- (b) severely limited ability to carry out daily living activities where the individual obtains a score of at least 12 points in relation to daily living activities.

Scoring for mobility activities

(2) For the purpose of paragraph (1), the number of points awarded to an individual for each activity listed in column 1 of the table is the number shown in column 3 of the table against whichever of the descriptors set out in column 2 of the table for the activity applies to the individual by virtue of regulation 10.

- (c) where no descriptor is satisfied on over 50% of the days of the required period but two or more descriptors (other than a descriptor which scores 0 points) are satisfied for periods which, when added together, amount to over 50% of the days of the required period—
 - (i) the descriptor which is satisfied for the greater or greatest proportion of days of the required period, or
 - (ii) where both or all descriptors are satisfied for the same proportion, the descriptor which scores the higher or highest number of points.

PART 4

Required Period Condition

Required Period Condition: daily living component

11. An individual meets the required period condition for the purposes of regulation 5 where, if the individual's ability to carry out the daily living activities were determined every day in the required period, it is likely that the Scottish Ministers would determine on all of those days that the individual had limited or, as the case may be, severely limited ability to carry out the daily living activities.

Required Period Condition: mobility component

12. An individual meets the required period condition for the purposes of regulation 6 where, if the individual's ability to carry out the mobility activities were determined every day in the required period, it is likely that the Scottish Ministers would determine on all of those days that the individual had limited or, as the case may be, severely limited ability to carry out the mobility activities.

The relevant date

- 13.** Except where regulation 14 or 23 applies, in these Regulations, the "relevant date" is—
- (a) where the individual has made an application for Adult Disability Payment which has not been determined—
 - (i) the date of that application, or
 - (ii) if later, the earliest date in relation to which, if the individual's ability to carry out daily living activities or, as the case may be, mobility activities, had been determined on every day in the previous 13 weeks, it is likely that the Scottish Ministers would have determined on all of those days that the individual has limited ability or, as the case may be, severely limited ability to carry out those activities, and
 - (b) where the individual has an award of either or both components, each day of that award.

The relevant date: Adult Disability Payment after an interval

14.—(1) This regulation does not apply where regulation 23 (Adult Disability Payment after an interval and after reaching the relevant age) applies.

(2) Paragraphs (3) and (4) apply where—

(a) an individual makes an application for Adult Disability Payment (“the application”),

(b) that individual had a previous award of—

(i) Adult Disability Payment,

(ii) Child Disability Payment,

(iii) Disability Living Allowance, or

(iv) Personal Independence Payment,

which ended not more than two years before the date on which the application is made,

(c) the previous award referred to in sub-paragraph (b) consisted of the same component as the one to which the individual is entitled (or would be entitled if the individual met the required period condition) under the application, and

(d) the Scottish Ministers determine that the entitlement under the application results from—

(i) substantially the same physical or mental condition or conditions for which the previous award was made, or

(ii) a new physical or mental condition or conditions which developed as a result of a condition for which the previous award was made.

(3) In relation to determination of entitlement under the application, the relevant date for the purpose of regulation 10(3) is the date on which the previous award ended.

(4) Where an individual is awarded either or both components under the application, in relation to continued entitlement to that component or, as the case may be, those components, the relevant date for the purpose of regulation 10(3) is—

(a) during the period of 13 weeks following the date of the application, the date on which the previous award ended,

(b) in any other case, each day of the award.

(5) For the purposes of this regulation—

(a) an award of any of the following is to be treated as though it were an award of the daily living component of Adult Disability Payment—

(i) the care component of Child Disability Payment,

(ii) the care component of Disability Living Allowance, or

(iii) the daily living component of Personal Independence Payment,

(b) an award of any of the following is to be treated as though it were an award of the mobility component of Adult Disability Payment—

(i) the mobility component of Child Disability Payment,

(ii) the mobility component of Disability Living Allowance, or

(iii) the mobility component of Personal Independence Payment.

PART 5

- (e) has been present in the common travel area for a period of, or for periods amounting in the aggregate to, not less than 26 weeks out of the 52 weeks immediately preceding that day.

(2) In this Part, “common travel area” has the meaning given in section 1(3) of the Immigration Act 1971⁽²⁵⁾.

(3) The residence condition set out in paragraph (1)(a) does not apply in relation to the daily living component where on any day the individual—

 - (ii) in respect of whom the United Kingdom is, as a result, competent for payment of long term care benefits.

(4) The reference in paragraph (3)(b) to an individual’s link to Scotland being sufficient is to it being sufficiently close that if the individual were not entitled to Adult Disability Payment, paragraph (3) would be incompatible with the Convention on Social Security between the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of Ireland signed at Dublin on 1 February 2019.

(5) Paragraph (1)(c) does not apply to a person subject to immigration control within the meaning of section 115(9) of the Immigration and Asylum Act 1999 where the person—

- (a) is lawfully working in United Kingdom and is a national of a state with which the United Kingdom has concluded an agreement which replaces in whole or in part an agreement under Article 217 of the Treaty on the Functioning of the European Union⁽²⁷⁾ which has ceased to apply to, and in, the United Kingdom, providing, in the field of social security, for the equal treatment of workers who are nationals of the signatory state and their families,
- (b) is a member of the family of, and living with, a person specified in sub-paragraph (a), or

⁽²⁶⁾ 2019 CP 49.

⁽²⁷⁾ OJ C 202, 7.6.2016, p.146.

