**2019 No.**

**The Cremation (Scotland) Regulations 2019**

*Cremation applications*

**Cremation following warrant to disinter**

- 10.**—(1) This regulation applies where—
- (a) a cremation authority receives an application for cremation under regulation 8, and
  - (b) the person who submits the application referred to in sub-paragraph (a) informs the cremation authority that a warrant to disinter has been granted by the sheriff in respect of the remains of the deceased specified on the application form.
- (2) The cremation authority may only carry out the cremation after the warrant to disinter has been received by the cremation authority.
