VARIATION OF CONDITIONS

PART 1

APPLICATIONS FOR VARIATION OF CONDITIONS

1. An application under regulation 19(2) for the variation of the conditions of a permit shall be in writing and shall contain the following information—

- (a) the name of the operator, his telephone number and address (including post code) and, if different, the address to which correspondence relating to the application should be sent;
- (b) in the case of a permit to operate a Part A installation or Part A mobile plant, the address of the site of the installation or mobile plant to which the permit applies;
- (c) if appropriate, a description of the proposed change in the operation of the installation or mobile plant requiring the variation and a statement of any changes as respects the matters dealt with in paragraph 1(1)(e) to (i) of Schedule 4, and, for Part A installations and Part A mobile plant, paragraph 1(2)(b) and (c) of that Schedule, which would result if the proposed change were made;
- (d) in the case of a variation required by a proposed substantial change in the operation of a Part A installation, any relevant information obtained or conclusion arrived at in relation to the proposed change pursuant to Articles 5, 6, 7 and 9 of Directive 2011/92/EU on the assessment of the effects of certain public and private projects on the environment;
- (e) a description of the variations to the conditions of the permit which the operator wishes the enforcing authority to make;
- (f) any additional information which the operator wishes the enforcing authority to take into account in considering his application; and
- (g) in the case of an application for the variation of the conditions of a permit in respect of a waste incineration installation, the information specified in paragraph 2 of Schedule 4, or where such information has previously been included in an application made under these Regulations, a statement of any changes as respects the matters dealt with in paragraph 2 of that Schedule which would result if the proposed change in the operation of the installation or mobile plant requiring the variation were made.
