
STATUTORY RULES OF NORTHERN IRELAND

2006 No. 5

The Weighing Equipment (Non-automatic Weighing
Machines) Regulations (Northern Ireland) 2006

PART IV

TESTING

Permanent installations

33. A non-automatic weighing machine which is to be permanently installed in the position in which it is to be used shall not be tested, passed as fit for use for trade and stamped unless it has been completely erected ready for use and installed in the position in which it is to be used.