- (c) has been given leave to enter, or remain in, the United Kingdom by the Secretary of State upon an undertaking by another person or persons pursuant to the immigration rules, to be responsible for their maintenance and accommodation.
- (6) The past presence condition in paragraph (1)(e) does not apply where an individual has a terminal illness within the meaning of regulation 26.
- (7) The residence and presence conditions set out in paragraphs (1)(b) and (1)(e) do not apply where an individual is a person who—
 - (a) has leave to enter or remain in the United Kingdom granted under the immigration rules by virtue of—
 - (i) the Afghan Relocations and Assistance Policy, or
 - (ii) the previous scheme for locally-employed staff in Afghanistan (sometimes referred to as the ex-gratia scheme),
 - (b) has been granted discretionary leave outside the immigration rules as a dependant of a person referred to in sub-paragraph (a), or
 - (c) has leave granted under the Afghan Citizens Resettlement Scheme.
- (8) For the purposes of paragraph (7), “the Afghan Citizens Resettlement Scheme” means the scheme announced by the United Kingdom Government on 18 August 2021⁽²⁸⁾.

Temporary absence from the common travel area

- 16.—(1) Where an individual is temporarily absent from the common travel area, the individual is to be treated as present in the common travel area for—
- (a) the first 13 weeks of that absence for any reason, or
 - (b) the first 26 weeks of that absence where—
 - (i) after the first 13 weeks, the absence is in connection with arrangements made for the medical treatment of the individual for a disease or bodily or mental disablement which commenced before leaving the common travel area, and

- (2) Where an application for Adult Disability Payment is made in terms of paragraph (1)—
- (a) regulation 22(1)(b) does not apply, and
 - (b) paragraphs (5) and (6) apply to the determination of entitlement under the new application.
- (3) In relation to determination of entitlement under the new application, the relevant date for the purpose of regulation 10(3) is the date on which the previous award ended.
- (4) Where an individual is awarded either or both components under the new application, in relation to continued entitlement to that component or, as the case may be, those components, the relevant date for the purpose of regulation 10(3) is—

 - (b) where the individual is not entitled to the enhanced rate of that component because of sub-paragraph (a), they are entitled to the standard rate of that component provided that they were entitled to that rate of that component under the previous award.
- (6) Where the Scottish Ministers determine that the individual has limited ability to carry out mobility activities, the individual is entitled to the standard rate of the mobility component only if they were entitled to that component, at either rate, under the previous award.

 - (ii) the mobility component of Personal Independence Payment.

Persons who have reached the relevant age: other exceptions

24. Regulation 22(1)(b) does not apply where the individual has reached the relevant age, including for the purposes of any determination of their entitlement to Adult Disability Payment made after they have reached the relevant age, if they—

- (a) were entitled to an award of either or both components of Adult Disability Payment on the day preceding the day on which they reached the relevant age,
- (b) made an application for Adult Disability Payment before reaching the relevant age and that application was not determined before they reached that age, but an award of either or both components would be made in respect of the individual but for regulation 22(1)(b), or
- (c) are a transferring individual in terms of Part 3 of schedule 2.

Determination of an award after the person has reached the relevant age

25.—(1) This regulation applies where—

- (a) the individual—
 - (i) has reached the relevant age, and
 - (ii) is entitled to an award (“the original award”) of the mobility component of Adult Disability Payment, pursuant to an exception in regulation 23 or 24, and
- (b) the Scottish Ministers are under a duty to make a subsequent determination of their entitlement by way of a determination without an application under regulation 48(a).

(2) The restrictions in paragraph (3) apply in relation to a determination referred to in paragraph (1)(b) where—

- (a) the original award includes an award of the mobility component, and
- (b) the determination is being made under regulation 48(a) in relation to—
 - (i) a change of circumstances which occurred after the person reached the relevant age, or
 - (ii) a material fact which the Scottish Ministers were not previously aware of, or medical evidence received from a healthcare professional or other person approved by the Scottish Ministers, where the Scottish Ministers become aware of the material fact or medical evidence after the individual reached the relevant age.

(3) The restrictions referred to in paragraph (2) are—

- (a) where the original mobility component award is for the standard rate then, regardless of whether the award would otherwise have been for the enhanced rate, the Scottish Ministers—
 - (i) may only make an award for the standard rate of that component, and
 - (ii) may only make such an award where entitlement results from substantially the same condition or conditions in respect of which the mobility component in the original award was given,
- (b) where the original mobility component award is for the enhanced rate, the Scottish Ministers may only award that rate of that component where entitlement results from

substantially the same condition or conditions in respect of which the mobility component in the original award was given.

(4) Where the original award does not include an award of the mobility component but the individual had—

- (a) a previous award of—
 - (i) the mobility component of Adult Disability Payment,
 - (ii) the mobility component of Personal Independence Payment, or
 - (iii) the mobility component of Disability Living Allowance, and
- (b) the previous award of the component under sub-paragraph (a) ceased no more than 1 year prior to the date on which the determination referred to in paragraph (1)(b) takes or would take effect,

for the purpose of this regulation, entitlement under that previous award is to be treated as if it were under the original award.

(5) Paragraph (2)(b)(ii) does not include medical evidence in the form of a clinical judgement which was made in accordance with regulation 26(7) and (8) before the individual reached the relevant age.

- (6) In this regulation, “healthcare professional” means a—
- (a) registered medical practitioner,
 - (b) registered nurse, or
 - (c) healthcare professional who is registered by the Health and Care Professions Council.

