(4) A person falls within this paragraph if the person is—

- (a) a qualified person for the purposes of regulation 6 of the EEA Regulations as a worker or a self-employed person,

(3) In this regulation—

“Crown servant” means a person holding an office or employment under the Crown, and

“Her Majesty's forces” has the meaning in the Armed Forces Act 2006(a).

Temporary absence from Northern Ireland

11.—(1) A person's temporary absence from Northern Ireland is disregarded in determining whether they meet the basic condition to be in Northern Ireland if—

- (a) the person is entitled to universal credit immediately before the beginning of the period of temporary absence, and
- (b) either—
 - (i) the absence is not expected to exceed, and does not exceed, one month, or
 - (ii) paragraph (3) or (4) applies.

(2) The period of one month in paragraph (1)(b) may be extended by up to a further month if the temporary absence is in connection with the death of —

- (a) the person's partner or a child or qualifying young person for whom the person was responsible, or
- (b) a close relative of the person, or of their partner or of a child or qualifying young person for whom the person or their partner was responsible,

and the Department considers that it would be unreasonable to expect the person to return to Northern Ireland within the first month.

(3) This paragraph applies where the absence is not expected to exceed, and does not exceed, 6 months and is solely in connection with—

- (a) the person undergoing—
 - (i) treatment for an illness or physical or mental impairment by, or under the supervision of, a qualified practitioner, or

- (b) continental shelf worker who is in a designated area or a prescribed area.

(5) In this regulation—

(a) 2006 c. 52.

- (b) the contract is entered into in the United Kingdom with a view to its performance (in whole or in part) while the ship or vessel is on its voyage;

“medically approved” means certified by a registered medical practitioner;

“prescribed area” means any area over which Norway or any member State (other than the United Kingdom) exercises sovereign rights for the purpose of exploring the seabed and subsoil and exploiting their natural resources, being an area outside the territorial seas of Norway or such member State, or any other area which is from time to time specified under section 10(8) of the Petroleum Act 1998;

“qualified practitioner” means a person qualified to provide medical treatment, physiotherapy or a form of treatment which is similar to, or related to, either of those forms of treatment.

Receiving education

Meaning of “receiving education”

12.—(1) For the basic condition in Article 9(1)(d) of the Order (not receiving education) a qualifying young person is to be treated as receiving education.

(2) In any other case “receiving education” means—

- (a) undertaking a full-time course of advanced education, or
- (b) undertaking any other full-time course of study or training at an educational establishment for which a student loan or grant is provided for the person’s maintenance.

(3) “course of advanced education” means—

(4) A claimant who is not a qualifying young person and is not undertaking a course described in paragraph (1) is nevertheless to be treated as receiving education if the claimant is undertaking a course of study or training that is not compatible with any work-related requirement imposed on the claimant by the Department.

(a) 1998 c. 17.

(b) 1964 c. 29.

Meaning of “undertaking a course”

13.—(1) For the purposes of these Regulations a person is to be regarded as undertaking a course of education, study or training—

- (a) throughout the period beginning on the date on which the person starts undertaking the course and ending on the last day of the course or on such earlier date (if any) as the person finally abandons it or is dismissed from it, or
- (b) where a person is undertaking a part of a modular course, for the period beginning on the day on which that part of the course starts and ending —
 - (i) on the last day, on which the person is registered as undertaking that part, or
 - (ii) on such earlier date (if any) as the person finally abandons the course or is dismissed from it.

(2) The period referred to in paragraph (1)(b) includes—

- (a) where a person has failed examinations or has failed to complete successfully a module relating to a period when the person was undertaking a part of the course, any period in respect of which the person undertakes the course for the purpose of retaking those examinations or completing that module, and
- (b) any period of vacation within the period specified in paragraph (1)(b) or immediately following that period except where the person has registered to attend or undertake the final module in the course and the vacation immediately follows the last day on which the person is to attend or undertake the course.

(3) In this regulation “modular course” means a course which consists of two or more modules, the successful completion of a specified number of which is required before a person is considered by the educational establishment to have completed the course.

(4) A person is not to be regarded as undertaking a course for any part of the period mentioned in paragraph (1) during which the following conditions are met—

- (a) the person has, with the consent of the relevant educational establishment, ceased to attend or undertake the course because they are ill or caring for another person,
- (b) the person has recovered from that illness or ceased caring for that person within the past year, but not yet resumed the course, and
- (c) the person is not eligible for a grant or student loan.

Exceptions to the requirement not to be receiving education

14. A person does not have to meet the basic condition in Article 9(1)(d) of the Order (not receiving education) if —

Accepting a claimant commitment

Claimant commitment – date and method of acceptance

15.—(1) For the basic condition in Article 9(1)(e) of the Order, a person who has accepted a claimant commitment within such period after making a claim as the Department specifies is to be treated as having accepted that claimant commitment on the first day of the period in respect of which the claim is made.

(2) In a case where an award may be made without a claim, a person who accepts a claimant commitment within such period as the Department specifies is to be treated as having accepted a claimant commitment on the day that would be the first day of the first assessment period in relation to the award in accordance with regulation 22(3) or (4) (assessment periods).

(3) The Department may extend the period within which a person is required to accept a claimant commitment or an updated claimant commitment where the person requests that it review—

- (a) any action proposed as a work search requirement or a work availability requirement, or
- (b) whether any limitation should apply to those requirements,

and it considers that the request is reasonable.

(4) A person must accept a claimant commitment by one of the following methods, as specified by the Department—

- (a) electronically,
- (b) by telephone, or
- (c) in writing.

Claimant commitment – exceptions

16. A person does not have to meet the basic condition to have accepted a claimant commitment if the Department considers that—

- (a) the person cannot accept a claimant commitment because they lack the capacity to do so, or
- (b) there are exceptional circumstances in which it would be unreasonable to expect the person to accept a claimant commitment.

Financial conditions

Minimum amount

17. For the purposes of Article 10(1)(b) and (2)(b) of the Order (financial conditions: amount payable not less than any prescribed minimum) the minimum is one penny.

Capital limit

18.—(1) For the purposes of Article 10(1)(a) and (2)(a) of the Order (financial conditions: capital limit)—

- (a) the prescribed amount for a single claimant is £16,000, and
- (b) the prescribed amount for joint claimants is £16,000.

(2) In a case where the person is a member of a couple, but makes a claim as a single person, the claimant's capital is to be treated as including the capital of the other member of the couple.

Restrictions on entitlement

Restrictions on entitlement – prisoners etc.

19.—(1) Entitlement to universal credit does not arise where a person is—

- (a) a member of a religious order who is fully maintained by their order,
- (b) a prisoner, or
- (c) serving a sentence of imprisonment detained in hospital.

(2) Paragraph (1)(b) does not apply during the first 6 months when the claimant is a prisoner where—

- (a) the person was entitled to universal credit as a single person immediately before becoming a prisoner, and the calculation of their award included an amount for the housing costs element, and
- (b) the person has not been sentenced to a term in custody that is expected to extend beyond that 6 months.

(3) In the case of a prisoner to whom paragraph (2) applies, an award of universal credit is not to include any element other than the housing costs element.

(4) In paragraph (1)(c) a person serving a sentence of imprisonment detained in hospital is a person who is—

- (a) being detained—
 - (i) under Article 53 of the Mental Health (Northern Ireland) Order 1986(a), and
 - (ii) before the day which the Secretary of State certifies to be that person's release date within the meaning of Article 56(3) of that Order (in any case where there is such a release date).

Waiting days

20.—(1) Entitlement to universal credit does not arise in the first 7 days of the period in respect of which the claim is made if—

- (a) on the first day of that period ("the relevant date") the claimant, or either of joint claimants, falls within Article 27 of the Order (claimants subject to all work-related requirements), and
- (b) none of the exceptions in paragraph (3) applies.

(2) A claimant who may fall outside Article 27 of the Order only because they have limited capability for work is to be taken to fall within that Article for the purposes of this regulation.

(3) The exceptions are—

- (a) where a new award of universal credit is made—
 - (i) to a single claimant as a consequence of a previous award having ended when the claimant ceased to be a member of a couple or to joint claimants as a consequence of two previous awards having ended when the claimants became a couple, or
 - (ii) in any other circumstances in which the assessment periods for that award are to begin on the same day of each month as the assessment periods for a previous award (see regulation 22), or

(a) S.I. 1986/595 (N.I. 4); Article 53(5)(a) was amended by paragraph 27 of Schedule 5 to the Criminal Justice (Children) (Northern Ireland) Order 1998 (S.I. 1998/1504 (N.I. 9)) and paragraph 38 of Schedule 12 to the Justice (Northern Ireland) Act 2002 (c. 26 (N.I.)) and Article 56(3) was amended by paragraph 5(2) to Schedule 5 to the Criminal Justice (Northern Ireland) Order 2008 (S.I. 2008/1216 (N.I. 1)).

 - (i) is terminally ill,
 - (ii) has recently been a victim of domestic violence (as determined in accordance with regulation 96(3)),
 - (iii) is a care leaver or a person under the age of 22 who is claiming universal credit for the first time and was a care leaver before reaching the age of 18,
 - (iv) is aged 16 or 17 and without parental support (as determined within regulation 8(3)),
 - (v) has been a prisoner within the month ending on the relevant date, or
 - (vi) has been entitled to a jobseeker's allowance or an employment and support allowance within the 3 months ending on the relevant date.

(4) In order to determine whether a single claimant, or either of joint claimants, falls within Article 27 of the Order for the purposes of this regulation, the definition of monthly earnings in regulation 89(6) (claimants subject to no work-related requirements – the earnings threshold) is to be read as if the reference to the current assessment period were a reference to the month that would be the first assessment period of the award if paragraph (1) of this regulation did not apply.

PART 3

AWARDS

Awards

21. For the purpose of determining, under any legislation, whether a person is entitled to any benefit or other advantage by virtue of having an award of universal credit, save where the contrary intention is expressed in that legislation, a person is not treated as being awarded universal credit in respect of any day on which they are not entitled to universal credit.

Assessment periods

22.—(1) An assessment period is a period of one month beginning with the first date of entitlement and each subsequent period of one month during which entitlement subsists.

(2) Where regulation 20 (waiting days) applies, the first day of entitlement for the purposes of paragraph (1) is the first day after expiry of the 7 days referred to in paragraph (1) of that regulation.

(3) Each assessment period begins on the same day of each month except as follows—

- (a) if the first date of entitlement falls on the 31st day of a month, each assessment period begins on the last day of the month, and
- (b) if the first date of entitlement falls on the 29th or 30th day of a month, each assessment period will begin on the 29th or 30th day of the month (as above) except in February when it begins on the 27th day or, in a leap year, the 28th day.

(4) Where a new award is made to a single person without a claim by virtue of regulation 8(6)(a) or (10) of the Claims and Payments Regulations (old award has ended when the claimant ceased to be a member of a couple) each assessment period for the new award begins on the same day of each month as the assessment period for the old award.

(5) Where a new award is made to members of a couple jointly without claim by virtue of regulation 8(6)(b) or (7) of the Claims and Payments Regulations (two previous awards have ended when the claimants formed a couple) each assessment period for the new award begins on the same day of each month as the assessment period for whichever of the old awards ended earlier.

(6) Where a claim is treated as made by virtue of regulation 8(8) of the Claims and Payments Regulations, (old award ended when a claimant formed a couple with a person not entitled to

universal credit) each assessment period in relation to the new award begins on the same day of each month as the assessment period for the old award.

(7) Where a claim is made by a single person or members of a couple jointly and the claimant (or either joint claimant) meets the following conditions—

- (a) the claimant was previously entitled to an award of universal credit the last day of which fell within the 6 months preceding the date on which the claim is made, and
- (b) during that 6 months—
 - (i) the claimant has continued to meet the basic conditions in Article 9 of the Order (disregarding the requirement to have accepted a claimant commitment and any temporary period of absence from Northern Ireland that would be disregarded during a period of entitlement to universal credit), and
 - (ii) the claimant was not excluded from entitlement by regulation 19 (restrictions on entitlement - prisoners etc.),

each assessment period for the new award begins on the same day of each month as the assessment period for the old award or, if there was an old award in respect of each joint claimant, the assessment period that ends earlier in relation to the date on which the claim is made.

(8) For the purposes of this regulation it does not matter if at the beginning of the first assessment period of the new award, the following persons do not meet the basic conditions in Article 9(1)(a) and (c) of the Order (at least 18 years old and in Northern Ireland) or if they are excluded from entitlement under regulation 19 (restrictions on entitlement – prisoners etc.) provided they meet those conditions (and are not so excluded) at the end of that assessment period—

- (a) in a case to which paragraph (6) applies, the member of the couple who was not entitled to universal credit, or
- (b) in a case to which paragraph (7) applies, the member of the couple who does not meet the conditions mentioned in that paragraph.

(9) In this regulation “the Claims and Payments Regulations” means the Universal Credit, Personal Independence Payment, Jobseeker’s Allowance and Employment and Support Allowance (Claims and Payments) Regulations (Northern Ireland) 2016(a).

Deduction of income and work allowance

23.—(1) The amounts to be deducted from the maximum amount in accordance with Article 13(3) of the Order (calculation of awards) to determine the amount of an award of universal credit are—

- (a) all of the claimant’s unearned income (or in the case of joint claimants all of their combined unearned income) in respect of the assessment period, and
- (b) the following amount of the claimant’s earned income (or, in the case of joint claimants, their combined earned income) in respect of the assessment period—
 - (i) in a case where no work allowance is specified in the table below (that is where a single claimant does not have, or neither of joint claimants has, responsibility for a child or qualifying young person or limited capability for work), 65 percent of that earned income, or
 - (ii) in any other case, 65 percent of the amount by which that earned income exceeds the work allowance specified in the table.

(2) The amount of the work allowance is—

- (a) if the award contains no amount for the housing costs element, the applicable amount of the higher work allowance specified in the table below, and

(a) S.R. 2016 No. 220.

(b) if the award does contain an amount for the housing costs element, the applicable amount of the lower work allowance specified in that table.

(3) In the case of an award where the claimant is a member of a couple, but makes a claim as a single person, the amount to be deducted from the maximum amount in accordance with Article 13(3) of the Order is the same as the amount that would be deducted in accordance with paragraph (1) if the couple were joint claimants.

<i>Higher work allowance</i>	
Single claimant— responsible for one or more children or qualifying young persons and/or has limited capability for work	£397
Joint claimants— responsible for one or more children or qualifying young persons and/or where one or both have limited capability for work	£397
<i>Lower work allowance</i>	
Single claimant— responsible for one or more children or qualifying young persons and/or has limited capability for work	£192
Joint claimants— responsible for one or more children or qualifying young persons and/or where one or both have limited capability for work	£192

Apportionment where re-claim is delayed after loss of employment

24.—(1) This regulation applies where—

- (a) a new award is made in a case to which regulation 22(7) (new claim within 6 months of a previous award) applies, and
- (b) the claimant (or either joint claimant) is not in paid work and has ceased being in paid work since the previous award ended, other than in the 7 days ending with the date on which the claim is made.

(2) In calculating the amount of the award for the first assessment period in accordance with Article 13 of the Order—

- (a) the amount of each element that is to be included in the maximum amount, and
- (b) the amount of earned and unearned income that is to be deducted from the maximum amount,

are each to be reduced to an amount produced by the following formula—

$$N \times \left[\frac{A \times 12}{365} \right]$$

Where—

N is the number of days in the period beginning with the date on which the claim is made and ending with the last day of the assessment period, and

A is the amount of the element that would otherwise be payable for that assessment period or, as the case may be, the amount of earned and unearned income that would otherwise be deducted for that assessment period.

(3) The period of 7 days in paragraph (1)(b) may be extended if the Department considers there is good reason for the delay in making the claim.

PART 4

ELEMENTS OF AN AWARD

Responsibility for children or young persons

The child element

25.—(1) The amount to be included in an award of universal credit for each child or qualifying young person for whom a claimant is responsible (“the child element”) is given in the table in regulation 38 (amounts of elements).

