(2) Where it is the established practice of an employer to require attendance on Sunday instead of Saturday, the overtime rates as set out in this paragraph shall apply to workers in like manner as if the word "Saturday" were substituted for "Sunday" and the word "Sunday" for "Saturday."

(3) Workers employed on piece work shall be entitled to receive, in respect of each hour of overtime worked, in addition to piece rates each of which would yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate

an amount equivalent to one-quarter, one-half or the whole of the appropriate piece work basis time rate according as the overtime rate payable under the foregoing provisions of this paragraph, if the worker had been employed on time work would have been equivalent to time-and-a-quarter, time-and-a-half or double time respectively.

Paragraph 7.

The expression "customary holiday" means-

- (a) Christmas Day (or, if Christmas Day falls on a Sunday, such other weekday as may be appointed by national proclamation or, if none is so appointed, the next following Tuesday), Boxing Day, Easter Monday, Easter Tuesday and two other days (being days on which the worker normally works) in the course of a calendar year to be mutually agreed between the employer and the worker or his representative; or
- (b) a day substituted by the employer for any one of the said days, being a day recognised by local custom as a day of holiday in substitution for the said day.

Paragraph 8.

For the purposes of paragraph 6 of this Schedule, the expressions time-and-a-quarter, time-and-a-half and double time mean respectively, one-and-a-quarter times, one-and-a-half times and twice the minimum rate otherwise applicable.

GENERAL

APPLICATION OF STATUTORY MINIMUM REMUNERATION TO PIECE WORKERS Paragraph 9.

In the case of male or female workers employed on piece work, each piece rate paid must be such as will yield, in the circumstances of the case, to an ordinary worker, at least the same amount of money as the appropriate piece work basis time rate. In determining whether any piece rate satisfies the foregoing condition regard shall be had only to the earnings of workers of ordinary skill and experience in the class of work in question and not to the earnings of workers of less than ordinary skill and experience.

EMPLOYMENT OF JUVENILE WORKERS ON PIECE WORK

Paragraph 10.

An employer shall, in any case where a learner or other juvenile worker is employed on piece work during the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has received, in respect of his employment on piece work in each week during that period, at least the same amount of money as such worker would have been entitled to receive if employed on time work.

An employer shall, in any case where any such worker is so employed at any time subsequent to the first six months of his employment in the trade, be deemed to pay wages at less than the minimum rate unless he shows that such worker has, in respect of his employment on piece work, been paid at piece rates which would yield, in the circumstances of the case, to an ordinary worker (not being a juvenile worker) at least the same amount of money as the appropriate piece work basis time rate.

WAITING TIME

Paragraph 11.

(1) A worker shall be entitled to payment of statutory minimum remuneration as aforesaid during all the time during which he is present on the premises of his employer unless he is so present either without his employer's consent, express or implied, or for some purpose unconnected with his work and other than that of waiting for work to be given to him to perform. (2) A piece worker shall during any time during which he is present as aforesaid and is not doing piece work be entitled to payment of the general minimum time rate applicable to the workers of the class to which he belongs.

Provisions (1) and (2) do not apply when—

- (a) a worker is present on his employer's premises by reason only of the fact that he is resident thereon, or
- (b) a worker is present on his employer's premises during normal meal times in a room or place in which no work is being done and is not waiting for work to be given to him to perform.
