

SCHEDULE 1

Regulation 2

Meaning of “event zone”

1. “Event zone” means any place within the shaded area on a relevant map together with any pavement on each side of any road within that area, including the airspace above or below any place within the event zone.
2. All parts of a railway station (whether on, above or under the ground) are to be treated as being within the event zone if any part of the station is on or above the ground in the event zone.
3. Where a relevant map shows any part of an event zone to be bounded by a river, the boundary is to be the mean low water spring of that river.
4. In paragraphs 1 and 3, “relevant map” means a map set out in schedule 3.
