3. The Ministry may award annually scholarships (hereinafter called "Trade Scholarships") to enable young men engaged in an industry to obtain systematic instruction in the principles of Applied Science, Technology, Craftsmanship and Art as applied to that industry.

4. A Trade Scholarship shall be tenable over the period of the approved course of instruction followed by the scholar : Provided that

(3) A Trade Scholarship shall be paid in such manner as the Ministry may determine.

6. The Ministry may pay to a scholar such amount in respect of travelling expenses as it may from time to time determine.

7. The Ministry may not make any payments to or in respect of a scholar other than those specified in Regulations 5 and 6 hereof.

8. The Ministry may make such deductions on account of absence or other cause as it may deem proper from the maintenance allowance payable to a scholar.

 - (2) furnish the Ministry with an undertaking in the prescribed form from or on behalf of his employer that he will be offered re-employment on the termination of his Trade Scholarship : Provided, however, that the Ministry may waive this condition in the case of any candidate if it should think fit.
15. Every candidate must be ordinarily resident in Northern Ireland and have been engaged in Northern Ireland in the trade or branch of industry, in which a scholarship is sought by him, for a period of not less than one year at the date of application for an award.
16. A candidate shall satisfy the Ministry as to his ability to profit by attendance at an approved course, and shall pass such qualifying tests as the Ministry may prescribe.