PART 7

Entitlement under special rules for terminal illness

Entitlement under special rules for terminal illness

26.—(1) An individual who has a terminal illness is to be treated as satisfying the conditions for the enhanced rate of both the daily living component and the mobility component of Adult Disability Payment.

(2) Paragraph (1) applies regardless of the period of time for which the individual has had the terminal illness.

(3) Regulations 5 and 6 do not apply to a person to whom this regulation applies.

(4) Subject to paragraphs (5) and (6), the individual’s entitlement to the rates referred to in paragraph (1) begins on the date on which—

- (a) the individual’s application for Adult Disability Payment was made, where the application included information about the individual’s terminal illness,
- (b) the Scottish Ministers became aware of the individual’s terminal illness (whether as a result of the individual notifying a change in circumstances or otherwise), where the individual was previously awarded, and has an ongoing entitlement to, Adult Disability Payment, on the basis of a determination that the individual was entitled to the daily living component or the mobility component or both in relation to a condition other than terminal illness, or
- (c) the clinical judgement was made in accordance with paragraphs (7) and (8) (“the judgement”),

whichever is the earlier.

(5) Where the judgement mentioned in paragraph (4)(c) is dated not more than 26 weeks earlier than whichever date in paragraph (4)(a) or (b) applies (“the applicable date”), the Scottish Ministers have the power, when making their determination, to specify that an individual’s entitlement begins—

- (a) up to a maximum of 26 weeks prior to the applicable date, and
- (b) on or after the day these Regulations come into force.

(6) Where the judgement mentioned in paragraph (4)(c)—

- (a) is dated more than 26 weeks earlier than whichever date in paragraph (4)(a) or (b) applies (“the applicable date”), and
- (b) an appropriate healthcare professional confirms that the judgement is still accurate by making a judgement in accordance with paragraphs (7) and (8),

an individual’s entitlement can only begin—

- (c) up to a maximum of 26 weeks prior to the applicable date, and
- (d) on or after the day these Regulations come into force.

(7) For the purposes of these Regulations an individual is to be regarded as having a terminal illness for the purpose of determining entitlement to Adult Disability Payment if it is the clinical judgement of an appropriate healthcare professional that the individual has a progressive disease that can reasonably be expected to cause the individual’s death.

(8) Subject to paragraph (9), an appropriate healthcare professional exercising the judgement described in paragraph (7) must have regard to the guidance prepared and made publically available by the Chief Medical Officer of the Scottish Administration in accordance with paragraph 1(3) of schedule 5 of the 2018 Act⁽⁴²⁾.

(9) Where regulation 20 (persons residing outside the United Kingdom to whom a relevant EU regulation applies) applies to the individual, an appropriate healthcare professional mentioned in paragraph 10(b) need not have regard to the guidance mentioned in paragraph (8) where it would not be reasonable in the circumstances to insist on the judgement being formed with regard to that guidance.

(10) In this regulation, “an appropriate healthcare professional” means—

- (a) a registered medical practitioner or a registered nurse who is—
 - (i) involved in the diagnosis or care of the individual, and
 - (ii) acting in their professional capacity, or
- (b) where regulation 20 applies to the individual, a person who—
 - (i) has equivalent qualifications to a registered medical practitioner or a registered nurse in an EEA state, Gibraltar or Switzerland,
 - (ii) is a member of the professional body equivalent to the General Medical Council or Nursing and Midwifery Council in that EEA state, Gibraltar or Switzerland, and
 - (iii) meets the requirements of sub-paragraph (a)(i) and (ii).

(11) Where an individual has previously received Adult Disability Payment or a benefit listed in paragraph 12(a) for a period and a determination is subsequently made that the individual is entitled to Adult Disability Payment at a higher rate for that period by virtue of this regulation, that individual will be entitled to the difference between the value of entitlement to Adult Disability Payment under the subsequent determination and the value of Adult Disability Payment or the benefit listed in paragraph 12(a) to which that individual was previously entitled for that period.

(12) For the purpose of paragraph 11—

⁽⁴²⁾ 2018 asp 9.

- (a) the benefits are—
 - (i) armed forces independence payment,
 - (ii) Attendance Allowance,
 - (iii) Child Disability Payment,
 - (iv) Disability Living Allowance, or
 - (v) Personal Independence Payment, and
- (b) regulation 4 (entitlement to other benefits) is treated as omitted.

Effect of admission to a care home on ongoing entitlement to daily living component

27.—(1) This regulation applies where an individual who has an ongoing entitlement to the daily living component of Adult Disability Payment becomes a resident of a care home.

(2) Subject to paragraphs (4) and (5) and regulation 29, on the day after the day on which the individual has been resident in a care home for 28 days, and for so long as the individual continues to reside in such a home, the value of the daily living component of Adult Disability Payment that is to be given to the individual is to be £0 instead of the values set out in regulation 34 (amount and form of Adult Disability Payment).

(3) The 28 days referred to in paragraph (2) may comprise two or more separate periods, provided that there is no more than 28 days between each period.

(5) For the purposes of this regulation, an individual is not resident in a care home during any period when the individual is being looked after by a local authority and—

- (a) has been placed temporarily in a private dwelling with a family, relative or some other suitable person while aged between 16 and 18 and receiving services under Part II of the Children (Scotland) Act 1995⁽⁴³⁾ by virtue of being a child in need within the meaning of section 93(4)(a)(ii) (impairment of health), or 93(4)(a)(iii) (disability) of that Act, or
- (b) is accommodated in a care home outside the United Kingdom, where the costs of any qualifying services are met wholly or partly by a local authority exercising its powers under section 25 of the Education (Additional Support for Learning) (Scotland) Act 2004 (attendance at establishments outwith the United Kingdom)⁽⁴⁴⁾.

