1999 No. 1

**The Environmental Impact Assessment
(Scotland) Regulations 1999**

PART II

TOWN AND COUNTRY PLANNING

CHAPTER 9

UNAUTHORISED DEVELOPMENT

Publicity for environmental statements or further information

37.—(1) Where an authority receive a copy of a statement or further information by virtue of regulation 35, they shall publish in a local newspaper circulating in the locality in which the land is situated a notice stating—

- (a) the name of the appellant and that he has appealed to the Scottish Ministers against the enforcement notice;
- (b) the address or location of the land to which the notice relates and the nature of the development;
- (c) that a copy of the statement or further information may be inspected by members of the public at all reasonable hours;
- (d) an address in the locality in which the land is situated at which the statement or further information may be inspected, and the latest date on which it will be available for inspection (being a date not less than 21 days later than the date on which the notice is published);
- (e) that any person wishing to make representations about any matter dealt with in the statement or further information should make them in writing, no later than 14 days after the date specified in accordance with sub-paragraph (d), to the Scottish Ministers; and
- (f) the address to which any such representations should be sent.

(2) The authority shall as soon as practicable after publication of a notice in accordance with paragraph (1) send to the Scottish Ministers a copy of the notice certified by or on behalf of the authority as having been published in a named newspaper on a date specified in the certificate.

(3) Where the Scottish Ministers receive a certificate under paragraph (2), they shall not determine the deemed application or the ground (a) appeal in respect of the development to which the certificate relates until the expiry of 14 days from the date stated in the published notice as the last date on which the statement or further information was available for inspection.
