The Healthcare Improvement Scotland
(Inspections) Regulations 2011

Authorised persons

3.—(1) A person may be authorised by HIS to carry out inspections under section 10I and 10M.

(2) If the inspection relates to an independent healthcare service, a person authorised by HIS to carry out inspections under section 10M may at any time enter and inspect premises which are used or which the person has reasonable cause to believe are used to provide the independent health care service being inspected.

(3) HIS will determine the qualifications required for the role of an authorised person.
