
STATUTORY RULES OF NORTHERN IRELAND

2016 No. 28

The Emissions Performance Standard Monitoring and
Enforcement Regulations (Northern Ireland) 2016

PART 2

Monitoring and enforcement

Carbon capture and storage (CCS) notification

5.—(1) For the purposes of section 58 of the Act, the chief inspector must not consider a complete CCS system to be ready for use unless he has first received from the operator a notification (“a CCS notification”) in respect of the system.

(2) A CCS notification must state—

- (a) each generating unit within the relevant fossil fuel plant to which the complete CCS system relates;
- (b) the installed generating capacity of all the generating units specified under subparagraph (a); and
- (c) the date on which the operator wishes the complete CCS system is to be considered ready for use.

(3) A CCS notification must be submitted in such form and manner as the chief inspector may reasonably require.
