EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations amend the Teachers' Salaries Regulations (Northern Ireland) 1993, by introducing a new pay structure from 1st September 1993 which gives flexibility to the relevant bodies in deciding on the pay of individual teachers. Provision is made for:—

- (a) direct assimilation to the new pay spines; and
- (b) initial assessment of point scores.

The main change is that new point pay spines will replace the previous system of “spot salaries”. It will be for the relevant body to determine at which spine point a teacher will be paid after taking into account the relevant specified criteria.

These Regulations have retrospective effect by virtue of section 18 of the Administrative and Financial Provisions Act (Northern Ireland) 1962.