(3) The 28 days referred to in paragraph (2) may comprise two or more separate periods, provided that there is no more than 28 days between each period.

(4) For the purposes of paragraph (1), the costs of treatment, accommodation or any related services are borne out of public funds if the individual is undergoing medical or other treatment as an in-patient in—

- (a) a hospital or similar institution under—
 - (i) the National Health Service Act 2006(48),

(4) Days constituting a period of leave are not to be counted as days of residence in a place.

(5) Where an individual enters a place (“the second place”) under paragraph (1) as a result of transfer from another place (“the first place”) under that paragraph—

PART 9

Making of applications and payments and duration of eligibility

Making Payments

33.—(1) Where Adult Disability Payment is payable in respect of an individual, the Scottish Ministers may, where they consider it appropriate, make the payment to another person to be used for the benefit of the individual.

(2) Where the Scottish Ministers consider, for any reason, that it is no longer appropriate for a particular person who falls within paragraph (1) to continue to receive the payment, they may cease making payment to that person.

Amount and form of Adult Disability Payment

34.—(1) The weekly rate of payment of the daily living component is, where the individual is entitled to—

- (a) the standard rate, £60.00, or
- (b) the enhanced rate, £89.60.

(2) The weekly rate of the mobility component is, where the individual is entitled to—

- (a) the standard rate, £23.70, or

⁽⁵⁵⁾ 1995 c. 36.

⁽⁵⁶⁾ 2004 asp. 4.

(b) the enhanced rate, £62.55.

(3) Where an individual is entitled to payment of the daily living component or the mobility component for a period shorter than one week, payment of that component is to be made at one-seventh of the relevant weekly rate, for each day of entitlement.

(4) For any week where an individual is entitled to—

- (a) the daily living component of Adult Disability Payment, and
- (b) payment of an amount in respect of constant attendance under section 104 of the Social Security Contributions and Benefits Act 1992⁽⁵⁷⁾,

the amount of the daily living component of Adult Disability Payment that is to be given to the individual is to be reduced by the amount paid under that section.

(5) For the purpose of calculating the amount of the daily living component that is to be given to the individual, in accordance with paragraph (3), where the amount in respect of constant attendance is equal to or greater than the amount of the daily living component of Adult Disability Payment, the value of the daily living component of Adult Disability Payment that is to be given to the individual is to be £0.

(6) For any week where an individual is entitled to—

- (a) the mobility component of Adult Disability Payment, and
- (b) payment of War Pensioners' Mobility Supplement within the meaning of—
 - (i) the Naval, Military and Air Forces etc. (Disablement and Death) Service Pensions Order 1983 (“1983 Order”)⁽⁵⁸⁾,
 - (ii) the Personal Injuries (Civilians) Scheme 1983⁽⁵⁹⁾,

the amount of the mobility component of Adult Disability Payment that is to be given to the individual is to be £0.

(7) Adult Disability Payment is only to be given in the form of money, except as provided for by regulation 44 (Form of payment – giving Adult Disability Payment by way of deduction).

When an application is to be treated as made and beginning of entitlement to assistance

35.—(1) An application for Adult Disability Payment is to be treated as made—

- (a) on the day it is received by the Scottish Ministers, or
- (b) if applicable, on the day identified by the Scottish Ministers in accordance with paragraph (2).

(2) If, before making a determination on the basis of an application, the Scottish Ministers consider that the individual in respect of whom the application is made—

⁽⁵⁸⁾ S.I. 1983/883.

⁽⁵⁹⁾ S.I. 1983/686.

⁽⁶⁰⁾ S.I. 1964/1985.

⁽⁶¹⁾ S.I. 1964/2007.

⁽⁶²⁾ S.I. 1964/2058.

- (a) would not satisfy a requirement in—
 - (i) regulation 5 (daily living component),
 - (ii) regulation 6 (mobility component),
 - (iii) regulation 11 (required period condition: daily living component),
 - (iv) regulation 12 (required period condition: mobility component),
 - (v) Part 5 (residence and presence conditions), or
 - (vi) regulation 22 (age criteria),
 if the application were treated as made on the day it was received, and
- (b) would likely be entitled to receive Adult Disability Payment if those requirements were satisfied within a 13-week period beginning on the day it was received,

the Scottish Ministers may choose the date within that 13 week period on which the application is to be treated as made.

(3) Where, on the basis of an application (other than where regulation 58(1) applies), a determination is made that an individual is entitled to Adult Disability Payment, the date on which entitlement begins is to be identified in accordance with paragraphs (4) to (6).

(4) Where an application is made within 8 weeks of the day on which the full name and date of birth of an individual (“the required data”) is submitted by, or on behalf of, the individual to the Scottish Ministers for the purpose of an application for Adult Disability Payment, entitlement begins on whichever is the later of the day—

- (a) on which the required data was submitted, or
- (b) identified in accordance with paragraph (2).

(5) Subject to paragraph (6), where an application is made after the 8 week period described in paragraph (4), entitlement begins on the day on which the application is treated as made in accordance with paragraph (1).