27.—(1) This regulation provides for the amount to be included in an award in respect of an assessment period in which the claimant meets all the conditions specified in regulation 26.

(2) Schedule 4 has effect in relation to any claimant where—

(3) Whether a claimant has limited capability for work or for work and work-related activity is determined in accordance with Part 5.

(4) In the case of joint claimants, where each of them has limited capability for work or for work and work-related activity, the award is only to include one element and that is the LCWRA

Period for which the LCW or LCWRA element is not to be included

29.—(1) An award of universal credit is not to include the LCW or LCWRA element until the beginning of the assessment period that follows the assessment period in which the relevant period ends.

- (a) if regulation 42(2) applies (claimant with monthly earnings equal to or above the relevant threshold) the date on which the award of universal credit commences or, if later, the date on which the claimant applies for the LCW or LCWRA element to be included in the award, or
- (b) in any other case, the first day on which the claimant provides evidence of their having limited capability for work in accordance with the Medical Evidence Regulations.

(3) Where, in the circumstances referred to in paragraph (4), there has been a previous award of universal credit—

- (a) if the previous award included the LCW or LCWRA element, paragraph (1) does not apply, and
- (b) if the relevant period in relation to that award has begun but not ended, the relevant period ends on the date it would have ended in relation to the previous award.

(4) The circumstances are where—

- (a) immediately before the award commences, the previous award has ceased because the claimant ceased to be a member of a couple or became a member of a couple, or
- (b) within the six months before the award commences, the previous award has ceased because the financial condition in Article 10(1)(b) (or if it was a joint claim, Article 10(2)(b)) of the Order was not met.

(5) Paragraph (1) also does not apply if—

- (a) the claimant is terminally ill, or
- (b) the claimant—
 - (i) is entitled to an employment and support allowance that includes the support component or the work-related activity component, or
 - (ii) was so entitled on the day before the award of universal credit commenced and has ceased to be so entitled by virtue of section 1A of the Welfare Reform Act (Northern Ireland) 2007(a) (duration of contributory allowance).

(6) Paragraph (1) does not apply where an award includes the LCW element and it is subsequently determined that the claimant has limited capability for work and work-related activity.

(7) Where, by virtue of this regulation, the condition in Article 10(1)(b) or 10(2)(b) of the Order is not met, the amount of the claimant's income (or, in the case of joint claimants, their combined income) is to be treated during the relevant period as such that the amount payable is the prescribed minimum (see regulation 17).

Particular needs or circumstances - carers

Award to include the carer element

30.—(1) An award of universal credit is to include an amount (“the carer element”) specified in the table in regulation 38 where a claimant has regular and substantial caring responsibilities for a

(a) Section 1A was inserted by Article 57 of the Order.

severely disabled person, subject to paragraphs (2) to (4) and section 70(7) of the Contributions and Benefits Act (entitlement by different persons to the carer element and to carer's allowance in respect of the same severely disabled person).

(2) In the case of joint claimants, an award is to include the carer element for both joint claimants if they both qualify for it, but only if they are not caring for the same severely disabled person.

(3) Where two or more persons have regular and substantial caring responsibilities for the same severely disabled person, an award of universal credit may only include the carer element in respect of one of them and that is the one they jointly elect or, in default of election, the one the Department determines.

(4) Where an amount would, apart from this paragraph, be included in an award in relation to a claimant by virtue of paragraphs (1) to (3), and the claimant has limited capability for work or for work and work-related activity, only one out of the carer element, the LCW element and the LCWRA element may be included in respect of the claimant and that element is—

- (a) if the claimant has limited capability for work and work-related activity (and in the case of joint claimants, the LCWRA element has not been included in respect of the other claimant), the LCWRA element, or
- (b) in any other case, the carer element.

Meaning of “regular and substantial caring responsibilities for a severely disabled person”

31.—(1) For the purposes of Part 2 of the Order and these Regulations, a person has regular and substantial caring responsibilities for a severely disabled person if they satisfy the conditions for entitlement to a carer's allowance or would do so but for the fact that their earnings have exceeded the limit prescribed for the purposes of that allowance.

(2) Paragraph (1) applies whether or not the person has made a claim for a carer's allowance.

(3) A person does not have regular and substantial caring responsibilities for a severely disabled person if the person derives earned income from those caring responsibilities.

Particular needs or circumstances – childcare costs

Award to include childcare costs element

32. An award of universal credit is to include an amount in respect of childcare costs (“the childcare costs element”) in respect of an assessment period in which the claimant meets both—

- (a) the work condition (see regulation 33), and
- (b) the childcare costs condition (see regulation 34).

The work condition

33.—(1) The work condition is met in respect of an assessment period if—

- (a) the claimant is in paid work or has an offer of paid work that is due to start before the end of the next assessment period, and
- (b) if the claimant is a member of a couple (whether claiming jointly or as a single person), the other member is either in paid work or is unable to provide childcare because that person—
 - (i) has limited capability for work,
 - (ii) has regular and substantial caring responsibilities for a severely disabled person, or
 - (iii) is temporarily absent from the claimant's household.

(2) For the purposes of meeting the work condition in relation to an assessment period a claimant is to be treated as being in paid work if—

- (a) the claimant has ceased paid work—

- (i) in that assessment period,
 - (ii) in the previous assessment period, or
 - (iii) if the assessment period in question is the first or second assessment period in relation to an award, in that assessment period or in the month immediately preceding the commencement of the award, or
- (b) the claimant is receiving statutory sick pay, statutory maternity pay, statutory paternity pay, statutory adoption pay, statutory shared parental pay or a maternity allowance.

The childcare costs condition

34.—(1) The childcare costs condition is met in respect of an assessment period if—

- (a) the claimant has paid charges for relevant childcare that are attributable to that assessment period (see regulation 36) and those charges have been reported to the Department before the end of that assessment period,
- (b) the charges are in respect of—
 - (i) a child, or
 - (ii) a qualifying young person who has not reached the 1st September following their 16th birthday,
 for whom the claimant is responsible, and
- (c) the charges are for childcare arrangements—
 - (i) that are to enable the claimant to take up paid work or to continue in paid work, or
 - (ii) where the claimant is treated as being in paid work by virtue of regulation 33(2), that are to enable the claimant to maintain childcare arrangements that were in place when the claimant ceased paid work or began to receive those benefits.

(2) The late reporting of charges for relevant childcare may be accepted in the same circumstances as late notification of a change of circumstances may be accepted under regulation 36 of the Universal Credit, Personal Independence Payment, Jobseeker’s Allowance and Employment and Support Allowance (Decisions and Appeals) Regulations 2016(a) and in such cases, subject to regulation 36 below, all or part of any such charges may be taken into account in any assessment period to which they relate.

Amount of childcare costs element

35.—(1) The amount of the childcare costs element for an assessment period is the lesser of—

- (a) 85 percent of the charges paid for relevant childcare that are attributable to that assessment period, or
- (b) the maximum amount specified in the table in regulation 38.

(2) In determining the amount of charges paid for relevant childcare, there is to be left out of the account any amount—

- (a) that the Department considers excessive having regard to the extent to which the claimant (or, if the claimant is a member of a couple, the other member) is engaged in paid work, or
- (b) that is met or reimbursed by an employer or some other person or is covered by other relevant support.

(3) “Other relevant support” means payments out of funds provided by the Department in connection with the claimant’s participation in work-related activity or training.

(a) S.R.2016 No. 221.

Charges attributable to an assessment period

36.—(1) Charges paid for relevant childcare are attributable to an assessment period where those charges —

- (a) are paid in that assessment period for relevant childcare in respect of that assessment period, or
- (b) are paid in that assessment period for relevant childcare in respect of a previous assessment period, or
- (c) were paid in either of the two previous assessment periods for relevant childcare in respect of that assessment period.

(2) For the purposes of paragraph (1)(c), where a claimant pays charges for relevant childcare in advance, the amount which they have paid in respect of any assessment period is to be calculated as follows:

Step 1

Take the total amount of the advance payment (leaving out of account any amount referred to in regulation 35(2)).

Step 2

Apply the formula—

$$\left[\frac{PA}{D} \right] \times AP$$

Where—

PA is the amount resulting from Step 1,

D is the total number of days covered by the payment referred to in Step 1, and

AP is the number of days covered by the payment which also fall within the assessment period in question.

(3) In this regulation, reference to an assessment period in which charges are paid, or in respect of which charges are paid, includes any month preceding the commencement of the award that begins on the same day as each assessment period in relation to a claimant's current award.

Meaning of “relevant childcare”

37.—(1) “Relevant childcare” means any of the care described in paragraphs (2) and (3) and other than care excluded by paragraph (4) or (5).

(2) Care provided in Northern Ireland for a child—

- (a) by a person registered under Part XI of the Children (Northern Ireland) Order 1995,
- (b) out of school hours by a school as part of the school activities, or
- (c) by a childcare provider approved in accordance with a scheme under the Tax Credits (Approval of Home Child Care Providers) Scheme (Northern Ireland) 2006^(a).

(3) Care provided for a child outside Northern Ireland by a childcare provider approved by an organisation accredited by the Secretary of State.

(4) The following are not relevant childcare—

- (b) care provided by a person who is a foster parent of the child.

(a) S.R. 2006 No. 64

(5) Care is not within paragraph (2)(a) if it is provided in breach of a requirement to register under Part 2 of the Children (Northern Ireland) Order 1995.

(6) In this regulation—

“child” includes a qualifying young person specified in regulation 34(1)(b)(ii) (the childcare costs condition);

“school” means a school as defined by Article 2(2) of the Education and Libraries (Northern Ireland) Order 1986(a).

PART 5

CAPABILITY FOR WORK OR WORK-RELATED ACTIVITY

Limited capability for work

40.—(1) A claimant has limited capability for work if—

- (a) it has been determined that the claimant has limited capability for work on the basis of an assessment under this Part or under Part 4 of the ESA Regulations, or
- (b) the claimant is to be treated as having limited capability for work (see paragraph (6)).

(2) An assessment under this Part is an assessment as to the extent to which a claimant who has some specific disease or bodily or mental disablement is capable of performing the activities prescribed in Schedule 6 or is incapable by reason of such disease or bodily or mental disablement of performing those activities.

(3) A claimant has limited capability for work on the basis of an assessment under this Part if, by adding the points listed in column (3) of Schedule 6 against each descriptor listed in column (2) of that Schedule that applies in the claimant's case, the claimant obtains a total score of at least—

- (a) 15 points whether singly or by a combination of descriptors specified in Part 1 of that Schedule,
- (b) 15 points whether singly or by a combination of descriptors specified in Part 2 of that Schedule, or
- (c) 15 points by a combination of descriptors specified in Parts 1 and 2 of that Schedule.

(4) In assessing the extent of a claimant's capability to perform any activity listed in Schedule 6, it is a condition that the claimant's incapability to perform the activity arises—

- (a) in respect of any descriptor listed in Part 1 of that Schedule, from a specific bodily disease or disablement,
- (b) in respect of any descriptor listed in Part 2 of that Schedule, from a specific mental illness or disablement, or
- (c) in respect of any descriptor or descriptors listed in—
 - (i) Part 1 of that Schedule, as a direct result of treatment provided by a registered medical practitioner for a specific physical disease or disablement, or
 - (ii) Part 2 of that Schedule, as a direct result of treatment provided by a registered medical practitioner for a specific mental illness or disablement.

(5) Where more than one descriptor specified for an activity applies to a claimant, only the descriptor with the highest score in respect of each activity which applies is to be counted.

(6) Subject to paragraph (7) a claimant is to be treated as having limited capability for work if any of the circumstances set out in Schedule 8 applies.

(7) Where the circumstances set out in paragraph 4 or 5 of Schedule 8 apply, a claimant may only be treated as having limited capability for work if the claimant does not have limited capability for work as determined in accordance with an assessment under this Part.

Limited capability for work and work-related activity

41.—(1) A claimant has limited capability for work and work-related activity if—

- (a) it has been determined that—

- (i) the claimant has limited capability for work and work-related activity on the basis of an assessment under this Part, or
 - (ii) the claimant has limited capability for work-related activity on the basis of an assessment under Part 5 of the ESA Regulations, or
 - (b) the claimant is to be treated as having limited capability for work and work-related activity (see paragraph (5)).
- (2) A claimant has limited capability for work and work-related activity on the basis of an assessment under this Part if, by reason of the claimant's physical or mental condition—
- (a) at least one of the descriptors set out in Schedule 7 applies to the claimant,
 - (b) the claimant's capability for work and work-related activity is limited, and
 - (c) the limitation is such that it is not reasonable to require that claimant to undertake such activity.
- (3) In assessing the extent of a claimant's capability to perform any activity listed in Schedule 7, it is a condition that the claimant's incapability to perform the activity arises—
- (a) in respect of descriptors 1 to 8, 15(a), 15(b), 16(a) and 16(b)—
 - (i) from a specific bodily disease or disablement, or
 - (ii) as a direct result of treatment provided by a registered medical practitioner for a specific physical disease or disablement, or
 - (b) in respect of descriptors 9 to 14, 15(c), 15(d), 16(c) and 16(d)—
 - (i) from a specific mental illness or disablement, or
 - (ii) as a direct result of treatment provided by a registered medical practitioner for a specific mental illness or disablement.
- (4) A descriptor applies to a claimant if that descriptor applies to the claimant for the majority of the time or, as the case may be, on the majority of the occasions on which the claimant undertakes or attempts to undertake the activity described by that descriptor.
- (5) Subject to paragraph (6), a claimant is to be treated as having limited capability for work and work-related activity if any of the circumstances set out in Schedule 9 applies.
- (6) Where the circumstances set out in paragraph 4 of Schedule 9 apply, a claimant may only be treated as having limited capability for work and work-related activity if the claimant does not have limited capability for work and work-related activity as determined in accordance with an assessment under this Part.

Work Capability Assessment

When an assessment may be carried out

- 42.—**(1) The Department may carry out an assessment under this Part where—
- (a) it falls to be determined for the first time whether a claimant has limited capability for work or for work and work-related activity, or
 - (b) there has been a previous determination and the Department wishes to determine whether there has been a relevant change of circumstances in relation to the claimant's physical or mental condition or whether that determination was made in ignorance of, or was based on a mistake as to, some material fact,
- but subject to paragraphs (2) to (4).
- (2) If the claimant has monthly earnings that are equal to or exceed the relevant threshold, the Department may not carry out an assessment under this Part unless—
- (a) the claimant is entitled to attendance allowance, disability living allowance or personal independence payment, or

(b) the assessment is for the purposes of reviewing a previous determination that a claimant has limited capability for work or for work and work-related activity that was made on the basis of an assessment under this Part or under Part 4 or 5 of the ESA Regulations, and, in a case where no assessment may be carried out by virtue of this paragraph, the claimant is to be treated as not having limited capability for work unless they are treated as having limited capability for work or for work and work-related activity by virtue of regulation 40(6) or 41(5).

(3) The relevant threshold for the purposes of paragraph (2) is the amount that a person would be paid at the hourly rate set out in regulation 4 of the National Minimum Wage Regulations for 16 hours per week converted to a monthly amount by multiplying by 52 and dividing by 12.

(4) If it has previously been determined on the basis of an assessment under this Part or under Part 4 or 5 of the ESA Regulations that the claimant does not have limited capability for work, no further assessment is to be carried out unless there is evidence to suggest that—

- (a) the determination was made in ignorance of, or was based on a mistake as to, some material fact, or
- (b) there has been a relevant change of circumstances in relation to the claimant's physical or mental condition.

Assessment - supplementary

43.—(1) The following provisions apply to an assessment under this Part.

(2) The claimant is to be assessed as if the claimant were fitted with or wearing any prosthesis with which the claimant is normally fitted or normally wears or, as the case may be, wearing or using any aid or appliance which is normally, or could reasonably be expected to be, worn or used.

