2021 No.

**The Plant Health (EU Exit) (Scotland)
(Amendment) Regulations 2021**

Transitional provision in relation to plant health import inspection fees

5.—(1) This regulation applies to plants, plant products, other objects and controlled consignments, which originate in, or are dispatched from an EU Member State, Liechtenstein or Switzerland and are introduced into Scotland during the period commencing on 1 April 2021 and ending on 31 May 2021.

(2) In relation to plants, plant products, other objects and controlled consignments to which this regulation applies, the following provisions do not apply—

- (a) regulations 3 and 5 of the 2014 Regulations,
- (b) regulations 3(4) and (5) of the Plant Health (Fees) (Forestry) (England and Scotland) Regulations 2015.

(3) In this regulation, “controlled consignment” has the same meaning as in regulation 2(1) of the Plant Health (Fees) (Forestry) (England and Scotland) Regulations 2015.
