

## SCHEDULE 1

### ACTIVITIES AND INSTALLATIONS AND MOBILE PLANT

#### PART 3

##### INTERPRETATION OF “PART A INSTALLATION” ETC

**20.** Where an installation is authorised by a permit granted under these Regulations to carry out Part A activities or Part B activities which are described in Part 1 by reference to a threshold (whether in terms of capacity or otherwise), the installation shall not cease to be a Part A installation or a Part B installation, as the case may be, by virtue of the installation being operated below the relevant threshold unless the permit ceases to have effect in accordance with these Regulations.