(6) Where the Scottish Ministers are satisfied that there is a good reason why an application was made after the 8 week period described in paragraph (4), they may treat the application as having been made within that period.

(7) For the purposes of section 38(3) of the 2018 Act, the period covered by an application for Adult Disability Payment—

- (a) under paragraph (1)(a)—
 - (i) begins on the day on which the application is treated as having been made, and
 - (ii) ends on the day on which the determination of entitlement is made, and
- (b) under paragraph (1)(b)—
 - (i) is deemed to begin on the day before the determination of entitlement is made provided that the requirements are satisfied, and
 - (ii) ends on the day on which the determination of entitlement is made.

Time of Payment

36. Where an award of Adult Disability Payment is made, the Scottish Ministers are to make—

- (a) the first payment of assistance on a date specified in the notice of determination, and
- (b) any subsequent payment—
 - (i) 4 weekly in arrears, or

- (ii) where regulation 26 (entitlement under special rules for terminal illness) applies, weekly in advance.

Continuing Eligibility

37.—(1) Subject to paragraphs (3) and (4), a determination that an individual is entitled to Adult Disability Payment in respect of a period is to be made on the basis that the individual has an ongoing entitlement to Adult Disability Payment after the end of that period, except where paragraph (2) applies.

(2) This paragraph applies where, after the end of the period mentioned in paragraph (1), the individual no longer satisfies the eligibility rules.

(3) A determination of ongoing entitlement is made on the basis that—

- (a) the individual will continue to be entitled to Adult Disability Payment for a fixed or indefinite period as specified in the notice of determination, and
- (b) the decision that the individual is entitled to Adult Disability Payment for each subsequent 4-week period is to be taken in accordance with these Regulations, on the strength of the assumptions set out in paragraph (4).

(4) The assumptions are that—

- (a) the individual continues to satisfy the eligibility criteria which were satisfied to be entitled to Adult Disability Payment under the determination mentioned in paragraph (1),
- (b) the information on which the determination mentioned in paragraph (1) was made still applies and is relevant in the individual's case, and
- (c) there is no change in circumstances of the individual which would require to be notified under section 56 (duty to notify change of circumstances) of the 2018 Act.

Circumstances in which assistance may be suspended

38.—(1) The Scottish Ministers may decide that an individual who has an ongoing entitlement to Adult Disability Payment in respect of a period by virtue of regulation 37 (continuing eligibility) is not to become entitled to be given some or all of either component or both components of that assistance at the time at which the individual otherwise would in accordance with that regulation, as read with regulation 36 (time of payment) (referred to in these Regulations as a decision to suspend the individual's Adult Disability Payment).

(2) Where such a decision is made in respect of an individual, payments of Adult Disability Payment to that individual are to be suspended until such a time as the Scottish Ministers decide that the individual is once again to become entitled to be given Adult Disability Payment.

(3) The Scottish Ministers may decide to suspend an individual's Adult Disability Payment only in the circumstances where—

- (a) section 54(1A) of the 2018 Act⁽⁶³⁾ applies, or
- (b) the Scottish Ministers have made arrangements (whether under section 85A of the 2018 Act, section 85B of the 2018 Act⁽⁶⁴⁾ or otherwise) for a person to receive the Adult Disability Payment on the individual's behalf, and the Scottish Ministers consider that it is necessary to suspend the Adult Disability Payment—
 - (i) in order to protect the individual from the risk of financial abuse, or

⁽⁶³⁾ 2018 asp 9. Section 54(1A) was inserted by section 12(3)(b) of the Social Security Administration and Tribunal Membership (Scotland) Act 2020 (asp 18).

⁽⁶⁴⁾ Section 85A was inserted by section 1(2) of the Social Security Administration and Tribunal Membership (Scotland) Act 2020 (asp 18). Section 85B was inserted by section 2(4) of the Social Security Administration and Tribunal Membership (Scotland) Act 2020 (asp 18).

- (ii) because the person with whom the Scottish Ministers have made arrangements is unable to continue to receive the Adult Disability Payment.
- (4) In this regulation, “financial abuse” includes—
 - (a) having money or other property stolen,
 - (b) being defrauded,
 - (c) being put under pressure in relation to money or other property,
 - (d) having money or other property misused.

Having regard to financial circumstances

39. The Scottish Ministers must have regard to an individual’s financial circumstances prior to making a decision to suspend payment to the individual of some or all of either component or both components of Adult Disability Payment.

Information to be given following suspension

40.—(1) Having made a decision to suspend an individual’s Adult Disability Payment, the Scottish Ministers must inform the individual of—

- (a) their decision to suspend the individual’s Adult Disability Payment,
- (b) the reasons for their decision,
- (c) any steps which might be taken by the individual in order for the Scottish Ministers to consider ending the suspension, and
- (d) the individual’s right under regulation 41 to require the Scottish Ministers to review their decision to suspend the individual’s Adult Disability Payment.

(2) The Scottish Ministers must fulfil their duty under paragraph (1) in a way that leaves the individual with a record of the information which the individual can show to, or otherwise share with, others.

Right to review suspension

41.—(1) An individual may require the Scottish Ministers to review their decision to suspend that individual’s Adult Disability Payment.

- (2) The Scottish Ministers must—
 - (a) complete a review mentioned in paragraph (1) within 31 days beginning with the day when they received notice from the individual requiring them to review their decision,
 - (b) inform the individual of the outcome of the review including reasons for their decision.