(3) If a descriptor applies in the case of the claimant as a direct result of treatment provided by a registered medical practitioner for a specific disease, illness or disablement, it is to be treated as applying by reason of the disease, illness or disablement.

Information requirement

44.—(1) The information required to determine whether a claimant has limited capability for work or for work and work-related activity is—

- (a) any information relating to the descriptors specified in Schedule 6 or 7 requested by the Department in the form of a questionnaire, and
- (b) any additional information that may be requested by it.

(2) Where the Department is satisfied that there is enough information to make the determination without the information mentioned in paragraph (1)(a), that information is not required.

(3) Where a claimant fails without a good reason to comply with a request under paragraph (1), the claimant is to be treated as not having limited capability for work or, as the case may be, for work and work-related activity.

(4) Paragraph (3) does not apply unless the claimant was sent a further request to provide the information, at least 3 weeks after the date of the first request and at least one week has passed since the further request was sent.

Medical examinations

45.—(1) Where it falls to be determined whether a claimant has limited capability for work or for work and work-related activity, the claimant may be called by or on behalf of a health care professional approved by the Department to attend a medical examination.

(2) Where a claimant who is called by or on behalf of such a health care professional to attend a medical examination fails without a good reason to attend or submit to the examination, the claimant is to be treated as not having limited capability for work or, as the case may be, for work and work-related activity.

- (3) Paragraph (2) does not apply unless—
- (a) notice of the date, time and place of the examination was given to the claimant at least 7 days in advance, or
 - (b) notice was given less than 7 days in advance and the claimant agreed to accept it.

PART 6
CALCULATION OF CAPITAL AND INCOME
CHAPTER 1
CAPITAL

What is included in capital?

46.—(1) The whole of a person’s capital is to be taken into account unless—

- (a) it is to be treated as income (see paragraphs (3) and (4)), or
- (b) it is to be disregarded (see regulation 48).

(2) A person’s personal possessions are not to be treated as capital.

(3) Subject to paragraph (4), any sums that are paid regularly and by reference to a period, for example payments under an annuity, are to be treated as income even if they would, apart from this provision, be regarded, as capital or as having a capital element.

(4) Where capital is payable by instalments, each payment of an instalment is to be treated as income if the amount outstanding, combined with any other capital of the person (and, if the person is a member of a couple the other member), exceeds £16,000, but otherwise such payments are to be treated as capital.

Jointly held capital

47. Where a person and one or more other persons have a beneficial interest in a capital asset, those persons are to be treated, in the absence of evidence to the contrary, as if they were each entitled to an equal share of the whole of that beneficial interest.

Capital disregarded

48.—(1) Any capital specified in Schedule 10 is to be disregarded from the calculation of a person’s capital (see also regulations 75 to 77).

(2) Where a period of 6 months is specified in that Schedule, that period may be extended by the Department where it is reasonable to do so in the circumstances of the case.

Valuation of capital

49.—(1) Capital is to be calculated at its current market value or surrender value less—

- (a) where there would be expenses attributable to sale, 10 percent, and
- (b) the amount of any encumbrances secured on it.

(2) The market value of a capital asset possessed by a person in a country outside the United Kingdom is—

- (a) if there is no prohibition in that country against the transfer of an amount equal to the value of that asset to the United Kingdom, the market value in that country, or
- (b) if there is such a prohibition, the amount it would raise if sold in the United Kingdom to a willing buyer.

(3) Where capital is held in currency other than sterling, it is to be calculated after the deduction of any banking charge or commission payable in converting that capital into sterling.

Notional capital

50.—(1) A person is to be treated as possessing capital of which the person has deprived themselves for the purpose of securing entitlement to universal credit or to an increased amount of universal credit.

(2) A person is not to be treated as depriving themselves of capital if the person disposes of it for the purposes of—

- (a) reducing or paying a debt owed by the person, or
- (b) purchasing goods or services if the expenditure was reasonable in the circumstances of the person's case.

(3) Where a person is treated as possessing capital in accordance with this regulation, then for each subsequent assessment period (or, in a case where the award has terminated, each subsequent month) the amount of capital the person is treated as possessing (“the notional capital”) reduces—

- (a) in a case where the notional capital exceeds £16,000, by the amount which the Department considers would be the amount of an award of universal credit that would be made to the person (assuming they met the conditions in Article 9 and 10 of the Order) if it were not for the notional capital, or
- (b) in a case where the notional capital exceeds £6,000 but not £16,000 (including where the notional capital has reduced to an amount equal to or less than £16,000 in accordance with sub-paragraph (a) by the amount of unearned income that the notional capital is treated as yielding under regulation 72.

CHAPTER 2

 - (i) employment under a contract of service or in an office, including elective office,
 - (ii) a trade, profession or vocation, or
 - (iii) any other paid work; or
- (b) any income treated as earned income in accordance with this Chapter.

Meaning of other terms relating to earned income

52.—(1) In this Chapter—

“employed earnings” has the meaning in regulation 55;

“gainful self-employment” has the meaning in regulation 65;

 in their capacity as a person affected or potentially affected by the exercise of those functions or the carer of such a person, or
 - (c) the carer of a person consulted under sub-paragraph (a) or (b).

Calculation of earned income – general principles

53.—(1) The calculation of a person’s earned income in respect of an assessment period is, unless otherwise provided in this Chapter, to be based on the actual amounts received in that period.

- (2) Where the Department—
- (a) makes a determination as to whether the financial conditions in Article 10 of the Order are met before the expiry of the first assessment period in relation to a claim for universal credit, or
 - (b) makes a determination as to the amount of a person’s unearned income in relation to an assessment period where a person has failed to report information in relation to that earned income,

that determination may be based on an estimate of the amounts received or expected to be received in that assessment period.

Surplus earnings

- 54.**—(1) This regulation applies in relation to a claim for universal credit where—
- (a) the claimant (or either of joint claimants) was entitled to an award of universal credit that terminated within the 6 months ending on the first day in respect of which the claim is made (“the old award”), and
 - (b) there were surplus earnings in the assessment period in which the old award terminated.
- (2) Where this regulation applies, the amount of any surplus earnings in a month—
- (a) that would have been an assessment period for the old award had it continued (including the month which is the assessment period in which the old award terminated), and
 - (b) is the last such month preceding the first assessment period for a new award,

is to be treated as earned income for the purposes of determining whether there is entitlement to a new award or, if there is entitlement to a new award, calculating the amount of the award.

(a) 1950 c. 29.

(3) Whether there are surplus earnings in the assessment period in which the old award terminated or in any of the subsequent 5 months that would have been assessment periods for the old award (had it continued), is to be determined as follows—

Assessment period in which the old award terminated

There are surplus earnings in the assessment period in which the old award terminated if the total earned income for that assessment period exceeds the relevant threshold (“the original surplus”).

Month 1

There are surplus earnings in the first month after the assessment period in which the old award terminated if the original surplus, combined with the total earned income for the month, exceeds the relevant threshold.

Month 2

There are surplus earnings in the second month after the assessment period in which the old award ended if the earned income for that month, including any surplus earnings from the previous month, exceeds the relevant threshold.

Months 3, 4 and 5

Surplus earnings for the third, fourth and fifth month are to be calculated in the same way as for the second month.

(4) For the purposes of paragraph (3)—

(a) where, in the case of a joint claim, there is an old award for each claimant because each claimant was previously entitled to universal credit as a single person or as a member of a different couple the surplus earnings are to be calculated separately in accordance with paragraph (3) as if the claimant were a single person and, if there is an amount of surplus earnings in relation to both old awards, both amounts are to be treated as earned income for the purposes of the new award, and

(b) if—

(i) a single claimant in relation to a new award was entitled to the old award as a joint claimant, or

(ii) either of the joint claimants in relation to a new award was entitled to the old award as a member of a different couple,

the original surplus is to be apportioned so that the amount to be attributed to the claimant bears the same proportion to the whole of the original surplus as the claimant’s earned income in the assessment period in which the old award terminated bears to the total earned income in that assessment period.

(5) A person is not to be treated as having earned income by virtue of this regulation if, at the time that person makes a claim for universal credit, he or she has recently been a victim of domestic violence (within the meaning of regulation 96).

(6) In this regulation—

“total earned income” is earned income of the claimant or, if the claimant is a member of a couple, the couple’s combined earned income, but does not include any amount a claimant would be treated as having by virtue of regulation 63 (the minimum income floor);

“the nil UC threshold” is the amount of total earned income above which there would be no entitlement to universal credit, expressed by the following formula—

$$(M - U) \times 100 + WA$$

Where—

M is the maximum amount of an award of universal credit^(a);

U is unearned income^(b);

WA is the work allowance^(c),

and, in determining those amounts in relation to the first and any subsequent months after the termination of the old award, the Department may make such assumptions as to the claimant's circumstances as it considers appropriate;

“the relevant threshold” is the nil UC threshold plus £300.

Employed earnings

55.—(1) This regulation applies for the purposes of calculating earned income from employment under a contract of service or in an office including elective office (“employed earnings”).

(2) Employed earnings comprise any amounts that are general earnings as defined in section 7(3) of the ITEPA but excluding—

- (a) amounts that are treated as earnings under Chapters 2 to 11 of Part 3 of that Act (employment income: earnings and benefit etc treated as income), and
- (b) amounts that are exempt from income tax under Part 4 of that Act (employment income: exemptions).

(3) In the calculation of employed earnings the following are to be disregarded—

- (a) expenses that are allowed to be deducted under Chapter 2 of Part 5 of the ITEPA (employment income: deductions allowed from earnings), and
- (b) expenses arising from participation as a service user (see regulation 52(2)).

(4) The following benefits are to be treated as employed earnings—

- (a) statutory sick pay;
- (b) statutory maternity pay;
- (c) statutory paternity pay;
- (d) statutory adoption pay; and
- (e) statutory shared parental pay.

(5) A repayment of income tax or national insurance contributions received by a claimant from HMRC in respect of a tax year in which the person was in paid work is to be treated as employed earnings unless it is taken into account as self-employed earnings under regulation 57(3).

(6) In calculating the amount of a person's employed earnings in respect of an assessment period, there are to be deducted from the amount of general earnings or benefits specified in paragraphs (2) to (4)—

- (a) any relievable pension contributions made by the person in that period,
- (b) any amounts paid by the person in that period in respect of the employment by way of income tax or primary Class 1 contributions under section 6(1) of the Contributions and Benefits Act, and
- (c) any sums withheld as donations to an approved scheme under Part 12 of the ITEPA (payroll giving) by a person required to make deductions or repayments of income tax under the PAYE Regulations.

(a) The maximum amount of an award of universal credit is determined by Article 13(2) of the Welfare Reform (Northern Ireland) Order 2015.

(b) For the meaning of “unearned income” see Chapter 3 of Part 6.

(c) For the meaning of “work allowance” see Regulation 23.

(7) Employed earnings also comprise any payment made under the legislation of, or under any scheme operating in, the Republic of Ireland which is analogous to any income to which paragraph (2) relates.

Employee involved in trade dispute

56. A person who has had employed earnings and has withdrawn their labour in furtherance of a trade dispute is, unless their contract of service has been terminated, to be assumed to have employed earnings at the same level as he would have had were it not for the trade dispute.

Self-employed earnings — treatment of losses

57.—(1) This regulation applies for the purpose of calculating earned income that is not employed earnings and is derived from carrying on a trade, profession or vocation (“self employed earnings”).

(2) A person’s self-employed earnings in respect of an assessment period are to be calculated as follows—

Step 1

Calculate the amount of the person’s profit or loss in respect of each trade, profession or vocation carried on by the person by—

- (a) taking the actual receipts in that assessment period, and
- (b) deducting any amounts allowed as expenses under regulation 59 or 60.

Where a trade, profession or vocation is carried on in a partnership, take the amount of the profit or loss attributable to the person’s share in the partnership.

Step 2

If the person has carried on more than one trade, profession or vocation in the assessment period, add together the amounts resulting from step 1 in respect of each trade, profession or vocation.

Step 3

Deduct from the amount resulting from step 1 or (if applicable) step 2 any payment made by the person to HMRC in the assessment period in respect of—

- (c) Class 2 contributions under section 11(2), (6) or (8) of the Contributions and Benefits Act or Class 4 contributions under section 15 of that Act, or
- (d) income tax incurred by virtue of carrying on a trade, profession or vocation.

If the amount resulting from steps 1 to 3 is nil or a negative amount, the amount of the person’s self-employed earnings in respect of the assessment period is nil (and ignore the following steps).

Step 4

If the amount resulting from step 3 is greater than nil, deduct from that amount any relievable pension contributions made by the person in the assessment period (unless a deduction has been made in respect of those contributions in calculating the person’s employed earnings).

If the amount resulting from this step is nil or a negative amount, the person’s self-employed earnings in respect of the assessment period are nil (and ignore the following step).

Step 5

If the amount resulting from step 4 is greater than nil, deduct from that amount any unused losses (see regulation 58), taking the oldest first.

If the amount resulting from this step is greater than nil, that is the amount of the person’s self-employed earnings for the assessment period.

If the amount resulting from this step is nil or a negative amount, the amount of the person’s self-employed earnings in respect of the assessment period is nil.

(3) The receipts referred to in paragraph (2) include receipts in kind and any refund or repayment of income tax, value added tax or national insurance contributions relating to the trade, profession or vocation.

(4) Where the purchase of an asset has been deducted as an expense in any assessment period and, in a subsequent assessment period, the asset is sold or ceases to be used for the purposes of a trade, profession or vocation carried on by the person, the proceeds of sale (or, as the case may be, the amount that would be received for the asset if it were sold at its current market value) are to be treated as a receipt in that subsequent assessment period.

(5) Where the person is a self-employed earner in the Republic of Ireland the amounts to be deducted for income tax and National Insurance contributions under this regulation shall be such amounts as, in the opinion of the Department, would have been deducted had that person been employed in Northern Ireland.

Unused losses

58.—(1) For the purpose of regulation 57(2), a person has an unused loss if—

- (a) in calculating the person's self-employed earnings for any of the previous 11 assessment periods, the amount resulting from steps 1 to 3 in regulation 57(2) was a negative amount (a "loss"), and
- (b) the loss has not been extinguished in a subsequent assessment period.

(2) For the purposes of paragraph (1)(b) a loss is extinguished if no amount of that loss remains after it has been deducted at step 5 in regulation 57(2).

(3) Where a person was entitled to a previous award of universal credit and the last day of entitlement in respect of that award fell within the 6 months preceding the first day of entitlement in respect of the new award, the Department may, for the purposes of this regulation (provided the person provides such information as it requires), treat the assessment periods under the previous award and any months between that award and the current award as assessment periods under the current award.

Permitted expenses

59.—(1) The deductions allowed in the calculation of self-employed earnings are amounts paid in the assessment period in respect of—

- (a) expenses that have been wholly and exclusively incurred for purposes of the trade, profession or vocation, or
- (b) in the case of expenses that have been incurred for more than one purpose, an identifiable part or proportion that has been wholly and exclusively incurred for the purposes of the trade, profession or vocation,

excluding any expenses that were incurred unreasonably.

(2) Payments deducted under paragraph (1) may include value added tax.

(3) No deduction may be made for payments in respect of—

- (a) expenditure on non-depreciating assets (including property, shares or other assets held for investment purposes);
- (b) repayment of capital in relation to a loan taken out for the purposes of the trade, profession or vocation;
- (c) expenses for business entertainment.

(4) A deduction for a payment of interest in relation to a loan taken out for the purposes of the trade, profession or vocation may not exceed £41.

(5) This regulation is subject to regulation 60.

Flat rate deductions for mileage and use of home and adjustment for personal use of business premises

60.—(1) This regulation provides for alternatives to the deductions that would otherwise be allowed under regulation 59.

(2) Instead of a deduction in respect of the actual expenses incurred in relation to the acquisition or use of a motor vehicle, the following deductions are to be allowed according to the mileage covered on journeys undertaken in the assessment period for the purposes of the trade, profession or vocation—

- (a) in a car, van or other motor vehicle (apart from a motorcycle), 45 pence per mile for the first 833 miles and 25 pence per mile thereafter, and
- (b) on a motorcycle, 24 pence per mile,

and, if the motor vehicle is a car, the only deduction allowed for the acquisition or use of that vehicle is a deduction under this paragraph.

