

SCHEDULE

Broad rental market area determinations and local housing allowance determinations

Modifications etc. (not altering text)

- C1** Sch. modified (28.1.2021) by [The Housing Benefit and Universal Credit Housing Costs \(Executive Determinations\) \(Modification\) Regulations \(Northern Ireland\) 2021 \(S.R. 2021/14\)](#), regs. 1(1), 2

Local housing allowance for category of dwelling in paragraph 1

[^{F12}—(1) Subject to [^{F2}paragraphs] 3 (anomalous local housing allowances) [^{F3}and 3A (minimum local housing allowance)], the Executive must determine a local housing allowance for each category of dwelling in paragraph 1 as follows.

[^{F4}(2) The local housing allowance for any category of dwelling is the lower of—

- (a) the rent at the 30th percentile determined in accordance with sub-paragraphs (4) to (8); and
- (b) for a category of dwelling listed in column 1 of the following table, the amount listed in column 2 of that table (maximum local housing allowance)—

<i>1. Category of dwelling as specified in paragraph 1</i>	<i>2. Maximum local housing allowance for that category of dwelling</i>
paragraph 1(1)(a) (one bedroom, shared accommodation)	[^{F5} £331.39]
paragraph 1(1)(b) (one bedroom, exclusive use)	[^{F6} £331.39]
paragraph 1(1)(c) (two bedrooms)	[^{F7} £412.86]
paragraph 1(1)(d) (three bedrooms)	[^{F8} £497.10]
paragraph 1(1)(e) (four bedrooms)	[^{F9} £704.22]

(3) [^{F10}The amounts referred to in sub-paragraphs (2A) and (2B)(b) are—]

- (a) [^{F11}the local housing allowance [^{F12}last determined for that category of dwelling] (or, where the determination is amended under regulation 14F of the Housing Benefit Regulations the allowance provided for in the amended determination); [^{F13}and]

(b) the rent at the 30th percentile determined in accordance with sub-paragraph (4) to (8)^{F14} ...,]

(4) The Executive must compile a list of rents in ascending order of the rents which, in the Executive's opinion, are payable—

- (a) for a dwelling let under an uncontrolled tenancy for each category of dwelling specified in paragraph 1; and
- (b) in the 12 month period ending on the 30th day of the September preceding the date of the determination.

(5) In compiling the list of rents, the Executive must—

- (a) include within it the rent of an uncontrolled tenancy in relation to each category of dwelling if—
 - (i) the dwelling let under the uncontrolled tenancy is in the broad rental market area for which the local housing allowance for that category of dwelling is being determined;
 - (ii) the dwelling is in a reasonable state of repair; and

Changes to legislation: There are currently no known outstanding effects for the The Housing Benefit (Executive Determinations) Regulations (Northern Ireland) 2008, Paragraph 2. (See end of Document for details)

- (iii) the uncontrolled tenancy permits the tenant to use exclusively or share the use of, as the case may be, the same number and type of rooms as the category of dwelling in relation to which the list is being compiled;
- (b) include within it any rents which are of the same amount;
- (c) where rent is payable other than weekly, use the figure which would be payable if the rent were to be payable weekly by—
 - (i) multiplying the rent by an appropriate figure to obtain the rent for a year;
 - (ii) dividing the total in (i) by 365; and
 - (iii) multiplying the total in (ii) by 7;
- (d) assume that no one who would have been entitled to housing benefit had sought or is seeking the tenancy; and
- (e) exclude the amount of any rent which, in the Executive’s opinion, is fairly attributable to the provision of services performed for, or facilities (including the use of furniture) provided for, or rights made available to, the tenant which are ineligible to be met by housing benefit.

(6) Sub-paragraph (7) applies where the Executive is not satisfied that the list of rents in respect of any category of dwelling would contain sufficient rents, payable in the 12 month period ending on the 30th day of the September preceding the date of the determination for dwellings in the broad rental market area, to enable a local housing allowance to be determined which is representative of the rents that a landlord might reasonably be expected to obtain in that area.

(7) In a case where this sub-paragraph applies the Executive may add to the list rents for dwellings in the same category in other areas in which a comparable market exists.

(8) The Executive must use the list of rents to determine the rent at the 30th percentile in the list (“R”) by—

- (a) where the number of rents on the list is a multiple of 10, applying the formula—

$$R = \frac{\text{the amount of the rent at P} + \text{the amount of the rent at P1}}{2}$$

Where—

- (i) P is the position on the list found by multiplying the number of rents on the list by 3 and dividing by 10; and
- (ii) P1 is the following position on the list;
- (b) where the number of rents on the list is not a multiple of 10, applying the formula—

$$R = \text{the amount of rent at P2}$$

Where—

P2 is the position on the list found by multiplying the number of rents on the list by 3 and dividing by 10 and rounding the result upwards to the nearest whole number.

^{F15}(9)

(10) Where the local housing allowance would otherwise not be a whole number of pence, it must be rounded to the nearest whole penny by disregarding any amount less than half a penny and treating any amount of half a penny or more as a whole penny.]
