(2) The weekly rate of a maternity allowance shall not be increased under this regulation in respect of any person for any such period as is mentioned in paragraphs (c) and (d) of subsection (2) of section 8 of the Act of 1953 unless the beneficiary would, if she were entitled to sickness benefit for that period, be entitled for that period to an increase of sickness benefit in respect of that person if she had made the necessary claim; and, for the purposes of the application of the provisions of this paragraph, any such period shall be deemed not to include a Sunday or such other day as is to be disregarded for the purposes of any provision of the Act relating to unemployment or sickness benefit.