(3) Where a person carrying on a trade, profession or vocation incurs expenses in relation to the use of accommodation occupied as their home, instead of a deduction in respect of the actual expenses, a deduction is allowed according to the number of hours spent in the assessment period on income generating activities related to the trade, profession or vocation as follows—

- (a) at least 25 hours but no more than 50 hours, £10;
- (b) more than 50 hours but no more than 100 hours, £18;
- (c) more than 100 hours, £26.

(4) Where premises which are used by a person mainly for the purposes of a trade, profession or vocation are also occupied by that person for his personal use, whether alone or with other persons, the deduction allowed for expenses in relation to those premises is the amount that would be allowed under regulation 59(1) if the premises were used wholly and exclusively for purposes of the trade, profession or vocation, but reduced by the following amount according to the number of persons occupying the premises for his personal use—

- (a) £350 for one person;
- (b) £500 for 2 persons;
- (c) £650 for 3 or more persons.

Notional earned income

61.—(1) A person who has deprived himself of earned income, or whose employer has arranged for them to be so deprived, for the purpose of securing entitlement to universal credit or to an increased amount of universal credit is to be treated as possessing that earned income.

(2) Such a purpose is to be treated as existing if, in fact, entitlement or higher entitlement to universal credit did result and, in the opinion of the Department, this was a foreseeable and intended consequence of the deprivation.

(3) If a person provides services for another person and—

- (a) the other person makes no payment for those services or pays less than would be paid for comparable services in the same location, and
- (b) the means of the other person were sufficient to pay for, or pay more for, those services,

the person who provides the services is to be treated as having received the remuneration that would be reasonable for the provision of those services.

(4) Paragraph (3) does not apply where—

- (a) the person is engaged to provide the services by a charitable or voluntary organisation and the Department is satisfied that it is reasonable to provide the services free of charge or at less than the rate that would be paid for comparable services in the same location;
- (b) the services are provided by a person who is participating as a service user (see regulation 52(2)), or

- (c) the services are provided under or in connection with a person's participation in an employment or training programme approved by the Department for Employment and Learning.

Information for calculating earned income- real time information etc

62.—(1) Unless paragraph (2) applies, a person must provide such information for the purposes of calculating their earned income at such times as the Department may require.

(2) Where a person is, or has been, engaged in an employment in respect of which their employer is a Real Time Information employer—

- (a) the amount of the person's employed earnings from that employment for each assessment period is to be based on the information which is reported to HMRC under the PAYE Regulations and is received by the Department from HMRC in that assessment period,^(a) and
- (b) for an assessment period in which no information is received from HMRC, the amount of employed earnings in relation to that employment is to be taken to be nil.

(3) The Department may determine that paragraph (2) does not apply in respect of —

- (a) a particular employment, where it considers that the information from the employer is unlikely to be sufficiently accurate or timely, or
- (b) a particular assessment period where—
 - (i) no information is received from HMRC and the Department considers that this is likely to be because of a failure to report information (which includes the failure of a computer system operated by HMRC, the employer or any other person), or
 - (ii) where the Department considers that the information received from HMRC is incorrect or fails to reflect the definition of employed earnings in regulation 55, in some material respect.

(4) Where the Department determines that paragraph (2) does not apply, it must make a decision as to the amount of the person's employed earnings for the assessment period in accordance with regulation 55 (employed earnings) using such information or evidence as it thinks fit.

(5) When the Department makes a decision in accordance with paragraph (4) it may—

- (a) treat a payment of employed earnings received by the person in one assessment period as received in a later assessment period (for example where the Department has received information in that later period or would, if paragraph (2) applied, have expected to receive information about that payment from HMRC in that later period), or
- (b) where a payment of employed earnings has been taken into account in that decision, disregard information about the same payment which is received from HMRC.

(6) Paragraph (5) also applies where the Department makes a decision under regulation 41(3) of the Universal Credit, Personal Independence Payment, Jobseeker's Allowance and Employment and Support Allowance (Decisions and Appeals) Regulations 2016 in a case where the person disputes the information provided by HMRC.

(7) In this regulation "Real Time Information Employer" has the meaning in regulation 2A(1) of the PAYE Regulations^(b)

(a) See also regulation 41(1) of the Universal Credit, Personal Independence Payment, Jobseeker's Allowance and Employment and Support Allowance (Decision and Appeals) Regulations (Northern Ireland) 2016 which provides for an alteration in the amount of employed earnings based on information from HMRC to be prescribed for the purposes of section 139D(1)(b)(vi) of the Social Security Administration Act 1992. The effect of this is that the award may be adjusted without a decision by the Secretary of State (subject to the person having the right to request a decision by the Secretary of State where they dispute the information provided by HMRC).

(b) Regulation 2A was inserted by regulation 4 of S.I. 2012/822.

Gainful self-employment

Minimum income floor

63.—(1) This regulation applies to a claimant who—

- (a) is in gainful self-employment (see regulation 65), and
- (b) would apart from this regulation, fall within Article 27 of the Order (claimants subject to all work related requirements).

(2) Where this regulation applies to a single claimant, for any assessment period in respect of which the claimant's earned income is less than their individual threshold, the claimant is to be treated as having earned income equal to that threshold.

(3) Where this regulation applies to a claimant who is a member of a couple, for any assessment period in respect of which—

- (a) the claimant's earned income is less than their individual threshold, and
- (b) the couple's combined earned income is less than the couple threshold,

the claimant is to be treated as having earned income equal to their individual threshold minus any amount by which that amount of earned income combined with their partner's earned income would exceed the couple threshold.

(4) In this regulation references to the claimant's individual threshold and to the couple threshold are to the amounts set out in regulation 89(2) and 89(3) respectively, converted to net amounts by deducting such amount for income tax and national insurance contributions as the Department considers appropriate.

(5) Where this regulation applies in respect of an assessment period in which surplus earnings are treated as an amount of earned income under regulation 54 (surplus earnings), that amount is to be added to the claimant's earned income before this regulation is applied and, in the case of joint claimants, it is to be added to the earned income of either member of the couple so as to produce the lowest possible amount of combined earned income after this regulation is applied.

(6) An assessment period referred to in this regulation does not include an assessment period which falls wholly within a start-up period or begins or ends in a start-up period.

Start-up period

64.—(1) A "start-up period" is a period of 12 months and applies from the beginning of the assessment period in which the Department determines that a claimant is in gainful self-employment where—

- (a) the claimant has begun to carry on the trade, profession or vocation which is their main employment in the 12 months preceding the beginning of that assessment period, and
- (b) the claimant is taking active steps to increase their earnings from that employment to the level of the claimant's individual threshold (see regulation 89).

(2) No start-up period may apply in relation to a claimant where a start-up period has previously applied in relation to that claimant, whether in relation to the current award or any previous award of universal credit, unless that previous start-up period—

- (a) began more than 5 years before the beginning of the assessment period referred to in paragraph (1), and
- (b) applied in relation to a different trade, profession or vocation which the claimant has ceased to carry on.

(3) The Department may terminate a start-up period at any time if the person is no longer in gainful self-employment or is no longer taking the steps referred to in paragraph (1)(b).

Meaning of “gainful self-employment”

65. A claimant is in gainful self-employment for the purposes of regulations 63 and 64 where the Department has determined that—

- (a) the claimant is carrying on a trade, profession or vocation as their main employment,
- (b) their earnings from that trade, profession or vocation are self-employed earnings, and
- (c) the trade, profession or vocation is organised, developed, regular and carried on in expectation of profit.

CHAPTER 3

Person treated as having student income

68.—(1) A person who is undertaking a course of education, study or training (see regulation 13) and has a student loan or a grant in respect of that course, is to be treated as having student income in respect of—

- (a) an assessment period in which the course begins;
- (b) in the case of a course which lasts for 2 or more years, an assessment period in which the second or subsequent year begins;

(2) Where a person has a student loan, the student income for any assessment period referred to in paragraph (1) is to be based on the amount of that loan.

(3) Where paragraph (2) applies, any grant in relation to the period to which the loan applies is to be disregarded except for—

(b) S.R. 2003 No. 28; regulation 16 was amended by regulation 6(4) of S.R. 2004 No. 394 and regulation 2(3) of S.R. 2005 No. 513.

- (b) any amount intended for the maintenance of another person in respect of whom an amount is included in the award.

- (5) A person is to be treated as having a student loan where the person could acquire such a loan by taking reasonable steps to do so.

Calculation of student income - student loans

- 69.**—(1) Where, in accordance with regulation 68(2) a person's student income is to be based on the amount of a student loan for a year the amount to be taken into account is the maximum student loan (including any increases for additional weeks) that the person would be able to acquire in respect of that year by taking reasonable steps to do so.
- (2) For the purposes of calculating the maximum student loan in paragraph (1) it is to be assumed no reduction has been made on account of—
- (a) the person's means or the means of their partner, parent or any other person; or
- (b) any grant made to the person.

Calculation of student income - grants

- 70.**—(1) Where, in accordance with regulation 68(4), a person's student income is to be based on the amount of a grant, the amount to be taken into account is the whole of the grant excluding any payment—
- (a) intended to meet tuition fees or examination fees,

- (h) intended to meet childcare costs.

Calculation of student income – amount for an assessment period

71. The amount of a person's student income in relation to each assessment period in which the person is to be treated as having student income in accordance with regulation 68(1) is calculated as follows—

Step 1

Determine whichever of the following amounts is applicable—

- (a) if regulation 68(2) applies (person with a student loan) the amount of the loan (and, if applicable, the amount of any grant) in relation to the year of the course in which the assessment period falls, or
- (b) if regulation 68(4) applies (person with a grant but no student loan) the amount of the grant in relation to the year of the course in which the assessment period falls.

If the period of the course is less than a year determine the amount of the grant or loan in relation to the course.

Step 2

Determine in relation to—

- (c) the year of the course in which the assessment period falls, or
- (d) if the period of the course is less than a year, the period of the course,

the number of assessment periods for which the person is to be treated as having student income under regulation 68(1).

Step 3

Divide the amount produced by step 1 by the number of assessment periods produced by step 2.

Step 4

Deduct £110.

General

Assumed yield from capital

72.—(1) A person's capital is to be treated as yielding a monthly income of £4.35 for each £250 in excess of £6,000 and £4.35 for any excess which is not a complete £250.

(2) Paragraph (1) does not apply where the capital is disregarded or the actual income from that capital is taken into account under regulation 66(1)(i) (income from an annuity) or (j) (income from a trust).

(3) Where a person's capital is treated as yielding income, any actual income derived from that capital, is to be treated as part of the person's capital from the day it is due to be paid to the person.

Unearned income calculated monthly

73.—(1) A person's unearned income is to be calculated as a monthly amount.

(2) Where the period in respect of which a payment of income is made is not a month, an amount is to be calculated as the monthly equivalent—

- (a) weekly payments are multiplied by 52 and divided by 12,
- (b) four-weekly payments are multiplied by 13 and divided by 12,
- (c) three-monthly payments are multiplied by 4 and divided by 12, and
- (d) annual payments are divided by 12.

(3) Where the period in respect of which unearned income is paid begins or ends during an assessment period the amount of unearned income for that assessment period is to be calculated as follows:

$$N \times \left[\frac{M \times 12}{365} \right]$$

Where N is the number of days of which unearned income is paid that fall within the assessment period and M the monthly amount referred to in paragraph (1) or, as the case may be the monthly equivalent referred to in paragraph (2).

(4) Where the amount of a person's unearned income fluctuates, the monthly equivalent is to be calculated—

- (a) where there is an identifiable cycle, over the duration of one such cycle, or
- (b) where there is no identifiable cycle, over 3 months or such other period as may, in the particular case, enable the monthly equivalent of the person's income to be determined more accurately.

(5) This regulation does not apply to student income.

Notional unearned income

74.—(1) If unearned income would be available to a person upon the making of an application for it, the person is to be treated as having that unearned income.

(2) Paragraph (1) does not apply to the benefits listed in regulation 66(1)(b).

(3) A person who has reached the qualifying age for state pension credit is to be treated as possessing the amount of any retirement pension income for which no application has been made and to which the person might expect to be entitled if a claim were made.

(4) The circumstances in which a person is to be treated as possessing retirement pension income for the purposes of universal credit are the same as the circumstances set out in regulation 18 of the State Pension Credit Regulations (Northern Ireland) 2003(a) in which a person is treated as receiving retirement pension income for the purposes of state pension credit.

CHAPTER 4

MISCELLANEOUS

Compensation for personal injury

75.—(1) This regulation applies where a sum has been awarded to a person, or has been agreed by or on behalf of a person, in consequence of a personal injury to that person.

(2) The reference period for the purposes of the benefit cap is the assessment period for an award of universal credit.

(3) The “relevant amount” is—

- (a) £2167 for joint claimants or a single claimant who is responsible for a child or qualifying young person, or

CHAPTER 1

Introductory

Definition of carer

84. In this Chapter—

“relevant carer” means—

- (a) a parent of a child who is not the responsible carer, but has caring responsibilities for the child, or
- (b) a person who has caring responsibilities for a person who has a physical or mental impairment; and

“responsible foster parent” in relation to a child means a person who is the only foster parent in relation to that child or, in the case of a couple both members of which are foster parents in relation to that child, the member who is nominated by them in accordance with regulation 85.

Nomination of responsible carer and responsible foster parent

85.—(1) This regulation makes provision for the nomination of the responsible carer or the responsible foster parent in relation to a child.

(2) Only one of joint claimants may be nominated as a responsible carer or a responsible foster parent.

(3) The nomination applies to all the children, where there is more than one, for whom either of the joint claimants is responsible.

(4) Joint claimants may change which member is nominated—

- (a) once in a 12 month period, starting from the date of the previous nomination, or
- (b) on any occasion where the Department considers that there has been a change of circumstances which is relevant to the nomination.

References to paid work

86. References in this Chapter to obtaining paid work include obtaining more paid work or better paid work.

Expected hours

87.—(1) The “expected number of hours per week” in relation to a claimant for the purposes of determining their individual threshold in regulation 89 or for the purposes of regulation 93 or 95 is 35 unless some lesser number of hours applies under paragraph (2).

(2) The lesser number of hours is—

- (a) where—
 - (i) the claimant is a relevant carer, a responsible carer or a responsible foster parent, and

- (ii) the Department is satisfied that the claimant has reasonable prospects of obtaining paid work,
the number of hours that the Department considers is compatible with those caring responsibilities;
- (b) where the claimant is a responsible carer for a child under the age of 13, the number of hours that the Department considers is compatible with the child’s normal school hours (including the normal time it takes the child to travel to and from school), or
- (c) where the claimant has a physical or mental impairment, the number of hours that the Department considers is reasonable in light of the impairment.

Work-related groups

- (a) the claimant has reached the qualifying age for state pension credit;
- (b) the claimant has caring responsibilities for one or more severely disabled persons for at least 35 hours a week but does not meet the conditions for entitlement to a carer’s allowance and the Department is satisfied that it would be unreasonable to require the claimant to comply with a work search requirement and a work availability requirement, including if such a requirement were limited in accordance with Article 22(4) or 23(3) of the Order,
- (c) the claimant is pregnant and it is 11 weeks or less before her expected week of confinement or was pregnant and it is 15 weeks or less since the date of her confinement,
- (d) the claimant is an adopter and it is 12 months or less since—

(2) In paragraph (1)(b) “severely disabled” has the meaning in section 70 of the Contributions and Benefits Act.

(3) In paragraph (1)(d)—

- (b) a person is matched with a child for adoption when it is decided by an adoption agency that the person would be a suitable adoptive parent for the child.

Claimants subject to no work-related requirements - the earnings thresholds

89.—(1) A claimant falls within Article 24 of the Order (claimants subject to no work-related requirements) if the claimant’s monthly earnings are equal to or exceed the claimant’s individual threshold.

