

## SCHEDULE 3

### NOTIFICATION OF SPECIFIED EVENTS

#### PART 4

#### EVENTS SPECIFIED IN REGULATION 32(2)(d)

##### **Particulars relating to the person submitting the notice**

1. Name, address and telephone number of the person submitting the notice and, if different, corresponding particulars of the person to whom enquiries should be addressed.
2. Date on which the notice is submitted.
3. A unique and sequential reference number indicating, in respect of each year ending on 31st March, the number of the event.

##### **Particulars relating to the events**

4. Particulars relating to the events
  - (a) Total number of events, if any, during the 3 month period specified in regulation 32(7), classified as specified in sub-paragraph (b) and as also classified as involving deliberate or accidental contact, damage or interference by each of the following—
    - (i) a generator, a distributor, a telecommunication code system operator, a gas transporter, a water or sewerage authority, or the Roads Service for Northern Ireland, or their respective contractors;
    - (ii) farmers, farm workers or farm implements;
    - (iii) private individuals;
    - (iv) other persons; and
    - (v) other causes, e.g. corrosion, ground subsidence, faulty manufacture, ageing or deterioration.
  - (b) The classes referred to in sub-paragraph (a) are—
    - (i) low voltage service lines;
    - (ii) low voltage distributing mains; and
    - (iii) high voltage electric lines (specifying voltage).
