Offshore wind generating stations using floating wind turbines

10. In article 30D(1)—

(a) for paragraph (3)(b) substitute—

“(b) it confirms that—

(i) to the best of the operator’s knowledge and belief the electricity generated was generated by a generating station using only floating wind turbines; and

(ii) the lease in respect of which the generating station is entitled to operate at that particular area of seabed is a demonstration lease issued by the Crown Estate in relation to that site.”; and

(b) at the end of paragraph (4) insert “and not by any other means”.