(2) A claimant's individual threshold is the amount that a person of the same age as the claimant would be paid at the hourly rate applicable under regulation 4 or regulation 4A(1)(a) to (c) (workers who qualify for the national minimum wage at a different rate) of the National Minimum Wage Regulations for—

- (a) 16 hours per week, in the case of a claimant who would otherwise fall within Article 25 (claimants subject to work-focused interview requirement only) or 26 (claimants subject to work preparation requirement) of the Order, or
- (b) the expected number of hours per week in the case of a claimant who would otherwise fall within Article 27 of the Order (claimants subject to all work-related requirements),

converted to a monthly amount by multiplying by 52 and dividing by 12.

(3) A claimant who is a member of a couple falls within Article 24 of the Order if the couple's combined monthly earnings are equal to or exceed whichever of the following amounts is applicable—

- (a) in the case of joint claimants, the sum of their individual thresholds, or
- (b) in the case of a claimant who claims universal credit as a single person, by virtue of regulation 3(2) (couples) the sum of—

(4) A claimant falls within Article 24 of the Order (claimants subject to no work-related requirements) if the claimant is employed under a contract of apprenticeship and has monthly earnings that are equal to or exceed the amount the claimant would be paid for—

- (a) 30 hours a week, or
- (b) if less, the expected number of hours per week for that claimant,

at the rate specified in regulation 4A(a)(d) of the National Minimum Wage Regulations, converted to a monthly amount by multiplying by 52 and dividing by 12.

(5) A claimant falls within Article 24 of the Order if the claimant is treated as having earned income in accordance with regulation 63 (minimum income floor) .

(6) A person's monthly earnings are—

- (a) the person's earned income calculated or estimated in relation to the current assessment period before any deduction for income tax, national insurance contributions or relievable pension contributions, or
- (b) in a case where the person's earned income fluctuates (or is likely to fluctuate) the amount of that income calculated or estimated before any deduction for income tax, national insurance contributions or relievable pension contributions, taken as a monthly average—
 - (i) where there is an identifiable cycle, over the duration of one such cycle, or
 - (ii) where there is no identifiable cycle, over 3 months or such other period as may, in the particular case, enable the monthly average to be determined more accurately.

and the Department may, in order to enable monthly earnings to be determined more accurately, disregard earned income received in respect of an employment which has ceased.

Claimants subject to work-focused interview requirement only

90.—(1) For the purposes of Article 25(1)(a) of the Order (claimant is the responsible carer for a child aged at least one and under a prescribed age) the prescribed age is 5.

(2) A claimant falls within Article 25 of the Order if—

- (a) the claimant is the responsible foster parent in relation to a child aged at least one,

- (b) the claimant is the responsible foster parent in relation to a qualifying young person, and the Department is satisfied that the qualifying young person has care needs which make it unreasonable to require the claimant to comply with a work search requirement or a work availability requirement, including if such a requirement were limited in accordance with Article 22(4) or 23(3) of the Order,
- (c) the claimant is a foster parent, but not the responsible foster parent, in relation to a child or qualifying young person, and the Department is satisfied that the child or qualifying young person has care needs which would make it unreasonable to require the claimant to comply with a work search requirement or a work availability requirement, including if such a requirement were limited in accordance with Article 22(4) or 23(3) of the Order,
- (d) the claimant has fallen within sub-paragraph (a), (b) or (c) within the past 8 weeks and has no child or qualifying young person currently placed with them, but expects to resume being a foster parent, or
- (e) the claimant has become a friend or family carer in relation to a child within the past 12 months and is also the responsible carer in relation to that child.

(3) In paragraph (2)(e) “friend or family carer” means a person who is responsible for a child, but is not the child’s parent or step-parent, and has undertaken the care of the child in the following circumstances—

- (a) the child has no parent or has parents who are unable to care for the child, or
- (b) it is likely that the child would otherwise be looked after by an authority because of concerns in relation to the child’s welfare.

The work-related requirements

Purposes of a work-focused interview

91. The purposes of a work-focused interview are any or all of the following—

- (a) assessing the claimant’s prospects for remaining in or obtaining paid work;
- (b) assisting or encouraging the claimant to remain in or obtain paid work;
- (c) identifying activities that the claimant may undertake that will make remaining in or obtaining paid work more likely;
- (d) identifying training, educational or rehabilitation opportunities for the claimant which may make it more likely that the claimant will remain in or obtain paid work or be able to do so;
- (e) identifying current or future work opportunities for the claimant that are relevant to the claimant’s needs and abilities;
- (f) ascertaining whether a claimant is in gainful self-employment or meets the conditions in regulation 64 (start-up period).

Work search requirement - interviews

92. A claimant is to be treated as not having complied with a work search requirement to apply for a particular vacancy for paid work where the claimant fails to participate in an interview offered to the claimant in connection with the vacancy.

Work search requirement - all reasonable action

93.—(1) A claimant is to be treated as not having complied with a work search requirement to take all reasonable action for the purpose of obtaining paid work in any week unless—

- (a) either—

- (i) the time which the claimant spends taking action for the purpose of obtaining paid work is at least the claimant's expected number of hours per week minus any relevant deductions, or
 - (ii) the Department is satisfied that the claimant has taken all reasonable action for the purpose of obtaining paid work despite the number of hours that the claimant spends taking such action being lower than the expected number of hours per week; and
- (b) that action gives the claimant the best prospects of obtaining work.
- (2) In this regulation "relevant deductions" means the total of any time agreed by the Department—
- (a) for the claimant to carry out paid work, voluntary work, a work preparation requirement, or voluntary work preparation, in that week; or
 - (b) for the claimant to deal with temporary childcare responsibilities, a domestic emergency, funeral arrangements or other temporary circumstances.
- (3) For the purpose of paragraph (2)(a) the time agreed by the Department for the claimant to carry out voluntary work must not exceed 50 percent of the claimant's expected number of hours per week.
- (4) "Voluntary work preparation" means particular action taken by a claimant and agreed by the Department for the purpose of making it more likely that the claimant will obtain paid work, but which is not specified by it as a work preparation requirement under Article 21 of the Order.

Work availability requirement - able and willing immediately to take up paid work

94.—(1) Subject to paragraph (2) a claimant is to be treated as not having complied with a work availability requirement if the claimant is not able and willing immediately to attend an interview offered to the claimant in connection with obtaining paid work.

(2) A claimant is to be treated as having complied with a work availability requirement despite not being able immediately to take up paid work, if paragraph (3), (4) or (5) applies.

(3) This paragraph applies where—

- (a) a claimant is a responsible carer or a relevant carer,
- (b) the Department is satisfied that, as a consequence the claimant needs a longer period of up to one month to take up paid work, or up to 48 hours to attend an interview in connection with obtaining work, taking into account alternative care arrangements, and
- (c) the claimant is able and willing to take up paid work, or attend an interview, on being given notice for that period.

(4) This paragraph applies where—

- (a) a claimant is carrying out voluntary work,
- (b) the Department is satisfied that, as a consequence, the claimant needs a longer period of up to one week to take up paid work, or up to 48 hours to attend an interview in connection with obtaining work, and
- (c) the claimant is able and willing to take up paid work, or attend an interview, on being given notice for that period.

(5) This paragraph applies where a claimant—

95.—(1) Paragraphs (2) to (5) set out the limitations on a work search requirement and a work availability requirement.

(2) In the case of a claimant who is a relevant carer or a responsible carer or who has a physical or mental impairment, a work search and work availability requirement must be limited to the number of hours that is determined to be the claimant's expected number of hours per week in accordance with regulation 87.

(3) A work search and work availability requirement must be limited to work that is in a location which would normally take the claimant—

- (a) a maximum of 90 minutes to travel from home to the location, and
- (b) a maximum of 90 minutes to travel from the location to home.

(4) Where a claimant has previously carried out work of a particular nature, or at a particular level of remuneration, a work search requirement and a work availability requirement must be limited to work of a similar nature, or level of remuneration, for such period as the Department considers appropriate; but only if it is satisfied that the claimant will have reasonable prospects of obtaining paid work in spite of such limitation.

(5) The limitation in paragraph (4) is to apply for no more than 3 months beginning with—

- (a) the date of claim, or
- (b) if later, the date on which the claimant ceases paid work after falling within Article 24 of the Order by virtue of regulation 89 (claimants subject to no work-related requirements - the earnings thresholds).

Victims of domestic violence

96.—(1) Where a claimant has recently been a victim of domestic violence, and the circumstances set out in paragraph (4) apply—

- (a) a work-related requirement imposed on that claimant ceases to have effect for a period of 13 consecutive weeks starting on the date of the notification referred to in paragraph (4)(a), and
- (b) the Department must not impose any other work-related requirement on that claimant during that period.

(2) Where a claimant referred to in paragraph (1) is a person who falls within Article 27 of the Order (claimants subject to all work-related requirements) and is the responsible carer of a child, the Department must not impose a work search requirement or a work availability requirement on that claimant for a further period of 13 consecutive weeks beginning on the day after the period in paragraph (1)(a) expires.

(3) A person has recently been a victim of domestic violence if a period of 6 months has not expired since the violence was inflicted or threatened.

(4) The circumstances are that—

CHAPTER 2

SANCTIONS

Reduction periods

General principles for calculating reduction periods

98.—(1) The number of days for which a reduction in the amount of an award is to have effect (“the reduction period”) is to be determined in relation to each sanctionable failure in accordance with regulations 99 to 102, subject to paragraphs (3) and (4).

(2) Reduction periods are to run consecutively.

(3) If the reduction period calculated in relation to a sanctionable failure in accordance with regulations 100 to 102 would result in the total outstanding reduction period exceeding 546 days, the reduction period in relation to that failure is to be adjusted so that the total outstanding reduction period does not exceed 546 days.

(4) In determining the reduction period in relation to a sanctionable failure, a previous sanctionable failure is disregarded if it occurred in the 13 days immediately preceding the failure in question.

(5) In paragraph (3) “the total outstanding reduction period” is the total number of days for which no reduction in an award under Article 31 (higher-level sanctions) or 32 (other sanctions) of the Order has yet been applied.

Higher-level sanctions

99.—(1) This regulation specifies the reduction period for a sanctionable failure under Article 31 of the Order (higher-level sanctions).

(2) Where the sanctionable failure is not a pre-claim failure, the reduction period is—

- (a) where the claimant is aged 18 or over on the date of the sanctionable failure—
 - (i) 91 days, if paragraphs (ii) and (iii) do not apply,
 - (ii) 182 days, if there was another sanctionable failure giving rise to a higher-level sanction in the 364 days preceding the failure in question for which a 91 day reduction period applies, or
 - (iii) 546 days, if there was another sanctionable failure giving rise to a higher-level sanction in that period of 364 days for which a 182 day or 546 day reduction period applies, or

where the claimant is aged 16 or 17 on the date of the sanctionable failure—

- (i) 14 days, if paragraph (ii) does not apply, or

(a) S.R.1996 No. 198.

(b) 1992 c. 53.

- (ii) 28 days, if there was another sanctionable failure giving rise to a higher-level sanction in the 364 days preceding the failure in question for which a 14 day or 28 day reduction period applies.

(3) Where the other sanctionable failure referred to in paragraph (2) was a “pre-claim failure” it is disregarded in determining the reduction period in accordance with that paragraph.

(4) Where the sanctionable failure for which a reduction period is to be determined is a pre-claim failure, the period is the lesser of—

- (a) the period that would be applicable to the claimant under paragraph (2) if it were not a pre-claim failure, or
- (b) where the sanctionable failure relates to paid work that was due to last for a limited period, the period beginning with the day after the date of the sanctionable failure and ending with the date on which the limited period would have ended,

minus the number of days beginning with the day after the date of the sanctionable failure and ending on the day before the date of claim.

(5) In this regulation, “pre-claim failure” means a failure sanctionable under section 31(4) of the Order.

Medium-level sanction

100.—(1) This regulation specifies the reduction period for a sanctionable failure under Article 32 of the Order (other sanctions) where it is a failure by the claimant to comply with—

- (a) a work search requirement under Article 22(1)(a) (to take all reasonable action to obtain paid work etc.), or
- (b) a work availability requirement under Article 23(1).

(2) The reduction period is—

- (a) where the claimant is aged 18 or over on the date of the sanctionable failure—
 - (i) 28 days, if paragraph (ii) doesn’t apply, or
 - (ii) 91 days, if there was another sanctionable failure of a kind mentioned in paragraph (1) in the 364 days preceding the failure in question for which a 28 day or 91 day reduction period applies, or
- (b) where the claimant is aged 16 or 17 on the date of the sanctionable failure—
 - (i) 7 days, if paragraph (ii) doesn’t apply, or
 - (ii) 14 days, if there was another sanctionable failure of a kind mentioned in paragraph (1) in the 364 days preceding the failure in question, for which a 7 day or 14 day reduction period applies.

Low-level sanction

101.—(1) This regulation specifies the reduction period for a sanctionable failure under Article 32 of the Order (other sanctions) where—

- (a) the claimant falls within Article 26 (claimants subject to work preparation requirement) or 27 (claimants subject to all work-related requirements) of the Order on the date of that failure; and
- (b) it is a failure to comply with—
 - (i) a work-focused interview requirement under Article 20(1),
 - (ii) a work preparation requirement under Article 21(1),
 - (iii) a work search requirement under Article 22(1)(b) (to take any particular action specified by the Department to obtain paid work etc.), or
 - (iv) a requirement under Article 28(1), (3) or (4) (connected requirements: interviews and verification of compliance).

(2) Where the claimant is aged 18 or over on the date of the sanctionable failure, the reduction period is the total of—

- (a) the number of days beginning with the date of the sanctionable failure and ending with—
 - (i) the day before the date on which the claimant meets a compliance condition specified by the Department,
 - (ii) the day before the date on which the claimant falls within Article 24 of the Order (claimants subject to no work-related requirements),
 - (iii) the day before the date on which the claimant is no longer required to take a particular action specified as a work preparation requirement by the Department under Article 21, or
 - (iv) the date on which the award terminates (other than by reason of the claimant ceasing to be, or becoming, a member of a couple),whichever is soonest, and
- (b) whichever of the following number of days is applicable in the claimant's case—
 - (i) 7 days, if paragraphs (ii) and (iii) do not apply,
 - (ii) 14 days, if there was another sanctionable failure of a kind mentioned in paragraph (1) in the 364 days preceding the failure in question for which a 7 day reduction period applies, or
 - (iii) 28 days, if there was another sanctionable failure of a kind mentioned in paragraph (1) in the 364 days preceding the failure in question for which a 14 day or 28 days reduction period applies.

(3) Where the claimant is aged 16 or 17 years on the date of the sanctionable failure, the reduction period is—

- (a) the number of days beginning with the date of the sanctionable failure and ending with —
 - (i) the day before the date on which the claimant meets a compliance condition specified by the Department,
 - (ii) the day before the date on which the claimant falls within Article 24 of the Order (claimants subject to no work-related requirements),
 - (iii) the day before the date on which the claimant is no longer required to take a particular action specified as a work preparation requirement by the Department under Article 21, or
 - (iv) the date on which the award terminates (other than by reason of the claimant ceasing to be, or becoming, a member of a couple),

whichever is soonest, and

- (b) if there was another sanctionable failure of a kind mentioned in paragraph (1) within 364 days, but not within 13 days, beginning with the date of the current failure, 7 days.

Lowest-level sanction

102.—(1) This regulation specifies the reduction period for a sanctionable failure under Article 32 of the Order (other sanctions) where it is a failure by a claimant who falls within Article 25 of the Order (claimants subject to work-focused interview requirement only) to comply with a requirement under that Article.

(2) The reduction period is the number of days beginning with the date of the sanctionable failure and ending with—

- (a) the day before the date on which the claimant meets a compliance condition specified by the Department;
- (b) the day before the date on which the claimant falls within Article 24 of the Order (claimants subject to no work-related requirements), or

- (c) the day on which the award terminates (other than by reason of the claimant ceasing to be, or becoming, a member of a couple),

whichever is soonest.

