TRANSITIONAL AND SAVINGS PROVISIONS

Transitional provision in for the Utilities Contracts (Scotland) Regulations 2016

4. Where, in accordance with regulation 50 of the Utilities Contracts (Scotland) Regulations 2016, a contracting authority has established a dynamic purchasing system before exit day, paragraph (23) of that regulation shall be read in relation to that system as if the reference to “a renewed SPD” were a reference to “an SPD or a renewed SPD”.
