
STATUTORY RULES OF NORTHERN IRELAND

2012 No. 311

The Council of the Pharmaceutical Society
of Northern Ireland (Fitness to Practise and
Disqualification) Regulations (Northern Ireland) 2012

PART 3

Consideration by the Scrutiny Committee

Recording in the register of decisions by the Scrutiny Committee

12. Where the Scrutiny Committee—

- (a) gives a warning to a registered person; or
- (b) agrees undertakings with a registered person that relate to the registered person's fitness to practise,

the registrar must ensure that an appropriate alteration to that registered person's entry in the register is made to record the details of that warning or undertaking.
