

## SCHEDULE 4

Specific conditions: engaging in animal rehoming activities (other than in the course of operating an animal welfare establishment)

### **Protection from suffering, injury and disease**

2.—(1) All animals supplied as pets must be in good health.

(2) Any animal with a condition which is likely to affect its quality of life must not be moved, transferred or supplied as a pet but may be moved to an isolation facility or veterinary care facility if required until the animal has recovered.

(3) When arranging for the receipt of animals, the licence holder must make reasonable efforts to ensure that they will be transported in a suitable manner.

(4) When an animal is transported in or handed over in a container to the person to whom the licence holder is supplying the animal, the container must be suitable for the species and expected duration of the journey.
