(b) if it is shorter, the period specified in the notice pursuant to regulation 17(1)(d),

and a notice under Part VII shall be deemed for the purposes of this paragraph to be the bringing of the appeal.

Appeals to County Court

19. A person who is aggrieved by—

(a) the decision of a court of summary jurisdiction to dismiss an appeal to it under regulation 13(1) or 18(1); or

(b) any decision of such a court to make a feed business prohibition order or a feed business emergency prohibition order,

may appeal to the County Court.

Actions resulting from appeals

20.—(1) On an appeal against a feed business improvement notice the court may cancel or affirm the notice and, if it affirms it, may do so either in its original form or with such modifications as the court may in the circumstances think fit.

(2) Where any period specified in a feed business improvement notice pursuant to regulation 17(1)(d) would otherwise include any day on which an appeal against that notice is pending, that day shall be excluded from that period.

(3) Any appeal shall be regarded as pending for the purposes of paragraph (2) until it is finally disposed of, is withdrawn or is struck out for want of prosecution.

Feed business prohibition orders

21.—(1) If—

(a) a feed business operator is convicted of an offence under specified feed law; and

(b) the court by or before which he is so convicted is satisfied that the health risk condition is fulfilled with respect to the feed business concerned,

the court shall by an order impose the appropriate prohibition.

(2) The health risk condition is fulfilled with respect to any feed business if any of the following involves risk of injury to health (including any impairment, whether permanent or temporary), namely—

(a) the use for the purposes of the business of any process or treatment;

(b) the construction of any premises used for the purposes of the business, or the use for those purposes of any equipment; or

 - (c) in a case falling within sub-paragraph (c) of that paragraph, a prohibition on the use of the premises or equipment for the purposes of any feed business.
- (4) If—
 - (a) a feed business operator is convicted of an offence under specified feed law; and
 - (b) the court by or before which he is so convicted thinks it proper to do so in all the circumstances of the case,

the court may, by an order, impose a prohibition on the feed business operator participating in the management of any feed business, or any feed business of a class or description specified in the order.

(5) As soon as practicable after the making of an order under paragraph (1) or (4) (in these Regulations referred to as a “feed business prohibition order”), the enforcement authority shall—

- (a) serve a copy of the order on the relevant feed business operator; and
- (b) in the case of an order made under paragraph (1), affix a copy of the order in a conspicuous position on such premises used for the purposes of the feed business as they consider appropriate,

and any person who knowingly contravenes such an order is guilty of an offence.

- (6) A feed business prohibition order shall cease to have effect—
 - (a) in the case of an order made under paragraph (1), on the issue by the enforcement authority of a certificate to the effect that it is satisfied that the feed business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the feed business; and
 - (b) in the case of an order made under paragraph (4), on the giving by the court of a direction to that effect.

(7) The enforcement authority must issue a certificate under sub-paragraph (a) of paragraph (6) within three days of its being satisfied as mentioned in that sub-paragraph; and on an application by the feed business operator for such a certificate, the authority must—

- (a) determine, as soon as is reasonably practicable and in any event within 14 days, whether or not it is so satisfied; and
- (b) if it determines that it is not so satisfied, give notice to the feed business operator of the reasons for that determination.

(8) The court shall give a direction under sub-paragraph (b) of paragraph (6) if, on an application by the feed business operator, the court thinks it proper to do so having regard to all the circumstances of the case, including in particular the conduct of the feed business operator since the making of the order; but no such application shall be entertained if it is made—

- (a) within six months of the making of the feed business prohibition order; or
- (b) within three months of the making by the feed business operator of a previous application for such a direction.

(9) Where a court of summary jurisdiction makes an order under regulation 22(2) with respect to any feed business, paragraph (1) shall apply as if the feed business operator had been convicted by the court of an offence under specified feed law.

(10) Where the commission of an offence by a feed business operator leads to the conviction of another person pursuant to regulation 34(1), paragraph (4) shall apply in relation to that other person as it applies in relation to the feed business operator and any reference in paragraph (5) or (8) to the feed business operator shall be construed accordingly.

Feed business emergency prohibition notices and orders

22.—(1) If an authorised officer of the enforcement authority is satisfied that the health risk condition is fulfilled with respect to any feed business he may by a notice served on the relevant feed business operator (in these Regulations referred to as a “feed business emergency prohibition notice”) impose the appropriate prohibition.

(2) If a court of summary jurisdiction is satisfied, on the application of such an officer, that the health risk condition is fulfilled with respect to any feed business, the court shall, by an order (in these Regulations referred to as a “feed business emergency prohibition order”), impose the appropriate prohibition.