When reduction to have effect

Start of the reduction

103. A reduction period determined in relation to a sanctionable failure takes effect from—

- (a) the first day of the assessment period in which the Department determines that the amount of the award is to be reduced under Article 31 or 32 of the Order (higher-level or other sanctions) (but see also regulation 104(2))(reduction period to continue where award terminates)),
- (b) if the amount of the award of universal credit for the assessment period referred to in paragraph (a) is not reduced in that period, the first day of the next assessment period, or
- (c) if the amount of the award for the assessment period referred to in paragraph (a) or (b) is already subject to a reduction because of a previous sanctionable failure, the first day in respect of which the amount of the award is no longer subject to that reduction.

Reduction period to continue where award terminates

104.—(1) If an award of universal credit terminates while there is an outstanding reduction period, the period continues to run as if a daily reduction were being applied and if the claimant becomes entitled to a new award (whether as a single or joint claimant) before that period expires, that award is subject to a reduction for the remainder of the total outstanding reduction period.

(2) If an award of universal credit terminates before the Department determines that the amount of the award is to be reduced under Article 31 or 32 of the Order (higher-level or other sanctions) in relation to a sanctionable failure and that determination is made after the claimant becomes entitled to a new award the reduction period in relation to that failure is to have effect for the purposes of paragraph (1) as if that determination had been made on the day before the previous award terminated.

Suspension of a reduction where fraud penalty applies

105.—(1) A reduction in the amount of an award under Article 31 or 32 of the Order (higher-level or other sanctions) is to be suspended for any period during which the provisions of section 5B, section 6 or section 8 of the Social Security Fraud Act (Northern Ireland) 2001(a) (loss of benefit in case of conviction, penalty or caution for benefit offence, loss of benefit for second or subsequent conviction of benefit offence and effect of offence on benefits for members of offender's family) apply to the award.

(2) The reduction ceases to have effect on the day on which that period begins and begins again on the day after that period ends.

When a reduction is to be terminated

106.—(1) A reduction in the amount of an award under Article 31 or 32 of the Order (higher-level or other sanctions) is to be terminated where—

- (a) since the date of the most recent sanctionable failure which gave rise to a reduction, the claimant has been in paid work for a period of, or for periods amounting in total to, at least 6 months, and
- (b) the claimant's monthly earnings during that period or those periods were equal to or exceeded—

(a) 2001 c. 17 (N.I.); section 5B was inserted by section 19(1) of the Welfare Reform Act (Northern Ireland) 2010 c. 13 (N.I.).

- (i) the claimant’s individual threshold,
 - “(ia) where the claimant has no individual threshold, the amount that a person would be paid for 16 hours per week at the hourly rate in regulation 4 of the National Minimum Wage Regulations, converted to a monthly amount by multiplying by 52 and dividing by 12, or”
- (ii) if paragraph (4) of regulation 89 (threshold for an apprentice) applies, the amount applicable under that paragraph.

(2) The termination of the reduction has effect—

- (a) where the date on which paragraph (1) is satisfied falls within a period of entitlement to universal credit, from the beginning of the assessment period in which that date falls, or
- (b) where that date falls outside a period of entitlement to universal credit, from the beginning of the first assessment period in relation to any subsequent award.

(3) A claimant who is treated as having earned income in accordance with regulation 63 (minimum income floor) in respect of an assessment period is to be taken to have monthly earnings equal to their individual threshold in respect of any week falling within that assessment period.

Amount of reduction

Amount of reduction for each assessment period

107.—(1) Where it has been determined that an award of universal credit is to be reduced under Article 31 or 32 of the Order (higher-level or other sanctions), the amount of the reduction for each assessment period in respect of which a reduction has effect is to be calculated as follows.

Step 1

Take the number of days—

- (a) in the assessment period; or
- (b) if lower, in the total outstanding reduction period,

and deduct any days in that assessment period for which the reduction is suspended in accordance with regulation 105 (suspension of a reduction where fraud penalty applies).

Step 2

Multiply the number of days produced by step 1 by the daily reduction rate (see regulation 108).

Step 3

If necessary, adjust the amount produced by step 2 so that it does not exceed—

- (c) the amount of the standard allowance applicable to the award; or
- (d) in the case of a joint claim where a determination under Article 31 or 32 of the Order (higher-level or other sanctions) applies only in relation to one claimant, half the amount of that standard allowance.

Step 4

Deduct the amount produced by steps 2 and 3 from the amount of the award for the assessment period after any deduction has been made in accordance with Part 7 (the benefit cap).

Daily reduction rate

108.—(1) The daily reduction rate for the purposes of regulation 107 (amount of reduction for each assessment period) is, unless paragraph (2) or (3) applies, an amount equal to the amount of the standard allowance that is applicable to the award multiplied by 12 and divided by 365.

(2) The daily reduction rate is 40% of the rate set out in paragraph (1) if, at the end of the assessment period—

- (a) the claimant is aged 16 or 17,

(b) the claimant falls within Article 24 of the Order (claimants subject to no work-related requirements) by virtue of —

- (i) paragraph (2)(c) of that Article (responsible carer for a child under the age of 1), or
- (ii) regulation 88(1)(c), (d) or (f) (claimant within 11 weeks before, or 15 weeks after confinement, adopter or responsible foster parent of a child under the age of 1), or

(c) the claimant falls within Article 25 (claimants subject to work-focused interview requirement only).

(3) The daily reduction rate is nil if, at the end of the assessment period, the claimant falls within Article 24 of the Order by virtue of having limited capability for work and work-related activity.

(4) The amount of the rate in paragraphs (1) and (2) is to be rounded down to the nearest 10 pence.

(5) In the case of joint claimants—

- (a) each joint claimant is considered individually for the purpose of determining the rate applicable under paragraphs (1) to (3), and
- (b) half of any applicable rate is applied to each joint claimant accordingly.

Miscellaneous

Application of ESA or JSA sanctions to universal credit

109. Schedule 11 has effect in relation to persons who are, or have been, entitled to an employment and support allowance or a jobseeker's allowance and who are, or become, entitled to universal credit.

Failures for which no reduction is applied

110.—(1) No reduction is to be made under Article 31 or Article 32 of the Order (higher-level or other sanctions) for a sanctionable failure where—

- (a) the sanctionable failure is listed in Article 31(2)(b) or (c) (failure to apply for a particular vacancy for paid work, or failure to take up an offer of paid work) and the vacancy is because of a strike arising from a trade dispute,
- (b) the sanctionable failure is listed in Article 31(2)(d) (claimant ceases paid work or loses pay), and the following circumstances apply—
 - (i) the claimant's work search and work availability requirements are subject to limitations imposed under Article 22(4) and Article 23(3) in respect of work available for a certain number of hours,
 - (ii) the claimant takes up paid work, or is in paid work and takes up more paid work that is for a greater number of hours, and
 - (iii) the claimant voluntarily ceases that paid work, or more paid work, or loses pay, within a trial period,
- (c) the sanctionable failure is that the claimant voluntarily ceases paid work, or loses pay, because of a strike arising from a trade dispute,
- (d) the sanctionable failure is that the claimant voluntarily ceases paid work as a member of the regular or reserve forces, or loses pay in that capacity,
- (e) the sanctionable failure is listed in Article 31(4) (failure to take up an offer of paid work, or to cease paid work or lose pay before making a claim), and the period of the reduction that would otherwise apply under regulation 99(4) (higher-level sanction) is the same as, or shorter than, the number of days beginning with the day after the date of the sanctionable failure and ending with the date of claim,
- (f) the sanctionable failure is that the claimant voluntarily ceases paid work in one of the following circumstances—

- (i) the claimant has been dismissed because of redundancy after volunteering or agreeing to be dismissed,
- (ii) the claimant has ceased work on an agreed date without being dismissed in pursuance of an agreement relating to voluntary redundancy, or
- (iii) the claimant has been laid-off or kept on short-time to the extent specified in Article 183 of the Employment Rights (Northern Ireland) Order 1996, and has complied with the requirements of that Article, or
- (g) the sanctionable failure is that the claimant by reason of misconduct, or voluntarily and for no good reason, ceases paid work or loses pay, but the claimant's monthly earnings (or, if the claimant is a member of a couple, their joint monthly earnings) have not fallen below the amount specified in regulation 97(14) (circumstances in which requirements must not be imposed).

(2) In this regulation "regular or reserve forces" has the same meaning as in section 374 of the Armed Forces Act 2006(a).

CHAPTER 3 HARDSHIP

Conditions for hardship payments

111.—(1) The Department must make a hardship payment to a single claimant or to joint claimants only where—

- (a) the claimant in respect of whose sanctionable failure the award has been reduced under Article 31 or 32 of the Order (higher-level or other sanctions) is aged 18 or over,
- (b) the single claimant or each joint claimant has met any compliance condition specified by the Department under regulation 101(2)(a)(i),
- (c) the single claimant or either joint claimant completes and submits an application—
 - (i) approved for the purpose by the Department, or in such other form as it accepts as sufficient, and
 - (ii) in such manner as the Department determines,
- (d) the single claimant or either joint claimant furnishes such information or evidence as the Department may require, in such manner as it determines,
- (e) the single claimant or each joint claimant accepts that any hardship payments that are paid are recoverable,
- (f) the Department is satisfied that the single claimant or each joint claimant has complied with all the work-related requirements that they were required to comply with in the 7 days preceding the day on which the claimant or joint claimants submitted an application in accordance with sub-paragraph (c);
- (g) the Department is satisfied that the single claimant or each joint claimant is in hardship, and
- (h) the daily reduction rate in regulation 108(1) applies for the purposes of the reduction in respect of the claimant under Article 31 or 32 of the Order (higher-level or other sanctions) .

(2) For the purposes of paragraph (1)(g) a single claimant or joint claimants must be considered as being in hardship only where—

- (a) they cannot meet their immediate and most basic and essential needs, specified in paragraph (3), or the immediate and most basic and essential needs of a child or

(a) 2006 c. 52.

qualifying young person for whom the single claimant or either of the joint claimants is responsible, only because the amount of their award has been reduced—

- (i) under Article 31 or 32 of the Order (higher-level or other sanctions), by the daily reduction rate set out in regulation 108(1), or
 - (ii) by the daily reduction rate prescribed in regulations made under section 5B(5A), 6(2A) or 8(2A) of the Social Security Fraud Act (Northern Ireland) 2001 (loss of benefit in case of conviction, penalty or caution for benefit offence, loss of benefit for commission of benefit offence and effect of offence on benefits for members of offender’s family) which is equivalent to the rate referred to in paragraph (i),
- (b) they have made every effort to access alternative sources of support to meet, or partially meet, such needs, and
 - (c) they have made every effort to cease to incur any expenditure which does not relate to such needs.
- (3) The needs referred to in paragraph (2) are—
- (a) accommodation;
 - (b) heating;
 - (c) food;
 - (d) hygiene.

The period of hardship payments

112.—(1) A hardship payment is to be made in respect of a period which—

- (a) begins with the date on which all the conditions in regulation 111(1) are met; and
- (b) unless paragraph (2) applies, ends with the day before the normal payment date for the assessment period in which those conditions are met.

(2) If the period calculated in accordance with paragraph (1) would be 7 days or less, it does not end on the date referred to in paragraph (1)(b) but instead ends on the normal payment date for the following assessment period or, if earlier, the last day on which the award is to be reduced under Article 31 or 32 of the Order (higher-level or other sanctions) or under section 5B(5A), 6(2A) or 8(2A) of the Social Security Fraud Act (Northern Ireland) 2001 (loss of benefit in case of conviction, penalty or caution for benefit offence, loss of benefit for commission of benefit offence and effect of offence on benefits for members of offender’s family).

(3) In this regulation “the normal payment date” for an assessment period is the date on which the Department would normally expect to make a regular payment of universal credit in respect of an assessment period in a case where payments of universal credit are made monthly in arrears.

The amount of hardship payments

113. The amount of a hardship payment for each day in respect of which such a payment is to be made is to be determined in accordance with the formula—

$$60\% \text{ of } \left(\frac{A \times 12}{365} \right)$$

where A is equal to the amount of the reduction in the single claimant’s or joint claimants’ award calculated under regulation 107 (amount of reduction for each assessment period) for the assessment period preceding the assessment period in which an application is submitted under regulation 111(1)(c).

Recoverability of hardship payments

Relevant payments to be taken into account

5.—(1) Where a renter meets the payment condition, liability condition and occupation condition in respect of one or more descriptions of relevant payment, each such description is to be taken into account for the purposes of the calculation under Part 4 or 5 of this Schedule.

(2) No account is to be taken of any amount of a relevant payment to the extent that all of the conditions referred to in sub-paragraph (1) are not met in respect of that amount.

(a) S.R. 2016 No. 222.
 (b) S.I. 1992/1725 (N.I. 15).

(3) Any particular payment for which a renter is liable is not to be brought into account more than once whether in relation to the same or a different renter (but this does not prevent different payments of the same description being brought into account in respect of an assessment period).

Relevant payments calculated monthly

6.—(1) Where any relevant payment is to be taken into account under paragraph 5, the amount of that payment is to be calculated as a monthly amount.

(2) Where the period in respect of which a renter is liable to make a relevant payment is not a month, an amount is to be calculated as the monthly equivalent, so for example—

- (a) weekly payments are multiplied by 52 and divided by 12,
- (b) two-weekly payments are multiplied by 26 and divided by 12,
- (c) four-weekly payments are multiplied by 13 and divided by 12,

- (e) annual payments are divided by 12.

(3) Where a renter is liable for relevant payments under arrangements that provide for one or more rent free periods, subject to paragraph (4) the monthly equivalent is to be calculated over 12 months by reference to the total number of relevant payments which the renter is liable to make in that 12 month period.

(4) Where sub-paragraph (3) applies and the relevant payments in question are—

- (a) weekly payments, the total number of weekly payments which the renter is liable to make in any 12 month period shall be calculated by reference to the formula—

$$26 - RFP;$$

- (c) four-weekly payments, the total of four-weekly payments which the renter is liable to make in any 12 month period shall be calculated by reference to the formula—

$$13 - RFP$$

Where “RFP” is the number of rent free periods in the 12 month period in question.

(5) “Rent free period” means any period in respect of which the renter has no liability to make one or more of the relevant payments which are to be taken into account under paragraph 5.

Room allocation

Size criteria applicable to the extended benefit unit of all renters

7.—(1) In calculating the amount of the renter’s housing costs element under Part 4 or 5 of this Schedule, a determination is to be made in accordance with the provisions referred to in sub-paragraph (2) as to the category of accommodation which it is reasonable for the renter to occupy, having regard to the number of persons who are members of the renter’s extended benefit unit (see paragraph 8).

(2) The provisions referred to in this sub-paragraph are the following provisions of this Schedule—

- (a) in respect of a calculation under Part 4, paragraphs 8 to 11 and 25 to 28;

(5) The specified periods are—

(6) A renter satisfies the disabled child condition if they or another member of their extended benefit unit are responsible for a child who would (but for the provisions of this paragraph) be expected to share a bedroom and that child is—

- (a) in receipt of the care component of disability living allowance at the middle or highest rate; and
- (b) by virtue of their disability, not reasonably able to share a room with another child.

(7) Where a renter, or one or both of joint renters, satisfy—

Calculation involving more than one accommodation

Single calculation for renter treated as occupying single accommodation

16.—(1) This paragraph applies to any renter where, under paragraph 3, of Schedule 3 (claimant housed in two dwellings by provider of social housing), two dwellings (“accommodation A” and “accommodation B”) occupied by a renter are treated as the single accommodation in respect of which the renter meets the occupation condition.

(2) The amount of the renter’s housing costs element is to be determined by a single calculation in respect of accommodation A and accommodation B as if they were one, taking account of—

- (a) all relevant payments in respect of accommodation A and all relevant payments in respect of accommodation B, and
- (b) the total number of bedrooms in accommodation A and accommodation B taken together.

