

## SCHEDULE 1

### General conditions under which farmed animals shall be kept

20. Where the health and well-being of the animals is dependent on an artificial ventilation system—

- (a) provision shall be made for an appropriate back-up system to guarantee sufficient air renewal to preserve the health and well-being of the animals in the event of failure of the system; and
- (b) an alarm system (which will operate even if the principal electricity supply to it has failed) shall be provided to give warning of any failure of the system.

**Changes to legislation:**

There are currently no known outstanding effects for the Welfare of Farmed Animals Regulations (Northern Ireland) 2012, Paragraph 20.