(3) Such an officer shall not apply for a feed business emergency prohibition order unless, at least one day before the date of the application, he has served notice on the relevant feed business operator of his intention to apply for the order.

(4) Paragraphs (2) and (3) of regulation 21 apply for the purposes of this regulation as they apply for the purposes of that regulation, but as if the reference in paragraph (2) to risk of injury to health were a reference to imminent risk of injury.

(5) As soon as practicable after the service of a feed business emergency prohibition notice, an authorised officer of the enforcement authority must affix a copy of the notice in a conspicuous position on such premises used for the purposes of the feed business as he considers appropriate; and any person who knowingly contravenes such a notice shall be guilty of an offence.

(6) As soon as practicable after the making of a feed business emergency prohibition order, an authorised officer of the enforcement authority must—

- (a) serve a copy of the order on the relevant feed business operator; and
- (b) affix a copy of the order in a conspicuous position on such premises used for the purposes of the feed business as he considers appropriate,

and any person who knowingly contravenes such an order shall be guilty of an offence.

(7) A feed business emergency prohibition notice shall cease to have effect—

- (a) if no application for a feed business emergency prohibition order is made within the period of three days beginning with and including the day on which the notice was served, at the end of that period; or
- (b) if such an application is so made, on the determination or abandonment of the application.

(8) A feed business emergency prohibition notice or a feed business emergency prohibition order shall cease to have effect on the issue by the enforcement authority of a certificate to the effect that it is satisfied that the feed business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the feed business.

(9) The enforcement authority must issue a certificate under paragraph (8) within three days of being satisfied as mentioned in that paragraph; and on an application by the feed business operator for such a certificate, the authority must—

- (a) determine as soon as is reasonably practicable and in any event within 14 days whether or not it is so satisfied; and
- (b) if it determines that it is not so satisfied, give notice to the feed business operator of the reasons for that determination.

(10) Where a feed business emergency prohibition notice is served on a feed business operator, the enforcement authority must compensate him in respect of any loss suffered by reason of his complying with the notice unless—

- (a) an application for a feed business emergency prohibition order is made within the period of three days beginning with and including the day on which the notice was served; and
- (b) the court declares itself satisfied, on the hearing of the application, that the health risk condition was fulfilled with respect to the feed business at the time when the notice was served,

and any disputed question as to the right to or the amount of any compensation payable under this paragraph shall be determined by a single arbitrator appointed, failing agreement between the parties, by the Department and the provisions of the Arbitration Act 1996^(a) shall apply accordingly.

Penalties for offences in relation to improvement notices, prohibition orders etc

23. Anyone guilty of an offence under regulation 17(2), 21(5) or 22(5) or (6) is liable—

Powers of entry for authorised officers

24.—(1) For the purposes of executing and enforcing specified feed law an authorised officer may at all reasonable times, and on producing, if requested to do so, some duly authenticated document showing his authority, enter—

- (a) any premises on which he has reasonable cause to believe that feed has been, or is being, manufactured or produced, or is being kept for the purpose of being placed on the market, incorporated in another product or used; or
- (b) any premises (not being premises used only as a dwelling) on which he has reasonable cause to believe that there is any feed which the occupier of the premises has in his possession or under his control.

(2) If a lay magistrate, on sworn information in writing, is satisfied that there is reasonable ground for entry into any such premises as are mentioned in paragraph (1), and either—

- (a) that admission to the premises has been refused, or a refusal is apprehended, and that notice of the intention to apply for a warrant has been given to the occupier; or
- (b) that an application for admission or the giving of such a notice would defeat the object of the entry, or that the case is one of urgency, or that the premises are unoccupied or the occupier temporarily absent,

the lay magistrate may by warrant signed by him authorise the authorised officer to enter the premises, if need be by reasonable force.

(3) Every warrant granted under this regulation shall continue in force for a period of one month.

(4) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, may take with him such other persons and such equipment as may appear to him to be necessary, and on leaving any unoccupied premises which he has entered by virtue of such a warrant, must leave them as effectively secured against unauthorised entry as he found them.

(5) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right to inspect—

- (a) any material appearing to him to be feed;
- (b) any article appearing to him to be a container or package used or intended to be used to store, wrap or package any feed, or to be a label or advertisement used or intended to be used in connection with feed; or
- (c) any vehicle, plant or equipment appearing to him to be used, or intended to be used, in connection with the manufacture, production, storage, transport or use of feed, and any process of manufacture, production, storage, transport or use of feed.

(6) Subject to paragraph (8), an authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right to take on those premises, in the prescribed manner, a sample of any material appearing to him to be a feed manufactured,

(a) 1996 c. 23

produced, placed on the market or intended to be placed on the market or to be material used, or intended to be used, as feed.