(3) The single calculation is to be made under Part 5 of this Schedule in any case where—

- (a) the renter’s liability to make rent payments in respect of accommodation A and accommodation B is to a provider of social housing, and
- (b) neither accommodation A nor accommodation B is temporary accommodation within the meaning of paragraph 20.

(4) In any other case, the single calculation is to be made under Part 4 of this Schedule.

Calculation where move to new accommodation delayed for adaptations for disabled person

17.—(1) Sub-paragraph (2) applies to any renter where, under paragraph 4 of Schedule 3 (moving home: adaptations to new home for disabled persons), the renter meets the occupation condition in respect of both the new accommodation and the old accommodation.

(2) The amount of the renter's housing costs element under this Schedule is to be calculated as follows.

Step 1

Calculate an amount in accordance with Part 4 or Part 5 of this Schedule (as the case may be) in respect of both—

- (a) the new accommodation, and
- (b) the old accommodation.

Step 2

Add together the amounts determined in step 1.

Step 3

If a deduction was made for housing cost contributions in respect of both the new accommodation and the old accommodation, take the amount of the housing cost contributions deducted in respect of the new accommodation and add that to the amount resulting from step 2.

(3) In this paragraph, references to “the new accommodation” and “the old accommodation” are to be understood in accordance with paragraph 4 of Schedule 3.

Calculation where renter moves out because of reasonable fear of violence

18.—(1) Sub-paragraph (2) applies to any renter where, under paragraph 5(2) of Schedule 3, (claimant living in other accommodation because of reasonable fear of violence), the renter meets the occupation condition in respect of both the home accommodation and the other accommodation.

(2) The amount of the renter's housing costs element under this Schedule is to be calculated as follows.

Step 1

Calculate an amount in accordance with Part 4 or Part 5 of this Schedule (as the case may be) in respect of—

- (a) the home accommodation, and
- (b) the other accommodation.

Step 2

Add together the amounts determined in step 1.

Step 3

If a deduction was made for housing cost contributions in respect of both the home accommodation and the other accommodation—

- (c) determine which accommodation the renter normally occupies as their home, and
- (d) take the amount of the housing cost contributions deducted in respect of the accommodation not so occupied and add that to the amount resulting from step 2.

(3) In this paragraph, references to “the home accommodation” and “the other accommodation” are to be understood in accordance with paragraph 5 of Schedule 3.

PART 4

Private rented sector and temporary accommodation

Application of Part 4

19.—(1) This Part applies to—

- (a) renters who are liable to make rent payments to a person other than a provider of social housing, and
- (b) renters who meet the occupation condition in respect of temporary accommodation (see paragraph 20).

(2) Sub-paragraph (1) applies irrespective of whether renters are also liable to make service charge payments.

Meaning of “temporary accommodation”

20.—(1) Accommodation is temporary accommodation for the purposes of paragraph 19(1)(b) if it falls within Case 1 or 2.

(2) Case 1 is where—

- (a) rent payments are payable to the Housing Executive, and
- (b) the Housing Executive makes the accommodation available to the renter—
 - (i) to discharge any of its functions under Part II of the Housing (Northern Ireland) Order 1988(a), or
 - (ii) to prevent the person being or becoming homeless within the meaning of Part II of that Order; and
- (c) the accommodation is not exempt accommodation.

(3) Case 2 is where—

- (a) rent payments are payable to a registered housing association,
- (b) the registered housing association makes the accommodation available to the renter in pursuance of arrangements made with it by the Housing Executive—
 - (i) to discharge any of the Housing Executive’s functions under Part II of the Housing (Northern Ireland) Order 1988, or
 - (ii) to prevent the renter being or becoming homeless within the meaning of Part II of that Order, and
- (c) the accommodation is not exempt accommodation.

(4) Sub-paragraph (1) applies irrespective of whether the renter is also liable to make service charge payments.

The calculation of the housing costs element under this Part

The amount of housing costs element under this Part

21. The amount of the renter’s housing costs element under this Part is to be calculated as follows.

Step 1

Determine—

- (a) the amount of the renter’s core rent, and

(a) S.I. 1988/1990 (N.I. 23).

(b) the amount of the renter's cap rent,
and identify which is the lower amount (if both amounts are the same, that is the identified amount).

Step 2

Deduct the sum of the housing cost contributions (if any) under paragraph 12 from the amount identified in step 1.

The result is the amount of the renter's housing costs element calculated under this Part.

Core rent

22. Except where paragraph 23 applies, the renter's core rent is to be determined as follows—

Step 1

Determine the amount of each relevant payment to be taken into account under paragraph 5.

Step 2

Determine the period in respect of which each relevant payment is payable and, in accordance with paragraph 6, determine the amount of the payment in respect of a month.

Step 3

If there is more than one relevant payment, add together the amounts determined in step 2 in relation to all relevant payments.

The result is the renter's core rent.

Core rent for joint tenants

23.—(1) This paragraph applies where, in respect of the accommodation occupied by the renter, one or more persons other than the renter are liable to make relevant payments which are of the same description as those for which the renter is liable and which are to be taken into account under paragraph 5.

(2) The following steps are to be taken in order to determine the renter's core rent.

Step 1

Determine the total of all relevant payments referred to in sub-paragraph (1) for which the renter and others are liable in respect of the accommodation taken as a whole.

Step 2

Determine the period in respect of which each relevant payment is payable and, in accordance with paragraph 6, determine the amount of the payment in respect of a month.

Step 3

Add together all of the amounts determined in step 2 in relation to all relevant payments.

Step 4

Find the allocated amount in accordance with whichever of sub-paragraphs (3) to (5) applies in the renter's case.

The result is the renter's core rent.

(3) Where the only persons liable to make relevant payments are listed persons, the allocated amount is the amount resulting from step 3 in sub-paragraph (2).

(4) Where the persons liable for the relevant payments are one or more listed persons and one or more other persons, the allocated amount is to be found by applying the formula—

$$\left(\frac{A}{B}\right) \times C$$

where—

“A” is the amount resulting from step 3 in sub-paragraph (2),

“B” is the total number of all persons (including listed persons) liable to make the relevant payments, and

“C” is the number of listed persons liable to make relevant payments.

(5) If the Department is satisfied that it would be unreasonable to allocate the amount resulting from step 3 in sub-paragraph (2) in accordance with sub-paragraph (4), that amount is to be allocated in such manner as it considers appropriate in all the circumstances, having regard (among other things) to the number of persons liable and the proportion of the relevant payments for which each of them is liable.

Cap rent

24.—(1) The renter’s cap rent is to be determined as follows.

Step 1

Determine the category of accommodation to which the renter is entitled under paragraphs 7 to 11 and paragraphs 25 to 28.

Step 2

Having regard to the determination at step 1, determine the maximum allowable amount for the renter under sub-paragraph (2) or (4) (as the case may be).

The result is the renter’s cap rent.

(2) The maximum allowable amount to be used in relation to the renter is the local housing allowance which applies at the relevant time to—

- (a) the broad rental market area in which the renter’s accommodation is situated, and
- (b) the category of accommodation determined at step 1 as that to which the renter is entitled.

(3) The maximum allowable amount in relation to the renter is to be determined under sub-paragraph (4) in any case where—

- (a) paragraph 3 (claimant housed in two dwellings by provider of social housing) of Schedule 3 applies to the renter, and
- (b) the maximum allowable amount determined under sub-paragraph (2) for the renter in relation to accommodation A and the amount so determined in relation to accommodation B are different (references to accommodation A and accommodation B are to be understood in accordance with paragraph 3 of Schedule 3), and
- (c) a single calculation is to be made in relation to the renter under paragraph 16 (renter treated as occupying single accommodation).

(4) In any such case, the maximum allowable amount to be used in making the single calculation required by paragraph 16—

- (a) is to be determined by reference to the accommodation for which the amount referred to in sub-paragraph (3)(b) is lower when the calculation is first made, and
- (b) is to continue to be determined by reference to that accommodation for so long as paragraph 3 of Schedule 3 applies to the renter in respect of the same accommodation A and the same accommodation B, and
- (c) is to be re-determined in accordance with paragraphs (a) and (b) on each occasion when the renter is re-housed in any other accommodation, provided that paragraph 3 of Schedule 3 continues to apply to the renter.

(5) In this paragraph—

“broad rental market area” means the broad rental market area to be determined under regulation 3 of the UC Housing Costs Regulations;

“local housing allowance” in relation to a broad rental market area, means the amount to be determined by a rent officer for that area under regulation 4 of the UC Housing Costs Regulations;

“relevant time” means the time at which the amount of the renter’s housing costs element is calculated under paragraph 21.

(6) In this paragraph—

(a) S.I. 2008/1216 (N.I.1).

“care home”, “registered charity” and “voluntary organisation” have the meaning given in Schedule 1;

“hostel” means a building—

- (a) in which there is provided, for persons generally or for a class of persons, domestic accommodation, otherwise than in separate and self-contained premises, and either board or facilities for the preparation of food adequate to the needs of those persons, or both;
- (b) which is—
 - (i) managed or owned by a registered housing association,
 - (ii) operated other than on a commercial basis and in respect of which funds are provided wholly or in part by a government department or agency, the Housing Executive or a Regional Health and Social Care Board or Health and Social Care Trust, or
 - (iii) managed by a voluntary organisation or registered charity and provides care, support or supervision with a view to assisting those persons to be rehabilitated or resettled within the community, and
- (c) which is not a care home;

“hostel for homeless people” means a hostel the main purpose of which is to provide accommodation together with care, support or supervision for homeless people with a view to assisting such persons to be rehabilitated or resettled within the community.

PART 5

Social rented sector other than temporary accommodation

Application of Part 5

29.—(1) This Part—

- (a) applies to renters who are liable to make rent payments to a provider of social housing; but
- (b) does not apply to any renter who falls within paragraph 19(1)(b) (temporary accommodation).

(2) Sub-paragraph (1) applies irrespective of whether renters are also liable to make service charge payments.

Reduction in certain cases of amounts to be taken into account

Deduction from relevant payments of amounts relating to use of particular accommodation

30. In determining the amount of any relevant payment to be taken into account under paragraph 5, a deduction is to be made for any amount which the Department is satisfied—

- (a) is included in the relevant payment, but
- (b) relates to the supply to the accommodation of a commodity (such as water or fuel) for use by any member of the renter’s extended benefit unit.

Relevant payments excessive

31. Where it appears to the Department that—

- (a) the amount of any relevant payment for which the renter is liable in respect of accommodation occupied by the renter is greater than it is reasonable to meet by way of the housing costs element under this Part, and

(b) the amount of the relevant payment that, at the time of the calculation under this Part, a landlord might reasonably have expected to obtain is a lower amount,

the lower amount is to be used in making the calculation under this Part instead of the amount of the relevant payment for which the renter is liable, unless the Department is satisfied that it is not appropriate to use that lower amount.

The calculation of the housing costs element under this Part

The amount of housing costs element

32.—(1) The amount of the renter’s housing costs element under this Part is to be calculated by reference to the formula—

$$S - HCC$$

where—

“S” is the amount resulting from whichever of paragraph 33 or 34 applies in the renter’s case,

“HCC” is the sum of the housing cost contributions (if any) under paragraph 12.

Determining the amount from which HCC deductions are to be made

33. Except where paragraph 34 applies, amount S referred to in paragraph 32 is to be found as follows—

Step 1

Determine which relevant payments are to be taken into account under paragraph 5 and determine the amount of each of them (applying paragraphs 30 and 31 as necessary).

Step 2

Determine the period in respect of which each relevant payment is payable and, in accordance with paragraph 6, determine the amount of the payment in respect of a month.

Step 3

If there is more than one relevant payment, add together the amounts determined in step 2 in relation to all relevant payments.

Step 4

Determine under paragraph 35(1) whether an under-occupation deduction is to be made and, if one is to be made, determine the amount of the deduction under paragraph 35(2) and deduct it from the amount resulting from step 2 or 3 (as the case may be).

The result is amount S from which the sum of the housing cost contributions are to be deducted under paragraph 32.

Determining the amount from which HCC deductions are to be made: joint tenants

34.—(1) This paragraph applies where, in respect of the accommodation occupied by the renter, one or more persons other than the renter is liable to make relevant payments which are of the same description as those for which the renter is liable and which are to be taken into account under paragraph 5.

(2) Amount S referred to in paragraph 32 is to be found as follows.

Step 1

Determine the total of all relevant payments referred to in sub-paragraph (1) for which the renter and others are liable in respect of the accommodation taken as a whole (applying paragraphs 30 and 31 as necessary).

Step 2

Determine the period in respect of which each relevant payment is payable and, in accordance with paragraph 6, determine the amount of the payment in respect of a month.

Step 3

Add together all of the amounts determined in step 2 in relation to all relevant payments.

Step 4

Find amount S in accordance with whichever of sub-paragraphs (3) to (5) applies in the renter's case.

The result is amount S from which the sum of the housing cost contributions are to be deducted under paragraph 32.

(3) Where the only persons liable to make relevant payments are listed persons, amount S is the amount resulting from step 3 in sub-paragraph (2) less the amount of the under-occupation deduction (if any) required by paragraph 35.

(4) Where the persons liable for the relevant payments are one or more listed persons and one or more other persons, amount S is to be found by the applying the formula—

$$\left(\frac{A}{B}\right)xC$$

where—

“A” is the amount resulting from step 3 in sub-paragraph (2),

“B” is the total number of all persons (including listed persons) liable to make the relevant payments, and

“C” is the number of listed persons.

(5) If the Department is satisfied that it would be unreasonable to determine amount S in accordance with sub-paragraph (4), amount S is to be determined in such manner as the Department considers appropriate in all the circumstances, having regard (among other things) to the number of persons liable and the proportion of the relevant payments for which each of them is liable.

Under-occupancy deduction

35.—(1) A deduction for under-occupancy is to be made under this paragraph where the number of bedrooms in the accommodation exceeds the number of bedrooms to which the renter is entitled under paragraphs 7 to 11.

(2) Where a deduction is to be made, the amount of the deduction is to be determined by the formula—

$$A \times B$$

where—

“A”—

(a) in relation to any deduction under paragraph 33, is the amount resulting from step 2 or 3 in that paragraph (as the case may be), or

(b) in relation to any deduction under paragraph 34(3), is the amount resulting from step 3 in paragraph 34(2);

“B” is the relevant percentage.

(3) The relevant percentage is 14% in the case of one excess bedroom.

(4) The relevant percentage is 25% in the case of 2 or more excess bedrooms.

(5) No deduction for under-occupation is to be made in calculating the amount of the renter's housing costs element under this Part in any case to which regulation 27(4) to (6) (equity-sharing lease) applies.

SCHEDULE 5

Regulation 27(3)

Housing costs element for owner-occupiers

PART I

General

Definition of Owner-occupier

1.—(1) This Schedule contains provisions about claimants to whom regulation 27(3) applies.

(2) Claimants who fall within sub-paragraph (1) are referred to in this Schedule as “owner-occupiers” (and references to “joint owner-occupiers” are to joint claimants to whom regulation 27(3) applies).

Interpretation

2. In this Schedule—

“alternative finance arrangements” has the meaning as given in paragraph 7(2) of Schedule 1;

“alternative finance payments” has the meaning given in paragraph 7 of Schedule 1;

“joint owner-occupier” has the meaning given in paragraph 1(2);

“loan interest payments” has the meaning given in paragraph 6 of Schedule 1;

“owner-occupier” means a single owner-occupier within the meaning of paragraph 1(2) or each of joint owner-occupiers;

“qualifying period” has the meaning given in paragraph 5(2);

“relevant date” means, in relation an owner-occupier, the date on which an amount of housing costs element calculated under this Schedule is first included in the owner occupier’s award;

“relevant payments” has the meaning given in paragraph 3;

“standard rate” has the meaning given in paragraph 12.

