I confirm that the above described debt is the whole debt in respect of which I hold security over the debtor's dwellinghouse described in Part 1.

I agree not to claim under the trust deed for any of the debt in respect of which my security is held ("the excluded debt").

I understand that if the excluded debt is excluded from a trust deed granted by the debtor in terms of the draft trust deed attached:

- The terms of repayment of the excluded debt are not affected.
- I will not vote in, or in respect of, the trust deed in relation to the excluded debt.
   Nor will I receive a dividend under the trust deed in relation to the excluded debt.
   But my voting and dividend rights in relation to a debt other than the excluded debt are not affected.
- If the trust deed achieves protected status, I am not entitled to—
  - (a) make a claim under the trust deed in respect of any of the excluded debt;
  - (b) do diligence against the assets covered by the trust deed; nor
  - (c) during the subsistence of the protected trust deed, petition for the sequestration of the debtor.
- Any discharge of the debtor after the trust deed achieves protected status does not discharge the debtor in respect of the excluded debt.

My agreement applies to a trust deed entered into by the debtor in terms of the draft trust deed attached, provided the trust deed achieves protected status within 3 months of today's date.