(7) Without prejudice to his powers and duties as to the taking of samples in the prescribed manner, an authorised officer may take a sample in a manner other than that prescribed of any material which has been sold for use as feed or which he has reasonable cause to believe to be intended for sale as such.

(8) Where, for the purpose of taking a sample pursuant to paragraph (6) or (7), an authorised officer takes some of it from each of one or more containers, which are exposed for sale by retail, and none of which weighs more than six kilograms, the owner of the container or containers may require the authorised officer to purchase the container or containers on behalf of the enforcement authority.

(9) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right—

- (a) to require any person carrying on, or appearing to be carrying on, a feed business, or any person employed in connection with such a business, to produce any record (in whatever form it is held) relating to or arising out of the exercise in the course of that business of any such activity, and which is in his possession or under his control; and
- (b) to inspect and take copies of any record, or of any entry in any record produced in pursuance of the preceding sub-paragraph.

(10) An authorised officer exercising the power conferred by paragraph (9) in respect of a record held by means of a computer—

- (a) is entitled at any reasonable time to have access to, and inspect and check the operation of, any computer and associated apparatus or material which is or has been, or which it appears is or has been, in use in connection with the record in question;
- (b) may require—
 - (i) the person by whom or on whose behalf the computer is or has been so used, or
 - (ii) any person having charge of, or otherwise concerned with the operation of, the computer, apparatus or material,

to afford the authorised officer such reasonable assistance as he may require for that purpose; and

- (c) may require the record, or an extract from the record, to be produced in a form in which it may be taken away.

(11) Where (in the case of a person carrying on, or appearing to carry on, a business which consists of or includes the manufacture of a compound feeding stuff)—

- (a) a requirement is made under paragraph (9)(a) in relation to any feeding stuff which is, or appears to be, intended for a particular nutritional purpose; and
- (b) at the time the requirement is made, the record in respect of which it is made has been published and is available in accessible form for public use,

the person of whom the requirement is made shall be deemed to comply with it if, at the time it is made, he supplies the authorised officer making it with correct and adequate details of the publication concerned, and of where a copy of it may be obtained.

(12) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right to seize and detain any record which he has reasonable cause to believe to be a record which may be required as evidence in proceedings under specified feed law.

(13) In this regulation—

“compound feeding stuff” has the meaning given in regulation 2(1) of the Feeding Stuffs Regulations (Northern Ireland) 2005(a);

“feeding stuff which is intended for a particular nutritional purpose” shall be construed in accordance with the definitions of “feeding stuff intended for a particular nutritional

- (a) on which an animal or bird affected with any disease to which that Order applies is kept; and
- (b) which is situated in a place declared under that Order to be infected with such a disease.

Inspection, seizure and detention of suspect feed

25.—(1) Where an authorised officer has inspected or sampled any material under regulation 24, paragraphs (2) to (7) shall apply where, on such an inspection, or upon analysis of samples taken, it appears to him that the material fails to comply with the requirements of specified feed law.

(2) The authorised officer may either—

- (a) give notice to the person in charge of the material that, until the notice is withdrawn, the material or any specified portion of it—
 - (i) is not to be used as feed; and
 - (ii) either is not to be removed or is not to be removed except to some place specified in the notice; or
- (b) seize the material in order to have it dealt with by a lay magistrate,

and any person who knowingly contravenes the requirements of a notice under sub-paragraph (a) is guilty of an offence.

(3) Where the authorised officer exercises the powers conferred by paragraph (2)(a), he must, as soon as is reasonably practicable and in any event within 21 days, determine whether or not he is satisfied that the material complies with the requirements mentioned in paragraph (1) and—

- (b) that lay magistrate may, but need not, be a member of the court before which any person is charged with an offence under those provisions in relation to that material.

(5) If it appears to a lay magistrate, on the basis of such evidence as he considers appropriate in the circumstances, that any material falling to be dealt with by him under this regulation fails to comply with the requirements of specified feed law then he shall condemn the material and order—

- (a) the material to be destroyed or to be so disposed of as to prevent it from being used as food for human consumption, or for feed; and
- (b) any expenses reasonably incurred in connection with the destruction or disposal to be defrayed by the feed business operator.

(6) If a notice under paragraph (2)(a) is withdrawn, or the lay magistrate by whom any material falls to be dealt with under this regulation refuses to condemn it, the enforcement authority must compensate the owner of the material for any depreciation in its value resulting from the action taken by the authorised officer.

(a) 1981 No. 1115 (N.I. 22)

(7) Any disputed question as to the right or the amount of any compensation payable under paragraph (6) shall be determined by a single arbitrator appointed, failing agreement between the parties, by the Department and the provisions of the Arbitration Act 1996 shall apply accordingly.

