Revision

CHAPTER 2

Revision on specific grounds

Other decisions relating to personal independence payment

18.—(1) Where the Department makes a decision awarding personal independence payment which takes effect immediately after the expiry of an existing award under regulation 32(3) of the Claims and Payments Regulations (advance claim for and award of personal independence payment), that decision may be revised if the requirements for entitlement are found not to have been met on the date on which the decision takes effect.

(2) A decision that personal independence payment is not payable to a person for any period may be revised where—

- (a) the Department determines that the person meets the condition in Article 90(2) of the 2015 Order (care home residents) on incomplete evidence in accordance with regulation 39(5); and
- (b) after that determination is made, any of the costs of the qualifying services are recovered from the person for whom they are provided.

(3) A decision of the Department made in consequence of a negative determination may be revised at any time if it contains an error to which the claimant did not materially contribute.