(3) The Scottish Ministers must fulfil their duty under paragraph (2)(b) in a way that leaves the individual with a record of the information which the individual can show to, or otherwise share with, others.

Ending a suspension

- 42.** The Scottish Ministers are to make a decision to end a suspension where—

- (a) the individual provides the information requested under section 54(1) of the 2018 Act⁽⁶⁵⁾ and the Scottish Ministers consider that they do not require to make a determination without application,
- (b) regulation 38(3)(a) applies and the Scottish Ministers make a determination without application under regulation 47 (consideration of entitlement after specified period), 48 (determination following change of circumstances, etc.), 49 (determination following official error – underpayments), 50 (determination following error – overpayments) or 51 (determination to effect a deduction decision),
- (c) the Scottish Ministers make a determination under section 54(2) of the 2018 Act⁽⁶⁶⁾,
- (d) the circumstances mentioned in regulation 38(3)(b) no longer apply, or
- (e) the Scottish Ministers consider it appropriate in the circumstances, including having regard to the financial circumstances of the individual.

Effect of suspension ending

43. When—

- (a) the suspension of an individual’s Adult Disability Payment ends, and
- (b) under the latest determination of the individual’s entitlement to Adult Disability Payment relating to the period of the suspension the individual would have become entitled to be given Adult Disability Payment during that period,

the individual is immediately to be given the Adult Disability Payment that the individual would have become entitled to be given under the determination during the period of suspension.

Form of payment – giving Adult Disability Payment by way of deduction

44.—(1) Where an individual has a liability to the Scottish Ministers under section 63 of the 2018 Act (liability for assistance given in error), the individual’s payment of Adult Disability Payment may be given (in whole or in part) by way of deduction, at a reasonable level, from that liability either—

- (a) with the agreement of the individual, or
- (b) without the individual’s agreement, where the individual has unreasonably refused to agree to the assistance being given in that form.

(2) For the purpose of paragraph (1), “reasonable level” means a level that is reasonable having regard to the financial circumstances of the individual.

When an increase in level of entitlement takes effect

45.—(1) Where, as a result of a determination without an application, the amount of Adult Disability Payment payable in respect of an individual is increased or their entitlement to a component is awarded, the change takes effect—

- (a) in the case of an increase pursuant to a determination made under regulation 48(c) or 48(d) (determination following change of circumstances etc.) on the day after the day on which Personal Independence Payment ceased to be paid in respect of the individual,
- (b) in the case of an award of entitlement to a component or an increase pursuant to a determination made in accordance with regulation 48(a) that affects their eligibility under

⁽⁶⁵⁾ Section 54(1) was amended by section 12(3)(a) of the Social Security Administration and Tribunal Membership (Scotland) Act 2020 (asp 18).

⁽⁶⁶⁾ Section 54(2) was amended by section 12(3)(c) of the Social Security Administration and Tribunal Membership (Scotland) Act 2020 (asp 18).

regulation 5 (daily living component) or regulation 6 (mobility component), on the date when—

- (i) if as a result of the individual reporting the change—
 - (aa) if the individual reports the change within one month of the change occurring, the individual first satisfies the requirements for a higher rate of the daily living or mobility component,
 - (bb) if the individual reports the change within more than one month but not more than 13 months of the change occurring, the individual first satisfies the requirements for a higher rate of the care or mobility component, but only if the Scottish Ministers consider that the individual had good reason for not notifying the change within one month, or
 - (cc) in any other case, the individual reports the change.
- (ii) if as a result of the Scottish Ministers becoming aware that a determination of an individual's entitlement was made in ignorance of a material fact, on the date when the Scottish Ministers make the determination.
- (c) in the case of an earlier determination which was based on official error or error within the meaning of regulation 49 (determination following official error – underpayments) or on error within the meaning of regulation 50 (determination following error – overpayments), begins on the date when the earlier determination took effect, or
- (d) in any other case, on the date when the Scottish Ministers make the determination.

(2) Where the Scottish Ministers consider that in all the circumstances it would be unjust not to do so, they may, when making their determination, set an earlier date for the purposes of paragraph (1) (b), (c) or (d).

(3) This regulation does not apply to an individual to whom regulation 26 (entitlement under special rules for terminal illness) applies.

(4) Where an individual has previously received Adult Disability Payment for a period and a determination without application has subsequently been made that the same individual is entitled to Adult Disability Payment at a higher rate for that period, that individual will be entitled to the difference between the value of entitlement to Adult Disability Payment under the subsequent determination and the value of Adult Disability Payment to which that individual was previously entitled for that period.

When a decrease in level or cessation of entitlement takes effect

46.—(1) Where, as a result of determination without an application, the amount of Adult Disability Payment payable in respect of an individual is decreased or their entitlement to a component is ceased, the change takes effect—

- (a) in the case of a decrease pursuant to a determination made under regulation 48(c) or 48(d) (determination following change of circumstances etc.) on the day after the day on which Personal Independence Payment ceased to be paid in respect of the individual,
 - (b) in the case of a determination without application under regulation 47 or 48(a), on the date—
 - (i) where the individual was required to notify a change under section 56 of the 2018 Act, if the individual—
 - (aa) knowingly fails to notify a change, or
 - (bb) fails to notify the change as soon as reasonably practicable after it occurred,
- the individual should have notified the Scottish Ministers of the change, or

- (ii) in any other case, the Scottish Ministers make the determination,
 - (c) in the case of an earlier determination which was based on official error or error within the meaning of regulation 49 (determination following official error – underpayments) or on error within the meaning of regulation 50 (determination following error – overpayments), on the date when the earlier determination took effect,
 - (d) in any other case, on the date when the Scottish Ministers make the determination.
- (2) Where the Scottish Ministers consider that in all the circumstances it would be unjust not to do so, they may, when making their determination, set a later date for the purposes of paragraph (1) (b), (c) or (d).

