### Transitional and Savings Provisions

## PART 2

### Pollution Control

10. When carrying out a review in accordance with paragraph 9, SEPA must—
- (a) assess the risk to the water environment posed by the carrying on of the authorised activity;
  - (b) where it considers that the authorised activity has or is likely to have a significant adverse impact on the water environment—
    - (i) assess the indirect effects of that impact on any other aspects of the environment likely to be significantly affected;
    - (ii) consider any likely adverse social and economic effects of that impact and of any indirect environmental effects identified in accordance with sub-paragraph (i); and
    - (iii) consider the likely environmental, social and economic benefits of the activity;
  - (c) assess the impact of the authorised activity on the interests of other users of the water environment;
  - (d) assess what steps may be taken to ensure efficient and sustainable water use;
  - (e) apply the requirements of the legislation referred to in Part 1 of Schedule 4, including, in particular, the provisions of Article 4 of the Directive and Article 6 of the Groundwater Directive 2006; and
  - (f) have regard to the provisions of the legislation referred to in Part 2 of Schedule 4,

and take such steps under the authorising legislation as are necessary to ensure that the relevant authorisations comply with the requirements of these Regulations.
