2021 No.

The Disability Assistance for Children and
Young People (Scotland) Regulations 2021

PART 5

Effect of time spent in care homes and in legal detention

Entitlement to care component of Child Disability Payment while an in-patient

21. For the avoidance of doubt, any period when an individual is an in-patient in a hospice or hospital, has no effect on the individual's entitlement to the care component of Child Disability Payment.
