question and that that undertaker has been given a reasonable opportunity of investigating and dealing with it;
- (c) the complaint was first made to the Authority or the Council more than 12 months, or such longer period as the Authority may for special reasons allow, after the matters to which the complaint relates first came to the notice of the complainant; or
- (d) in the case of a complaint referred to the Council under Article 55, it appears to the Authority that the complaint is likely to be resolved under that Article.

(3) Where the Authority, in pursuance of its duty under this Article, investigates a complaint with respect to the exercise of any powers by a relevant undertaker—

- (a) it shall be the duty of that undertaker to provide the Authority with all such information and assistance as it may reasonably require for the purposes of its investigation; and
- (b) it shall be the duty of the Authority, before giving any direction under paragraph (4), to consider any representations made to it by the complainant or by that undertaker with respect to the subject-matter of the complaint.

(4) If on a complaint under paragraph (1) with respect to the exercise of any powers by a relevant undertaker, the Authority is satisfied that that undertaker—

- (a) has failed adequately to consult the complainant, before and in the course of exercising those powers, about the manner in which they are exercised; or
- (b) by acting unreasonably in the manner of its exercise of those powers, has caused the complainant to sustain loss or damage or to be subjected to inconvenience,

the Authority may direct the undertaker to pay to the complainant an amount, not exceeding £5,000, in respect of that failure, loss, damage or inconvenience.

(5) The Authority shall not under paragraph (4) direct a relevant undertaker to pay any amount to a complainant in respect of any loss, damage or inconvenience for which compensation is recoverable under any other statutory provision except in so far as it appears to the Authority appropriate to do so by reason of any failure of the amount of any such compensation to reflect the fact that it was not reasonable for the undertaker to cause the complainant to sustain the loss or damage or to be subjected to the inconvenience.

(6) The duties of a relevant undertaker by virtue of paragraph (3)(a) shall be enforceable under Article 30 by the Authority.

(7) A person to whom any amount is required, in pursuance of a direction under paragraph (4), to be paid by a relevant undertaker shall be entitled to recover that amount from that undertaker by virtue of this Article.

(8) The Department may by regulations substitute a different amount for the amount for the time being specified in paragraph (4).

- (b) if required to do so by the Department at any subsequent time, to submit proposed modifications of that code to the Department for its approval.

(2) The Department, if it considers it appropriate to do so for the purpose of promoting what appear to it to be desirable practices with respect to the exercise, by any company holding an appointment under Chapter I of Part III as a relevant undertaker, of any powers conferred by or under Article 220 or 222(2), may at any time by order, in relation to that company—

- (a) approve any code of practice with respect to the exercise of those powers which has been submitted to it (whether or not under paragraph (1)) by that company for its approval;

- (b) of itself entitle any person to be paid any amount under paragraph (4) of Article 243; or
- (c) give rise to any criminal or civil liability;

but the Authority shall take into account whether there has been any such contravention in determining whether to give a direction under that paragraph to that company and in determining the amount to which any such direction relates.

(4) The Department shall not make an order under paragraph (2) unless it has first consulted all such persons as the Department considers it appropriate to consult.

(5) The duties of a relevant undertaker under paragraph (1) shall be enforceable under Article 30 by the Department.

(5) Where a relevant undertaker carries out any works under this Article by virtue of a notice having been served by any person under paragraph (1), the undertaker shall be entitled to recover any expenses reasonably incurred in carrying out those works from that person.

(2) Any dispute as to whether the supply, quality or fall of water in any reservoir, canal, watercourse, river, stream or feeder is injuriously affected by the exercise of powers under the relevant sewerage provisions shall be referred, at the option of the party complaining, to the arbitration of a single arbitrator to be appointed by agreement between the parties or, in default of agreement, by the President of the Institution of Civil Engineers.

Works in tidal lands etc.

249.—(1) Nothing in any of the provisions of this Part relating to any relevant works power shall authorise any relevant undertaker to carry out any works at any place below the place to which the tide flows at mean high water springs, except in accordance with such plans and sections, and subject to such restrictions, as may, before the works are commenced, have been approved by the Secretary of State and the Crown Estate Commissioners.
