EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Potatoes Originating in Egypt Regulations (Northern Ireland) 2004 (S.R. 2004/183) (“the principal Regulations”) and revoke The Potatoes Originating in Egypt (Amendment) Regulations (Northern Ireland) 2006, authorising Member States temporarily to take emergency measures against the dissemination of *Pseudomonas solanacearum* (Smith) Smith (now referred to as *Ralstonia solanacearum* (Smith) Yabuuchi et al.) as regards Egypt.

The Regulations amend regulation 2(2) of the principal Regulations. The Regulations insert, into the definition of the Decision, Commission Decision 2006/749/EC which amends and corrects the Decision (regulation 2). Decision 2006/749/EC renews the framework within which potatoes may be imported from Egypt into the territory of the European Community during the 2006/2007 season.

No Regulatory Impact Assessment has been carried out in respect of the extension of these controls to the 2006/2007 season.
