

## SCHEDULE 2

### Part III

Documents and other particulars to accompany an application for a Gas Supply Licence or Extension (see Note)

#### **Financial information**

1. If the applicant is a company copies of:—
  - (a) the most recent annual accounts of the applicant in respect of which an auditors' report has been prepared, together with that report;
  - (b) the annual accounts of the applicant for the two financial years preceding that to which the accounts referred to in sub-paragraph (a) relate, together with the appropriate auditors' reports;
  - (c) such interim accounts (whether audited or not) as may have been prepared in respect of a period more recent than that covered by any of the documents specified in sub-paragraph (a) and (b).