PART 10

- (b) that the individual has died,

“date of transfer” means the date when a transferring individual’s entitlement to Adult Disability Payment begins by virtue of a determination made under paragraph 9(1),

“relevant individual” means an individual—

- (a) who has an award of Personal Independence Payment who appears to the Scottish Ministers to be likely to be eligible for Adult Disability Payment, and
- (b) who is—
 - (i) ordinarily resident in Scotland, or
 - (ii) someone to whom regulation 15(3) (residence and presence conditions) or 20(2) (persons residing outside the United Kingdom to whom a relevant EU regulation applies) applies,

“sufficient” means a link to Scotland that is sufficiently close that regulations 15(3) or 20(2) would be incompatible with the applicable agreement mentioned in that regulation, if the relevant individual were not entitled to Adult Disability Payment,

“transfer notice” means the notice required by paragraph 8, and

“transferring individual” means a relevant individual on whom the Scottish Ministers have served a notice of intention to transfer in accordance with paragraph 8.

Notice of intention to transfer to Adult Disability Payment

8.—(1) The Scottish Ministers are to notify each relevant individual of their intention to transfer that individual’s entitlement to disability assistance from an entitlement to Personal Independence Payment to an entitlement to Adult Disability Payment.

(2) Notice under sub-paragraph (1) must—

- (a) be given in a way that leaves the relevant individual with a record of the information which they can show to, or otherwise share with, others,
- (b) inform the relevant individual that—
 - (i) they have been identified as a relevant individual for the purposes of transfer to Adult Disability Payment,
 - (ii) the Scottish Ministers will make a determination, without receiving an application, to transfer the individual’s entitlement to Personal Independence Payment to an entitlement to Adult Disability Payment within a period to be specified within the notice (the individual will be notified when the determination is made and informed about their award and start date of Adult Disability Payment), and
 - (iii) the individual’s award of Personal Independence Payment will cease immediately before the award of Adult Disability Payment begins.

(3) Where a notice under sub-paragraph (1) is given in error where the individual is neither—

- (a) ordinarily resident in Scotland, nor
- (b) an individual who is habitually resident in an EEA state, Gibraltar or Switzerland and has a genuine and sufficient link to Scotland,

the duty on the Scottish Ministers in paragraph 9(1) does not apply.

(4) Where sub-paragraph (3) applies in respect of an individual and a determination under paragraph 9(1) has not been made, the Scottish Ministers are to notify the individual that the duty on the Scottish Ministers in paragraph 9(1) does not apply.

Determination without application of entitlement to Adult Disability Payment

9.—(1) The Scottish Ministers are to make a determination in respect of a transferring individual, without receiving an application, of that individual's entitlement to Adult Disability Payment.

(2) Entitlement to Adult Disability Payment under a determination under sub-paragraph (1) begins on the date specified in the notice of determination given to the transferring individual in accordance with section 40 of the 2018 Act⁽⁸⁵⁾.

(3) Subject to sub-paragraph (4), the determination under sub-paragraph (1) is to be made on the basis of—

- (a) such information as the Scottish Ministers have received from the Secretary of State for Work and Pensions in respect of the transferring individual's entitlement to Personal Independence Payment, and
- (b) any other information available to the Scottish Ministers that appears to them to be relevant.

(4) The determination under sub-paragraph (1) does not need to be made on the basis of the information mentioned in sub-paragraph (3)(b) where—

- (a) the individual—
 - (i) before receiving a notice under paragraph 8(1), reported a change of circumstances to the Secretary of State for Work and Pensions, which has not been taken into account for the individual's entitlement to Personal Independence Payment, or
 - (ii) has, since receiving a notice under paragraph 8(1), notified a change of circumstances to the Scottish Ministers, and
- (b) following the determination under sub-paragraph (1) a further determination is to be made under paragraph 12.

(5) Subject to paragraph 11, a determination under sub-paragraph (1) must be made on the basis that the transferring individual is entitled to the components and rates of Adult Disability Payment that are equivalent to those components and rates of Personal Independence Payment to which the individual was entitled immediately before the date of transfer.

(6) A determination under sub-paragraph (1)—

- (a) may be made on the assumption that whatever can be discerned about the transferring individual's circumstances from the information mentioned in sub-paragraph (3) remains accurate on the date on which the determination is made,
- (b) notwithstanding the generality of head (a), is to be made on the assumption that the conditions relating to residence and presence set out in regulations 15 to 21 (residence and presence conditions etc.) are satisfied in the individual's case, and
- (c) must be made not later than the end of the period specified within the notice under paragraph 8(1) unless the Scottish Ministers have—
 - (i) good reason to extend that period,
 - (ii) agreed the period for extension with the Secretary of State for Work and Pensions, and

- (b) where paragraph 11 applies, the date their entitlement to Adult Disability Payment would have begun had paragraph 11(2) not applied to set an earlier date of entitlement.

