
STATUTORY RULES OF NORTHERN IRELAND

2005 No. 264

The Artificial Insemination of Cattle
(Amendment) Regulations (Northern Ireland) 2005

Licences to store semen

4. In regulation 5 of the principal Regulations there shall be inserted at the end –
 - “(6) The holder of a storage centre licence shall not accept semen originating outside Northern Ireland unless it has been imported in accordance with statutory provisions regulating such imports.”.
