

## SCHEDULE 5

### Stunning or Killing of Animals other than Animals Reared for Fur

#### Part II

#### Stunning

##### **Specific requirements for stunning by electronarcosis — waterbath stunners**

12. No person shall use, or cause or permit to be used, any waterbath stunner unless a person is available to ascertain whether it has been effective in stunning the birds and who, where it has not been effective, will either stun and slaughter or kill any bird without delay.