Relevant payment for the purposes of this schedule

3.—(1) “Relevant payments” means one or more payments of any of the following descriptions—

(a) owner-occupier payments;

(b) service charge payments.

(2) “Owner-occupier payments” has the meaning given in paragraph 5 of Schedule 1.

(3) “Service charge payments” is to be understood in accordance with paragraphs 8 and 9 of that Schedule.

PART 2

Exception to inclusion of housing costs element

No housing costs element where owner-occupier has any earned income

4.—(1) Article 16(1) of the Order (housing costs) does not apply to any owner-occupier in relation to an assessment period where—

- (a) the owner-occupier has any earned income, or
- (b) if the owner-occupier is a member of a couple, either member of the couple has any earned income.

(2) Sub-paragraph (1) applies irrespective of the nature of the work engaged in, its duration or the amount of the earned income.

(3) Nothing in this paragraph prevents an amount calculated under Schedule 4 from being included in the award of any claimant who falls within regulation 27(4) to (6) (equity-sharing lease).

PART 3

No housing costs element for qualifying period

No housing costs element under this Schedule for qualifying period

5.—(1) An owner-occupier's award of universal credit is not to include any amount of housing costs element calculated under this Schedule until the beginning of the assessment period that follows the assessment period in which the qualifying period ends.

(2) "Qualifying period" means a period of—

- (a) in the case of a new award, 9 consecutive assessment periods in relation to which—
 - (i) the owner-occupier has been receiving universal credit, and
 - (ii) would otherwise qualify for the inclusion of an amount calculated under this Schedule in their award;
- (b) in any case where an amount calculated under this Schedule has for any reason ceased to be included in the award, 9 consecutive assessment periods in relation to which the owner-occupier would otherwise qualify for the inclusion of an amount calculated under this Schedule in their award.

(3) Where, before the end of a qualifying period, an owner-occupier for any reason ceases to qualify for the inclusion of an amount calculated under this Schedule—

- (a) that qualifying period stops running, and
- (b) a new qualifying period starts only when the owner-occupier again meets the requirements of sub-paragraph (2)(a) or (b).

Application of paragraph 5: receipt of JSA and ESA

6.—(1) This paragraph applies to any owner-occupier who immediately before the commencement of an award of universal credit is entitled to—

- (a) a jobseeker's allowance, or
- (b) an employment and support allowance.

(2) In determining when the qualifying period in paragraph 5 ends in relation to the owner-occupier, any period that comprises only days on which the owner-occupier was receiving a benefit referred to in sub-paragraph (1) may be treated as if it were the whole or part of one or more assessment periods, as determined by the number of days on which any such benefit was received.

Application of paragraph 5: joint owner-occupiers ceasing to be a couple

7.—(1) This paragraph applies where—

- (a) an award of universal credit to joint owner-occupiers is terminated because they cease to be a couple, and
- (b) a further award is made to one of them (or to each of them), and

(c) in relation to the further award (or in relation to each further award), the occupation condition is met in respect of the same accommodation as that occupied by the joint owner-occupiers as their home.

(2) In determining when the qualifying period in paragraph 5 ends in relation to the further award (or each further award), the whole or part of any assessment period which would have counted in relation to the award that is terminated is to be carried forward and taken into account in relation to the further award (or each further award).

(3) But where, immediately before the joint owner-occupier's award was terminated, an amount of housing costs element calculated under this Schedule was already included in the award; no qualifying period under paragraph 5 applies to the owner-occupier in relation to the commencement of the further award (or each further award).

(4) For the purposes of sub-paragraph (1)(b), it is irrelevant whether the further award—

(a) is made on a claim, or

(b) by virtue of regulation 9(6) of the Universal Credit, Personal Independence Payment, Jobseeker's Allowance and Employment and Support Allowance (Claims and Payments) Regulations (Northern Ireland) 2016 is made without a claim.

PART 4

Calculation of amount of housing costs element for owner-occupiers

Payments to be taken into account

8.—(1) Where an owner-occupier meets the payment condition, liability condition and occupation condition in respect of one or more relevant payments and the qualifying period has ended, each of the relevant payments is to be taken into account for the purposes of the calculation under this Part.

(2) No account is to be taken of any amount of a relevant payment to the extent that the conditions referred to in sub-paragraph (1) are not met in respect of that amount.

(3) Any particular payment for which an owner-occupier is liable is not to be brought into account more than once, whether in relation to the same or a different owner-occupier (but this does not prevent different payments of the same description being brought into account in respect of an assessment period).

The amount of a housing costs element

9. The amount of the owner-occupier's housing costs element under this Schedule is the aggregate of the amounts resulting from paragraphs 10, 11 and 13 in respect of all relevant payments which are to be taken into account under paragraph 8.

Amount in respect of interest on loans

10.—(1) This paragraph provides for the calculation of the amount to be included in the owner-occupier's housing costs element under this Schedule in respect of relevant payments which are loan interest payments.

(2) Subject to sub-paragraphs (3) to (5), the amount in respect of the loan or loans to which the payments relate is to be calculated as follows.

Step 1

Determine the amount of the capital for the time being owing in connection with each loan.

Step 2

If there is more than one loan, add together the amounts determined in Step 1.

Step 3

Identify which is the lower of these 2 amounts—

- (a) the amount resulting from Step 1 or 2 (as the case may be), and
- (b) £200,000,

and, if both amounts are the same, that is the identified amount.

Step 4

Apply the formula—

$$\frac{(A \times SR)}{12}$$

where—

“A” is the amount resulting from Step 3,

“SR” is the standard rate that applies at the date of the determination (see paragraph 12).

The result is the amount to be included under this Schedule in respect of loan interest payments.

(3) In the application of sub-paragraph (2) to a loan (or any part of a loan) which was taken out for the purpose of making necessary adaptations to the accommodation to meet the disablement needs of a person specified in paragraph 4(3) of Schedule 3—

- (a) the loan (or the part of the loan) is to be disregarded for the purposes of steps 2 and 3, and
- (b) “A” in step 4 is to be read as the amount resulting from step 1 in respect of the loan (or the sum of those amounts if there is more than one loan taken out for the purpose of making such adaptations) plus the amount (if any) resulting from step 3 in relation to any other loan or loans.

(4) Any variation in the amount of capital for the time being owing in connection with a loan is not to be taken into account after the relevant date until such time as the Department recalculates the amount under this Schedule by reference to the amount of capital owing in connection with the loan—

- (a) on the first anniversary of the relevant date, or
- (b) in respect of any variation after the first anniversary, on the next anniversary which follows the date of the variation.

Amount in respect of alternative finance arrangements

11.—(1) This paragraph provides for the calculation of the amount to be included in the owner-occupier’s housing costs element under this Schedule in respect of relevant payments which are alternative finance payments.

(2) The amount in respect of the alternative finance arrangements to which the payments relate is to be calculated as follows—

Step 1

Determine the purchase price of the accommodation to which the alternative finance payments relate.

Step 2

Identify which is the lower of these 2 amounts—

- (a) the amount resulting from Step 1, and
- (b) £200,000,

and, if both amounts are the same, that is the identified amount.

Step 3

Apply the formula—

$$\frac{(A \times SR)}{12}$$

12

where—

“A” is the amount resulting from step 2,

“SR” is the standard rate that applies at the date of the calculation (see paragraph 12).

The result is the amount to be included under this Schedule in respect of alternative finance payments.

(3) “Purchase price” means the price paid by a party to the alternative financial arrangements other than the owner-occupier in order to acquire the interest in the accommodation to which those arrangements relate less—

- (a) the amount of any initial payment made by the owner-occupier in connection with the acquisition of that interest, and
- (b) the amount of any subsequent payments made by the owner-occupier before the relevant date to another party to the alternative finance arrangements which reduced the amount owned by the owner-occupier under the alternative finance arrangements.

(4) Any variation in the amount for the time being owing in connection with alternative finance arrangements is not to be taken into account after the relevant date until such time as the Department recalculates the amount under this Schedule by reference to the amount that is owing in connection with the alternative finance arrangements—

- (a) on the first anniversary of the relevant date, or
- (b) in respect of any variation after the first anniversary, or the next anniversary which follows the date of the variation.

Standard rate to be applied under paragraphs 10 and 11

12.—(1) The standard rate is the average mortgage rate published by the Bank of England which, immediately before this Schedule comes into operation, has effect for the purposes of paragraph 12 of Schedule 3 to the Income Support (General) Regulations (Northern Ireland) 1987(a) (which makes provision as to the standard rate to be used in determining amounts applicable to a claimant in respect of income support).

(2) The standard rate is to be varied each time that sub-paragraph (3) applies.

(3) This sub-paragraph applies when, on any reference day, the Bank of England publishes an average mortgage rate which differs by 0.5 percentage points or more from the standard rate that applies on that reference day (whether it applies by virtue of sub-paragraph (1) or by virtue of a previous application of this sub-paragraph).

(4) The average mortgage rate published on that reference day then becomes the new standard rate in accordance with sub-paragraph (5).

(5) Any variation in the standard rate by virtue of sub-paragraphs (2) to (4) comes into effect—

- (a) for the purposes of sub-paragraph (3), the day after the reference day referred to in sub-paragraph (4);
- (b) for the purpose of calculating the amount of the housing costs element to be included under this Schedule in an owner-occupier’s award, on the day specified by the Department for that purpose.

(6) At least 7 days before a variation of the standard rate comes into effect under sub-paragraph (5)(b), the Department must arrange for notice to be published on a publicly accessible website of—

- (a) the new standard rate; and

(a) Paragraph 12 was amended by regulation 2(c) of S.R. 2004 No. 461; regulation 2(3)(c)(ii) of S.R. 2007 No. 475; regulation 2(2)(b) of S.R. 2008 No. 503 and regulation 2(2) of S.R. 2010 No. 340.

(b) the day specified in relation to that rate under sub-paragraph (5)(b).

(7) In this paragraph—

“average mortgage rate” means the effective interest rate (non-seasonally adjusted) of United Kingdom resident banks and building societies for loans to households secured on dwellings published by the Bank of England in respect of the most recent period specified for that rate at the time of publication^(a);

“reference day” means any day falling on or after the date on which this Schedule comes into operation.

Amount in respect of service charge payments

13.—(1) This paragraph provides for the calculation of the amount to be included in the owner-occupier’s housing costs element under this Schedule in respect of relevant payments which are service charge payments.

(2) The amount in respect of the service charge payments is to be calculated as follows.

Step 1

Determine the amount of each service charge payment.

Step 2

Determine the period in respect of which each service charge payment is payable and, determine the amount of the payment in respect of a month (see sub-paragraphs (3) and (4)).

Step 3

If there is more than one service charge payment, add together the amounts determined in step 2.

The result is the amount to be included under this Schedule in respect of service charge payments.

(3) Where the period in respect of which an owner-occupier is liable to make a service charge payment is not a month, an amount is to be calculated as the monthly equivalent, so for example—

- (a) weekly payments are multiplied by 52 and divided by 12,
- (b) two-weekly payments are multiplied by 26 and divided by 12,
- (c) four-weekly payments are multiplied by 13 and divided by 12,
- (d) three-monthly payments are multiplied by 4 and divided by 12, and
- (e) annual payments are divided by 12.

(4) Where an owner-occupier is liable for service charge payments under arrangements that provide for one or more service charge free periods, subject to sub-paragraph (5) the monthly equivalent is to be calculated over 12 months by reference to the total number of service charge payments which the owner-occupier is liable to make in that 12 month period.

(5) Where sub paragraph (4) applies and the service charge payments in question are-

(a) weekly payments, the total number of weekly service charge payments which the owner-occupier is liable to make in any 12 month period shall be calculated by reference to the formula—

$$52 - SCFP;$$

(b) two-weekly payments, the total number of two-weekly service charge payments which the owner-occupier is liable to make in any 12 month period shall be calculated by reference to the formula-

$$26 - SCFP;$$

(a) This is available on the Bank of England website: <http://www.bankofengland.co.uk/statistics/bankstats/current/index.htm>. The effective rate appears in Table G1.4 in the column headed “HSDE”.

- (c) four-weekly payments, the total number of four-weekly service charge payments which the owner-occupier is liable to make in any 12 month period shall be calculated by reference to the formula-

$$13 - SCFP$$

where “SCFP” is the number of service charge free periods in the 12 month period in question.

(6) “Service charge free period” means any period in respect of which the owner-occupier has no liability to make one or more of the service charge payments which are to be taken into account under paragraph 8.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations contain provisions in relation to universal credit under Part 2 of the Welfare Reform (Northern Ireland) Order 2015 (S.I. 2015/2006 (“the Order”). They also include provision for a benefit cap under Article 101 of the Order.

Part 1 contains general provisions and, in particular, sets out some basic concepts that are relevant for determining the persons who are to be included in an award of universal credit.

Part 2 contains provisions about the conditions of entitlement to universal credit. It includes provisions about the basic conditions and provides for exceptions from those conditions. Regulation 17 provides for the minimum amount of universal credit and regulation 18 for the maximum amount of capital a claimant or joint claimants are allowed in order to meet the financial conditions.

Part 3 contains provisions about the calculation of the amount of an award of universal credit, including provision for the duration of an assessment period and for the amount of earned and unearned income which is to be deducted from the maximum amount of the award in each assessment period.

Part 4 contains the detailed provision about the elements that make up the maximum amount of an award. These are the standard allowance, an amount for each child or qualifying young person for whom a claimant is responsible, an amount for housing costs and amounts for special needs and circumstances (limited capability for work or for work and work-related activity, regular and substantial caring responsibilities for a severely disabled person and childcare costs).

In Part 4, in particular regulations 26 and 27 and Schedules 1 to 5 provide for the amount to be included in respect of a claimant’s liability for payments in respect of accommodation occupied as their home. Schedules 1 to 3 contain general provision as to the types of payments, when a person is regarded as liable for such payments and when they are regarded as occupying accommodation. Schedule 4 provides for the calculation of the amount of the housing costs element where a claimant is renting accommodation and Schedule 5 provides for the calculation where a claimant owns their accommodation.

Part 5 and Schedules 6 to 9 provide for how it is determined whether a claimant has limited capability for work or limited capability for work and work-related activity. This is relevant for the purposes of entitlement to the LCW and LCWRA elements of the award under Part 4 and for the purposes of determining the work-related requirements applicable to a claimant under Part 8.

Part 6 and Schedule 10 provide for how a person’s capital and income (earned and unearned) are to be calculated. This applies for the purposes of the financial conditions and for calculating the amount of an award. Chapter 1 deals with capital. Chapter 2 deals with earned income, which is also relevant for the purposes of applying various thresholds in Parts 7 and 8. Chapter 3 deals with unearned income.

Chapter 4 of Part 6 provides for the treatment of income and capital in certain circumstances. Regulation 75 deals with compensation for personal injury and regulation 76 deals with certain schemes set up to provide compensation for specific events or to meet specific needs. Regulation 77 deals with companies that are analogous to a partnership or one person business.

Part 7 provides for the benefit cap. This reduces the award of universal credit where the total amount of welfare benefits to which a claimant or joint claimants are entitled exceed a prescribed amount. Regulations 82 and 83 provide for exceptions for claimants who have earnings or are in receipt of certain benefits.

Part 8 provides for the claimant’s responsibilities. Chapter 1 makes provision in relation to the work-related requirements under Article 20 to 27 of the Order, including which requirements apply to which claimants, how those requirements are met and circumstances in which they do not apply. Chapter 2 provides for the reduction in the amount of an award (“sanction”) where a

claimant fails to comply with work-related requirements and Schedule 11 deals with the transfer of sanctions which have been incurred in relation to a jobseeker's allowance or an employment and support allowance. Chapter 3 provides for hardship payments in certain cases where a sanction has been applied.

An assessment of the impact of universal credit has been carried out. Copies of the impact assessment may be obtained from the Better Regulation Unit of the Department for Work and Pensions, 2D Caxton House, Tothill Street, London, SW1 9NA. It is also available alongside this instrument and the Explanatory Memorandum on www.legislation.gov.uk.