Exceptions to paragraph 9(5)

11.—(1) Where the Scottish Ministers have—

- (a) received information from the Secretary of State for Work and Pensions that the transferring individual is terminally ill in terms of section 82 of the Welfare Reform Act 2012⁽⁸⁶⁾ immediately before the date of transfer, or
- (b) not received information from the Secretary of State for Work and Pensions that the transferring individual is terminally ill in terms of section 82 of the Welfare Reform Act 2012, but become aware, before they have made a determination under paragraph 9(1), that a transferring individual has a terminal illness in terms of regulation 26(7),

the determination made under paragraph 9(1) must be made on the basis that the transferring individual satisfies the conditions for the enhanced rate of both the daily living component and the mobility component of Adult Disability Payment.

(2) Where sub-paragraph (1) applies—

- (a) paragraphs (4) to (6) of regulation 26 do not apply, and
- (b) the transferring individual's entitlement to Adult Disability Payment will commence on whichever is the later of—
 - (i) the date that these Regulations come into force,
 - (ii) the day that the clinical judgement was made in accordance with regulation 26(7), or
 - (iii) the day one year before the determination was made in accordance with paragraph 9(1).

Change of Circumstances

12.—(1) The Scottish Ministers must make a determination of an individual's entitlement to Adult Disability Payment (“the review determination”), without receiving an application, where—

- (a) the individual—
 - (i) before receiving a notice under paragraph 8(1), reported a change of circumstances to the Secretary of State for Work and Pensions, which had not been taken into account for the individual's entitlement to Personal Independence Payment, or

(86) 2012 c. 5.

(2) The review determination is to be made as soon as reasonably practicable after the transfer determination.

(3) The change of circumstance notified under sub-paragraph (1)—

- (a) is not to be regarded as relating to the individual's entitlement to Personal Independence Payment, and
- (b) is to be taken into consideration by the Scottish Ministers in making the review determination.

(4) Where a transferring individual's entitlement to Adult Disability Payment is determined in the review determination to be at a higher rate than the transfer determination, entitlement will begin—

- (a) if the individual notifies the change—
 - (i) within one month of the change occurring, the date when the individual first satisfies the requirements for a higher rate of the care or mobility component,
 - (ii) within more than one month but not more than 13 months of the change occurring, the date when the individual first satisfies the requirements for a higher rate of the care or mobility component, but only if the Scottish Ministers consider that the individual had good reason for not notifying the change within one month,
 - (iii) in any other case, from the date of notification of the change, or
- (b) if the date under sub-paragraph 4(a) is before these Regulations come into force, the date that these Regulations come into force.

(5) Where a transferring individual's entitlement to Adult Disability Payment is determined in the review determination to be at a lower rate than or at the same rate as awarded by the transfer determination, entitlement under the review determination will take effect on the day that the Scottish Ministers make the review determination.

(6) Where an individual has previously received Personal Independence Payment or Adult Disability Payment for a period and a review determination is subsequently made that the same individual is entitled to Adult Disability Payment at a higher rate for that period by virtue of this paragraph, that individual will be entitled to the difference between the value of entitlement to Adult Disability Payment under the review determination and the value of Personal Independence Payment or Adult Disability Payment to which that individual was previously entitled for that period.

Effect of legal detention on payment of the mobility component: 16 and 17 year olds

13.—(1) Sub-paragraph (2) and (3) apply where a transferring individual—

- (b) was in legal detention immediately before the date of transfer, and
- (c) was entitled to the mobility component of Personal Independence Payment immediately before the date of transfer.

(2) Entitlement to the mobility component of Adult Disability Payment of a transferring individual mentioned in sub-paragraph (1) is to begin before the date of the determination under paragraph 9(1) but not before 13 June 2022.

(3) Where the transferring individual has received payment of the mobility component of Personal Independence Payment for any period after the date on which their entitlement to the mobility component of Adult Disability Payment commences under sub-paragraph (2), any payment of Adult Disability Payment to be made for that period is to be reduced by the amount already paid to the transferring individual for the mobility component of Personal Independence Payment for that period.

Modification of these Regulations: transferring individuals

14. These Regulations apply to a transferring individual on and after the date of transfer with the following modifications—

- (a) regulation 32 (entitlement beginning while in alternative accommodation) is to be read as if—
 - (i) in paragraph (1) after “begins” there are the words “in terms of Part 3 of schedule 2”, and
 - (ii) in paragraph (2) for “that day” reads “the day on which the individual has been entitled to Adult Disability Payment for 28 days”,
- (b) regulation 35 (when an application is to be treated as made and beginning of entitlement to assistance) is treated as omitted,
- (c) in regulation 45—
 - (i) for paragraph (4) substitute—

“(4) Where an individual has previously received Adult Disability Payment or Personal Independence Payment for a period and a determination without application has subsequently been made that the individual is entitled to Adult Disability Payment at a higher rate for that period, the individual will be entitled to the difference between the value of entitlement to Adult Disability Payment under the subsequent determination and the value of Adult Disability Payment or Personal Independence Payment to which that individual was previously entitled for that period.”,
 - (ii) where regulation 45(4) as substituted by sub-paragraph (1) applies, for the period between the date when the individual’s entitlement to a higher rate of Adult Disability Payment begins and the date of the determination under regulation 46, regulation 4 (entitlement to other benefits) is treated as omitted, and
- (d) where paragraph 11, 12(6) or 13(3) applies, for the period between the date when entitlement to Adult Disability Payment begins and the date of the determination under paragraph 9(1), regulation 4 (entitlement to other benefits) is treated as omitted.
