1931. No. 30.

BY THE GOVERNOR AND PRIVY COUNCIL OF NORTHERN IRELAND.

ABERCORN.

Whereas by section 9 of the Weights and Measures Act, 1904-(4 Edw. 7, c. 28), as that Act applies in Northern Ireland, it is provided that it shall be lawful for the Governor of Northern Ireland, by Order in Council, to specify new fees to be paid in respect of the verification and stamping of weights, measures, and weighing and measuring instruments in substitution for the fees specified in the First Schedule to the Weights and Measures-Act, 1889 (52 & 53 Vict. c. 21):

And whereas it is provided by sub-section (3) of section 3 of the Weights and Measures (Amendment) Act (Northern Ireland), 1930, (20 & 21 Geo. 5, c. 16) that the aforesaid power of the Governor of Northern Ireland shall include and be deemed always to have included the power of specifying fees to be paid whether or not the weighing or measuring apparatus is found correct or is stamped:

And whereas the Ministry of Commerce has represented to the Governor of Northern Ireland that it would be expedient to specify new fees to be paid in respect of the verification and stamping of measuring instruments used in trade for the measurement of liquid fuel or lubricating oil for sale in individual quantities not exceeding twenty gallons:

Now I, James Albert Edward, Duke of Abercorn, Knight of the Most Noble Order of the Garter, Knight of the Most Illustrious-Order of Saint Patrick, Governor of Northern Ireland, by and with the advice of the Privy Council of Northern Ireland, dohereby order as follows:—
