Supplementary Benefits

EXPLANATORY NOTE

(This note is not part of the regulations but is intended to indicate their general purport.)

These regulations provide for increases in the weekly sums allowed in calculating requirements for the purpose of determining entitlement to, and the amount of, supplementary pension or allowance. They also increase the present weekly amount for attendance requirements and the rent addition for non-householders.

The opportunity is taken to revoke the Supplementary Benefit (Determination of Requirements) Regulations (Northern Ireland) 1978.