- (c) subject to paragraph (2), must be given to the feed business operator or to the person mentioned in regulation 25(2)(a) by—
 - (i) delivering it to that person;
 - (ii) by leaving it, or sending it in a prepaid letter addressed to him at his office;
 - (iii) in the case of an incorporated company or body, by delivering it to their secretary or clerk at their registered or principal office, or by sending it in a prepaid letter addressed to him at that office; or
 - (iv) in the case of any other person by leaving it or sending it in a prepaid letter addressed to him at his usual or last known residence.

(2) Where it is not practicable after reasonable enquiry to ascertain the name and address of the person on whom the notice should be served, or where the premises in which a feed business is carried on are unoccupied, the notice may be addressed to the “owner” or “occupier” of the premises in which the feed is situated, and delivered to some person on those premises, or if there is no person on the premises to whom it can be delivered, by affixing it or a copy of it to some conspicuous part of the premises.

Offences relating to the exercise of powers by authorised officers

27.—(1) Any person who wilfully obstructs an authorised officer in the exercise of his powers under these Regulations or fails to comply with any requirement lawfully made by him in the exercise of such powers is guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale or to a term of imprisonment not exceeding three months or to both.

- (b) any other information obtained by him in pursuance of these Regulations,

he is guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale unless the disclosure was made in and for the purpose of the performance by him or any other person of functions under these Regulations.

(4) Paragraph (3) does not apply to prevent an authorised officer who has taken a sample under regulation 24 from disclosing—

- (a) to the manufacturer or to the last seller of the material, information as to the place where and the person from whom the sample was taken;
- (b) to that manufacturer or last seller or to any person who had that material on his premises, information as to the results of any analysis of that sample; or
- (c) any information which it is necessary to disclose in order to prevent the occurrence of a serious risk to human or animal health or to the environment.

Liability for expenditure

28.—(1) Subject to paragraph (2) any sums due to the enforcement authority by virtue of Article 54(5) (action in the case of non-compliance) of Regulation 882/2004 must be paid by the feed business operator to the authority on demand.

(2) This regulation does not apply in relation to Article 54(2)(g), (measures referred to in Article 19 on consignments from third countries), of Regulation 882/2004.

(5) If the agricultural analyst to whom the sample was sent under paragraph (1)(b)(i) determines that an effective analysis of the sample cannot be performed by him or under his direction he shall send it to another agricultural analyst, together with any documents received by him with the sample, and paragraph (4) shall then apply as if the sample had originally been sent to that other analyst.

Secondary analysis by the Chief Agricultural Analyst

EXPLANATORY NOTE

(This note does not form part of the Regulations)

1. These Regulations provide for the execution and enforcement of Regulation (EC) No 183/2005 of the European Parliament and of the Council laying down requirements for feed hygiene (O.J. No. L25, 8.2.2005, p. 1), (“Regulation 183/2005”) and Regulation (EC) No 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety (O.J. No. L31, 1.2.2002, p. 1), (“Regulation 178/2002”), and also make provisions as to administration generally, in particular so as to give effect to Regulation (EC) No 882/2004 of the European Parliament and of the Council on official controls performed to ensure the verification of compliance with feed and food law, animal health and animal welfare rules (O.J. No. L191, 28.5.2004, p. 1), (“Regulation 882/2004”).

2. Part 2 of these Regulations deals with the execution and enforcement of Regulation 183/2005, which repeals Council Directive 95/69/EC and Commission Directive 98/51/EC. (Those Directives were largely implemented in the United Kingdom by the Feeding Stuffs (Establishments and Intermediaries) Regulations 1999 (S.I.1999/1872)). Regulation 183/2005 provides that almost all businesses producing, trading in or using animal feed should be either registered, or as the case may be approved, by the competent authorities. The excepted activities to which Regulation 183/2005, and consequently Part 2 of these Regulations, do not apply, are set out in Article 2 of the EC Regulation and include—

- (a) the private domestic production of feed for animals not kept for consumption, or kept for private domestic consumption only;
- (b) the feeding of non food-producing animals;
- (c) the feeding of animals kept for private domestic consumption or for direct supply, by the producer, of small quantities of primary products to the final consumer or to local retailers;
- (d) the direct supply, by the producer, of small quantities of primary produced feed to local farms for use on those farms;
- (e) the retailing of pet food.

3. In particular provision is made in Part 2 to—

- (a) designate the competent authorities for the purposes of the various functions mentioned in Regulation 183/2005 (*regulation 4*);
- (b) identify those provisions of Regulation 183/2005 where failure to comply gives rise to an offence, and attach penalties to those offences (*regulation 5*);
