**2009 No. 411**

The Sheep and Goats (Records, Identification  
and Movement) Order (Northern Ireland) 2009

PART II

Identification devices

**Additional tags and identification devices with additional information**

6.—(1) Subject to the following provisions, a person shall only include on an identification device any information which is—

- (a) required or authorised by this Order; or
- (b) authorised by the Department,

and shall not sell or supply to another any such device which does not comply with this paragraph.

(2) Notwithstanding paragraphs (1), a person may include on an identification device information prohibited by that paragraph or sell or supply an identification device with such information were—

- (a) the information is distinct from the identification code on the device; and
- (b) the identification code remains legible and clearly distinguishable at all times.

(3) Nothing in this Order shall prevent a person from applying an additional tag to an animal provided that tag does not contain the letters “UK” or bear a flock number or herd number unless authorised by the Department to do so.
