

## SCHEDULE 2

### ADDITIONAL REQUIREMENTS FOR KILLING ANIMALS OTHER THAN IN SLAUGHTERHOUSES

#### PART 4

#### RESTRAINING OPERATIONS

##### **Restraining operations**

31. The business operator and any person engaged in the stunning or killing of an animal must ensure that an animal which is to be stunned or killed by mechanical or electrical means applied to the head is presented in such a position that the equipment can be applied and operated easily, accurately and for the appropriate time.
