EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations amend the Housing Benefit (General) Regulations (Northern Ireland) 1987 (“the Housing Benefit Regulations”), the Social Security and Child Support (Decisions and Appeals) Regulations (Northern Ireland) 1999, the Income Support (General) Regulations (Northern Ireland) 1987 (“the Income Support Regulations”), the Jobseeker’s Allowance Regulations (Northern Ireland) 1996, the State Pension Credit Regulations (Northern Ireland) 2003 and the Social Security (Claims and Payments) Regulations (Northern Ireland) 1987.

The Housing Benefit Regulations were modified by the Housing Benefit (State Pension Credit) Regulations (Northern Ireland) 2003 (“the 2003 Regulations”) for persons who have attained the qualifying age for state pension credit (except where regulation 2(2) applies). These Regulations apply to the Housing Benefit Regulations as so modified and as not so modified, as set out in regulations 2(1), (2) and (3).

Regulation 2 amends the Housing Benefit Regulations.

- Paragraph (4) makes amendments to regulation 4 (as modified at paragraph (5B) and not so modified at paragraph (5)) omitting provisions which bring state pension credit within the scope of the remunerative work provisions, in consequence of the amendment made to regulation 63 by paragraph (14).
- Paragraph (5) extends the categories of persons who are to be treated as occupying a dwelling as their home to those cases where the claimant is on bail and as a condition of that bail is required to reside at an address other than the dwelling they occupy as their home.
- Paragraph (6) amends regulation 16(b) to exclude the capital of a child taken into account for the purposes of calculating a claimant’s applicable amount.
- Paragraph (7) amends regulation 17(c) to exclude the capital of a child taken into account for the purposes of calculating a claimant’s applicable amount where that claimant is a member of a polygamous marriage.
- Paragraph (8) makes amendments to regulation 19 to exclude the income and capital of a child or young person from the calculation of income and capital of members of the claimant’s family and of a polygamous marriage to be treated as income and capital of the claimant.
- Paragraph (9) amends regulation 23(4) (as modified) to remove child benefit, child tax credit, widowed mother’s allowance and widowed parent’s allowance from the income which may be taken into account by the relevant authority in modifying the calculation or estimate of net income provided by the Department.
- Paragraph (10) amends regulation 25 (as modified) to omit child tax credit from the meaning of income and to add child benefit to the list of benefits which are not within the meaning of income. This paragraph also adds to regulation 25 any payment made at regular intervals under an equity release scheme to the types of income which are prescribed for the purposes of section 132A(3) of the Social Security Contributions and Benefits (Northern Ireland) Act 1992 and a definition paragraph for the term “equity release scheme”, which mirrors the definition inserted into the State Pension Credit Regulations by regulation 6(2).
- Paragraphs (11), (12), (17), (20) and (21) make amendments consequent upon those made by paragraphs (6), (7) and (8).

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- Paragraph (13) amends regulation 42(2) (as modified) to substitute a provision which omits sub-paragraph (a) of that regulation (by means of which a person is regarded as having deprived himself of a capital resource which he possesses and disposes of by way of gift to a third party).
- Paragraph (14) amends regulation 63 to insert a new paragraph which provides that in calculating maximum housing benefit no deduction shall be made in respect of a non-dependant who is on state pension credit, in consequence of this amendment there is no longer a requirement to establish whether a person is in remunerative work for the purposes of deciding whether or not the non-dependant deduction should be taken into account to make this calculation.
- Paragraph (15) amends regulation 68(9) setting out a substituted circumstance (where there has been a change of circumstances in respect of a non-dependant) in which the effective date set out in regulation 68(10) applies, for claimants or their partners who have attained the age of 65.
