EXPLANATORY NOTE

(This note is not part of the regulations but is intended to indicate their general purport.)

These regulations provide for the employees of certain bodies to be considered by the Northern Ireland Local Government Officers' Superannuation Committee for admission to participate in the benefits of the superannuation fund maintained by that Committee.

The regulations contain a saving provision to protect the superannuation rights of persons who are currently participating in the benefits of the superannuation fund maintained by that Committee by virtue of the designation of their employing body under the former procedure for admitting bodies other than local authorities to the superannuation fund.

Provision is also made for the regulations to have effect as from a date earlier than the date of the making of the regulations in respect of certain bodies.

Retrospective effect is authorised by article 14 of the Superannuation (Northern Ireland) Order 1972.
