7A.—(1) If the trustees make the choice under regulation 6A(1) to assess charges in accordance with this regulation, the following provisions apply.

(2) Trustees must calculate the value of members’ rights under the scheme at reference points set at equal intervals during the charges year of no more than 3 months (but see paragraphs (3), (6) and (7)).

(3) Where trustees change the intervals between reference points chosen for the purposes of paragraph (2) during the charges year, the start of the first new interval must commence on the day following the reference point at the end of the previous interval.

(4) The limit of permitted charges under—

- (a) a collective single charge structure, or
- (b) a collective existing rights charge in a collective combination charge structure,

is exceeded if the charges imposed on the members annually exceed the average of the reference point values multiplied by the applicable percentage.

(5) The applicable percentage is—

- (a) in the case of a collective single charge structure, 0.75%, and
- (b) in the case of a collective existing rights charge in a collective combination charge structure, the percentage in Column 2 of the table—
 - (i) in regulation 6A(3), where a collective contribution percentage charge is imposed, and
 - (ii) in regulation 6A(4), where a collective flat fee is imposed.

(6) Where members have rights under the scheme at only one reference point referred to in paragraph (2), paragraph (4) is to be read as if the words “average of the reference point values” read “value at the reference point”.

(7) Where members have no rights under the scheme at a reference point referred to in paragraph (2), paragraph (4) is to be read as if the words “average of the reference point values” read “value of members’ rights under the scheme on the final day of the charges year or, if there are no members who have such rights on that day, on the final day on which there are members who have such rights”.

(8) In this regulation monthly, 2 monthly and 3 monthly intervals are to be treated as equal intervals.

(9) Paragraph (10) applies where the charges imposed on the members include a performance fee payable at the end of the investment period.

(10) For the purposes of paragraph (4), the charge imposed annually on the members in relation to the performance fee may be treated as X divided by Y, where—

- (a) X is the sum of the performance fees accrued in relation to the return earned by the assets in the scheme (“the relevant assets”) during the relevant charges year and each of the preceding charges years, up to a maximum of 4 preceding charges years, and
- (b) Y is—
 - (i) 5, or

Status: This is the original version (as it was originally made).

(ii) where the investment period is less than 5 charges years, the number of charges years in the relevant period.

(11) Where the trustees choose to calculate the charge imposed annually on the members in accordance with paragraph (10), the trustees must, at the end of each charges year during the investment period, calculate—

- (a) the return earned by the relevant assets during that charges year;
- (b) the performance fee which has accrued in relation to that return.

(12) In this regulation “investment period” means the total period for which the assets in the scheme are invested in an investment for which a performance fee is payable at the end of the investment period.”.

15. In the heading to regulation 8 (alternative assessment of charges) after “charges” insert “ – default arrangements”.

16. After regulation 8 insert—

“Alternative assessment of charges – qualifying collective money purchase schemes.

8A.—(1) If the trustees make the choice under regulation 6A(1) to assess charges in accordance with this regulation, the limit of permitted charges under—

- (a) a collective single charge structure, or
- (b) a collective existing rights charge in a collective combination charge structure,

is not exceeded if, on the first day of the charges year, the charges regime to be applied to members’ rights under the scheme meets the requirement in paragraph (2) and that charges regime is applied to members’ rights throughout that charges year.

(2) The requirement referred to in paragraph (1) is that the charges regime would not result in charges being imposed on the members exceeding the limit of permitted charges when calculated in accordance with regulation 7A, if the assumptions in paragraph (3) and, if the trustees so choose, the assumption in paragraph (4) are made for the purposes of those calculations.

(3) The assumptions to be made for the purposes of paragraph (2) are—

- (a) the value of members’ rights under the scheme will not increase or decrease during the charges year when compared to the value on the first day of the charges year, other than as a result of charges imposed on the members, and
- (b) all the members may leave the scheme at any time during that charges year.

(4) The assumption which may be made for the purposes of paragraph (2) is that, where the charges include a performance fee to which regulation 7A(10) applies, the charge to be imposed on the members in relation to the forthcoming charges year will be X divided by Y, where—

- (a) X is the sum of the performance fees accrued in relation to the return earned by the assets in the scheme during each of the years preceding the charges year in question, up to a maximum of 5 preceding charges years, and
- (b) Y is—
 - (i) 5, or
 - (ii) where the investment period is less than 5 charges years, the number of charges years in the relevant period.

(5) In this regulation “charges regime” means—

- (a) the charges to be imposed, and any rebates of charges to be applied, as a percentage of the value of members' rights under the scheme;
- (b) when they are to be deducted from, or added to, the value of members' rights throughout the charges year;
- (c) how the value of members' rights will be calculated for the purposes of imposing or rebating charges.

(6) Where the first contribution made by or on behalf or in respect of members to the scheme is made after the first day of the charges year, paragraphs (1) and (3)(a) are to be read as if "on the first day of the charges year" read "on the date on which the first contribution is made in a charges year".

(7) Where the trustees make the choice under regulation 6A(1) to assess charges in accordance with this regulation but, during the charges year the charges regime fails to meet the requirement in paragraph (2), the trustees must assess charges for the whole charges year in accordance with regulation 7A."

17. In regulation 9 (member agreement for services)—

(a) in paragraph (1) after "Subject to paragraph (3)," insert "in the case of a member of a relevant scheme (that is not a collective money purchase scheme),";

(b) after paragraph (1) insert—

"(1A) Subject to paragraph (3), in the case of the members of a relevant scheme (that is a qualifying collective money purchase scheme), the restrictions in regulation 4 (with the exception of regulation 4(1A)) do not apply in relation to advice or a service for which a member has entered into an agreement with a person for the provision of that advice or service, provided the conditions in paragraph (2) are satisfied.";

(c) in paragraph (2)—

(i) for "paragraph (1)" substitute "paragraphs (1) and (1A)";

(ii) in sub-paragraph (b)(ii) after "default arrangement" insert "or under a qualifying collective money purchase scheme, as applicable";

(ii) after sub-paragraph (e) add—

"(f) a transfer out of a qualifying collective money purchase scheme into a different scheme;

18. In regulation 10(1) (charge limits adjustment) after "relevant scheme" insert ", that is not a collective money purchase scheme,".

19. In regulation 11(5) (non-contributing members) in the definition of "relevant scheme" for "regulation 2(2)" substitute "regulation 2(2)(a) or (b)".

20. In regulation 11A(27) (relevant information)—

(a) in paragraph (1)(28)—

(i) for "applies" substitute "applies—";

(ii) the wording from "to a member" to the end shall be renumbered as sub-paragraph (a) of that paragraph;

(27) Regulations 11A to 11C were inserted by regulation 5 of S.R. 2016 No. 171

(28) Paragraph (1) was amended by regulation 6(9)(a) of S.R. 2021 No. 272

Status: This is the original version (as it was originally made).
