PART V

ENTRY INTO THE PROFESSION OF SOLICITOR OR ADVOCATE

Evidence in support of application for exemption under regulation 29(3)

32.—(1) Where a registered European lawyer makes an application under paragraph (3) of regulation 29, he shall provide the professional body with any relevant information and documentation it may reasonably require.

(2) In deciding whether to grant an application under paragraph (3) of regulation 29, the professional body shall take into account the professional activities the registered European lawyer has pursued during the period he has been registered and any knowledge and professional experience he has gained of, and any training he has received in, the law of Scotland, and the rules of professional conduct of the profession concerned.

(3) Subject to paragraph (4), in the case of an application under paragraph (3) of regulation 29, the professional body shall, by means of an interview, assess and verify the registered European lawyer's effective and regular professional activity and his capacity to continue that activity.

(4) Where a professional body believes that an interview is unnecessary and intends to grant an application under paragraph (3) of regulation 29, it may dispense with that requirement.
